## *Call for Digital Art!*

The City of Kuna's Art Commission advises on arts and cultural policy and promotes public awareness and participation in the arts. Kuna would like to emphasize that art comes in many forms including but, not limited to; painting, photography, sculpture, dance, and music.

During this modern-day pandemic Kuna Arts Commission would like to provide the Community a Digital Art Gallery. The intent of the Digital Art Gallery is to virtually promote public awareness and participation of art in all its various forms. This virtual display will give the community the ability to respect present day social distancing guidelines as well as provide a safe place to reference, view, and enjoy art.

Kuna Arts Commission is ready to collaborate with interested participants! Artists please keep in mind art will need to be displayed digitally, all submissions will be brought to the Commission for review, the Commission will contact participants if their art is chosen to be display on the Digital art Gallery.

If you have any questions please call the Kuna City Clerk's office at (208) 387-7726. Participants may submit their art via e-mail to [cityclerk@kunaid.gov](mailto:cityclerk@kunaid.gov) or mailed to:
