 Bobby Withrow, Parks Director
 Gordon Law, City Engineer

2. Invocation: Randy Maxwell, 7th Day Adventist Church

3. Pledge of Allegiance: Mayor Nelson

4. Consent Agenda:
(Timestamp 00:02:15)

All items listed under the Consent Agenda are considered to be routine and are acted on with one motion by the City Council. There will be no separate discussion on these items unless the Mayor, Council Member, or City Staff requests an item to be removed from the Consent Agenda for discussion. Items removed from the Consent Agenda will be placed on the Regular Agenda under Old Business or as instructed by the City Council.

- A. City Council Meeting Minutes:**
 - 1. Regular City Council Minutes, October 20, 2015**
- B. Accounts Payable Dated October 29, 2015 in the Amount of \$223,999.74**
- C. Resolution:**

D. Findings of Facts and Conclusions of Law:

1. Consideration to Approve Findings of Fact based on the record contained in Case No. 15-04-S, Ardell Estates preliminary plat, including the exhibits, staff's report and the public testimony at the public hearing.
2. Consideration to Approve Findings of Fact for case No's 14-07-AN and 14-03-LS, Daniel and Gina Safford, as outlined in staff's report, including the exhibits and the public testimony at the public hearing.

Council Member Stear moved to approve the consent agenda. Seconded by Council Member Buban-Vonder Haar with the following roll call vote:

Voting Aye: Council Members Cardoza, Buban-Vonder Haar and Stear

Voting No: None

Absent: Jones

Motion carried 3-0.

5. Citizen's Reports or Requests:

6. **Public Hearings:** (7:00 p.m. or as soon thereafter as matters may be heard.)
(Timestamp 00:02:55)

Consideration to Approve Case No. 15-01-AN, *Falcon Crest Annexation* – Troy Behunin, Senior Planner

Applicant requests annexation of approximately 294.31 acres into the City limits. Applicant and other property owners are requesting the Agriculture (AG) zone for all parcels. This is to set the stage for the future of the Golf Course. At an unknown time in the future, it is anticipated the remainder of the Golf Course will annex into the City when a specific development plan for the area is known and will go through the application review process at that time.

Senior Planner Troy Behunin introduced the application and the adjoining property touches to annex into Kuna. They have met all the requirements of the application. Planning and Zoning forwarded an approval of the request. The Department of State Lands has asked for an easement across the top of the property for possible future use. The easement has been properly recorded. The Blevins have split their lot and are eligible for city annexation.

Mayor Nelson asked for confirmation; the properties are contiguous?

Mr. Behunin confirmed they are contiguous. He indicated the applicant was present.

Steve Arnold with A Team Land Consultants, Boise ID 83709. Mr. Arnold stated the property had been under development since 1997. The golf course has been built out to its full extent. The development intent has been to develop the space around the course for homes along the greens. Kuna's boundary has come close

enough to annex the golf course with the plan to subdivide the property for homes. This is the first step before services come out to the property. Other steps will come in the future. Additional amenities will be added with each phase as development occurs. The development will be agricultural until development is possible. A neighborhood meeting was held and there was no opposition. There have been no comments from ACHD. Mr. Arnold stood for questions.

Council President Cardoza asked if it encroached on the golf course.

Mr. Arnold said this is just the beginning of the overall property. He envisions a new annexation and possibly a preliminary plat after the required steps are completed. It does not encroach on the golf course.

Council President Cardoza asked if in the agreement, the city is under any obligation to bring services to the property.

Mr. Arnold indicated it does not. It is up to the developer to bring services.

Support: None

Neutral: None

Against: None

Mayor Nelson closed the hearing.

Council President Cardoza asked Mr. Behunin about if the public land has a right of way.

Mr. Behunin responded the easement for the access has been recorded and is in place. It is an easement not a right of way.

**Council Member Buban-Vonder Haar moved to approve 15-01-AN, Falcon Crest Annexation. Seconded by Council Member Stear with the following roll call vote:
Voting Aye: Council Members Buban-Vonder Haar, Cardoza and Stear
Voting No: None
Motion carried 3-0. Jones Absent**

7. Business Items:

- A.** Consideration to Approve Case No. 15-03-LLA; A Lot Line Adjustment request by Gary Herriott - Troy Behunin, Senior Planner
(Timestamp 00:17:17)

Applicant requests to reconfigure two qualifying parcels to better suit the needs of the two parcels.

