Allow community to run with the idea and we can fill in the gaps when nothing is happening.

Continue to seek talent, we do not need to do this every month. What we can do is support other projects.

Gingerbread decorating class on again this year for the Christmas holiday.

KAC should combine the Arts and Crafts Fair the same day as the Downtown Country Christmas event put on by the Kuna Chamber of Commerce.

**2. Discuss price for June 30, 2018 vendors – Chris Engels, City Clerk**

Vendor pricing has been set for this event and all events. Food vendor pricing will be \$75.00 and other vendors will be \$20.00 with a 20/80 split.

Kuna June Jam has been renamed to Music on the Greenbelt. Flyers have been sent out. The event hours have been set for 3:00 PM – 9:00 PM. Cowgirls and KAC will do the security and Cowgirls will pass the cost to us. A fee of \$1.00 will be added onto the beverage sales benefiting KAC. Chris will meet with Jake from Cowgirls to go over final details.

**3. Discuss potential new art project – Chris Engels, City Clerk**

Go forward with the photo residency so others learn more that way.

Jan suggested we partner up and support Missoula Children's Theatre. We need to find a point of contact.

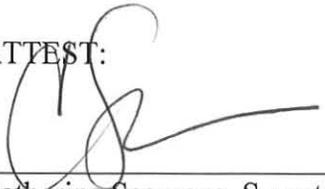

Suggestion was made that we plan for scarecrow art in the community in 2019. We need to start researching.

KAC hopeful that their will be Christmas lights on the greenbelt for this year if the lighting gets finished this summer.

Need to get a sponsor for the new art project downtown. We need Water Tower historical photos. Other suggestions made were, making a drinking fountain near the water tower, setting benches, or an old-time phone booth featuring a solar phone charging station.
