## Cup of Color Summary of Business

Cup of Color is a business that was created during the pandemic. At Cup of Color I started by learning how to do Dutch Pour Paintings. As I mastered that technique I started experimenting with other types of products, such as Coasters and Vases. As I would share my art projects with friends and family I quickly learned that there was an interest in these products.

I am looking to expand Cup of Color to a full time business. We currently have 10 main items besides paintings that we carry.

- Paintings
- Thingy Mabobs
- Pilsners
- Tumblers
- Coasters
- Martini, Wine, Champagne Glasses
- Stemless Wine Glasses
- Vases
- Tub Caddy

Cup of Color currently has:

Facebook [www.facebook.com/cupofcolordesigns](https://www.facebook.com/cupofcolordesigns)

Website [www.cupofcolordesigns.com](http://www.cupofcolordesigns.com)

Cup of Color would be honored to be a part of the Kuna Market Village. Thank you for your consideration.

Sincerely,  
Rochelle Boring