Senior Planner Troy Behunin introduced the application. The applicant has met all the requirements staff has requested. The lot line will be adjusted to fit the needs of the two parcels. Staff has no concerns. Mr. Behunin stood for question.

Council President requested to abstain from voting because of connections with the current owner.

**Council Member Stear moved to approve Case No. 15-03-LLA. Seconded by Council Member Buban- Haar Vonder with the following roll call vote:
Voting Aye: Council Members Buban-Vonder Haar and Stear
Voting No: None
Motion carried 2-0. Jones Absent, Cardoza Abstained**

- B.** Consideration to Approve Resolution R79-2015 Approving Spectrum Lease Agreement – Gordon Law, City Engineer
(Timestamp 00:21:21)

APPROVING “SPECTRUM LEASE AGREEMENT”; AND AUTHORIZING THE MAYOR, CITY CLERK AND CITY ENGINEER TO EXECUTE “SPECTRUM LEASE AGREEMENT”.

Gordon Law explained this is a new provider for the water meter readers and the radio reading antennas that go along with the service. The FCC requires a lease agreement for the use of the radio signal spectrum. No money exchange is required.

Council President Cardoza asked about the reference to a \$1.00 fee.

Mr. Law responded that fee was part of a maintenance agreement that was already in place.

**Council Member Stear moved to approve Resolution R79-2015. Seconded by Council Member Buban-Vonder Haar with the following roll call vote:
Voting Aye: Council Members Cardoza, Buban-Vonder Haar and Stear
Voting No: None
Motion carried 3-0. Jones Absent**

- C.** Consideration to Approve Resolutions in preparation for the City’s application for a Community Development Block Grant with Idaho Commerce for Downtown Revitalization – Chris Engels, City Clerk
(Timestamp 00:25:51)

- 1.** Consideration to Approve R80-2015 ICDBG Citizen Participation Plan

A RESOLUTION OF THE CITY OF KUNA, IDAHO APPROVING THE IDAHO COMMUNITY DEVELOPMENT BLOCK GRANT (ICDBG) CITIZEN PARTICIPATION PLAN; AND AUTHORIZING THE MAYOR

TO EXECUTE THE SAME AND THE CLERK TO ATTEST TO SAID EXECUTION.

City Clerk, Chris Engels explained the purpose of the participation plan is to meet the requirements for the CDBG grant. A minimum of two public hearings to receive input are required, one of which was held last week.

**Council Member Stear moved to approve Resolution R80-2015. Seconded by Council Member Buban-Vonder Haar with the following roll call vote:
Voting Aye: Council Members Cardoza, Buban-Vonder Haar and Stear
Voting No: None
Motion carried 3-0. Jones Absent**

2. Consideration to Approve R81-2015 JUB Professional Service Agreement

A RESOLUTION OF THE CITY OF KUNA, IDAHO APPROVING THE PROFESSIONAL SERVICES AGREEMENT WITH JUB ENGINEERS, INC. TO PREPARE AN IDAHO COMMUNITY DEVELOPMENT BLOCK GRANT (ICDBG) CITIZEN PARTICIPATION PLAN DOWNTOWN REVITALIZATION PLAN FOR THE CITY OF KUNA, IDAHO; AND AUTHORIZING THE MAYOR TO EXECUTE THE AGREEMENT.

City Clerk, Chris Engels explained this RFP was approved by Council previously. The city received two responses, JUB was the successful consultant.

**Council Member Stear moved to approve Resolution R81-2015. Seconded by Council Member Buban-Vonder Haar with the following roll call vote:
Voting Aye: Council Members Cardoza, Buban-Vonder Haar and Stear
Voting No: None
Motion carried 3-0. Jones Absent**

3. Consideration to Approve R82-2015 Establishing a Redevelopment Area

A RESOLUTION TO ESTABLISH A REDEVELOPMENT AREA

City Clerk, Chris Engels explained the purpose is for Council to recognize the boundaries for the first phase of redevelopment for downtown revitalization. Council is currently addressing Phase 1 and 2. In future fiscal years, pursuit of additional funding and grants will be before Council to expand the project. Ms. Engels referenced the map included in the Council Packet.

