A. City Staff Report

Artist and Crafters Show:

It was determined that a bigger facility would be needed for future events. Also, the possibility of turning the event into another event such as an art show (Festival of Trees) or community auction. The Commission will step back from this event for a year, to not compete with other similar events. Commission will revisit the topic in March to discuss a different event.

Kid Cookie Decorating:

The Commission will step back from this event for a year. Cookies were too small for kids to decorate. Revisit the topic in April.

Light Bus Tour:

It was determined that a second weekend would be beneficial for the event along with removing the Thursday night from the event. There was a good turn out and interest from residents. There wasn't enough room on the bus, so residents were following the tour bus in their own vehicles.

The event should be moved to Bernie Fisher Park at the recommendation of the Parks Director.