**Council Member Stear moved to approve Resolution R82-2015. Seconded by Council Member Buban-Vonder Haar with the following roll call vote:
Voting Aye: Council Members Cardoza, Buban-Vonder Haar and Stear
Voting No: None**

Motion carried 3-0. Jones Absent

- D.** Consideration to Appoint Ron Herther to the Planning and Zoning Commission effective November 1, 2015. Mr. Herther's term will expire on November 1, 2018 – Wendy Howell, P & Z Director
(Timestamp 00:31:54)

P & Z Director Wendy Howell indicated she had not received any additional applications.

Council Member Stear moved to approve Ron Herther to the Planning and Zoning Commission. Seconded by Council Member Buban-Vonder Haar with the following roll call vote:

**Voting Aye: Council Members Cardoza, Buban-Vonder Haar and Stear
Motion carried 3-0. Jones Absent**

- E.** October 2015 Construction Report – Gordon Law, City Engineer
(Timestamp 00:33:10) (No Action Required)

8. Ordinances:

- A.** *First Reading* of Ordinance No 2015-12 Idaho Power Franchise Agreement – Richard Roats, City Attorney
(Timestamp 00:34:59)

City Attorney, Richard Roats stated he was not able to negotiate down to five years. It is significantly less than 50 years. There is a benefit in the agreement; the city can run fiber optics on Idaho Power poles as part of the Franchise Agreement. He asked that the ordinance be moved to a second reading.

Council Member Buban-Vonder Haar asked about the paragraph referring to franchise fees and voter approval being required over a certain amount and previous franchise agreements have been passed.

Mr. Roats explained it was determined by statute and Idaho Power was different than Cable One.

Council President Cardoza expressed concern about the City being held accountable for reimbursement if unaware of availability of grant monies.

Mr. Roats responded; there would be no liability.

AN ORDINANCE IN ACCORDANCE WITH IDAHO CODE SECTIONS 50-328, 50-329 AND 50-329A GRANTING A FRANCHISE TO IDAHO POWER COMPANY, AN IDAHO CORPORATION, AND TO ITS SUCCESSORS AND ASSIGNS, TO CONSTRUCT, MAINTAIN AND OPERATE IN AND UPON

THE PRESENT AND FUTURE STREETS, HIGHWAYS AND OTHER PUBLIC PLACES WITHIN THE CORPORATE LIMITS OF THE CITY OF KUNA, IDAHO, ELECTRIC UTILITY PROPERTY AND FACILITIES FOR SUPPLYING ELECTRICITY AND ELECTRIC SERVICE TO THE CITY, THE INHABITANTS THEREOF, AND OTHERS FOR A TERM OF TEN (10) YEARS; PROVIDING A RIGHT TO THE CITY TO PHYSICALLY LOCATE AND MAINTAIN TELEPHONE, CABLE, FIBER OPTICS OR OTHER COMMUNICATIONS FACILITIES ON THE POLES AND OTHER FACILITIES OF GRANTEE; PROVIDING FOR A HOLD HARMLESS CLAUSE; PROVIDING FOR A REQUIREMENT FOR INSURANCE; PROVIDING FOR A PROCESS TO IMPLEMENT A FRANCHISE FEE; PROVIDING FOR A NON COMPETE CLAUSE; PROVIDING A CLAUSE THAT PERMITS THE CITY TO GENERATE POWER FOR ITS OWN CONSUMPTION; RESERVING POWER OF EMINENT DOMAIN; PROVIDING FOR THE PAYMENT OF FRANCHISE FEES; AND SPECIFYING OTHER LIMITATIONS, TERMS AND CONDITIONS GOVERNING THE EXERCISE OF SAID FRANCHISE.

- B.** *First Reading of Ordinance No 2015-18 Annexing Real Property – Trevor Kesner, Planner II
(Timestamp 00:40:18)*

P & Z Director Wendy Howell said this was a follow up to the approval from the last meeting.

Consideration to waive three readings

Consideration to approve ordinance

Consideration to approve a summary publication of the ordinance

AN ORDINANCE ANNEXING CERTAIN REAL PROPERTY, TO WIT: PARCEL NO. R5070501603 AND PARCEL NO. R5070501602 SITUATED IN THE UNINCORPORATED AREA OF ADA COUNTY, IDAHO AND CONTIGUOUS TO THE CORPORATE LIMITS OF THE CITY OF KUNA INTO THE CITY OF KUNA, IDAHO; ESTABLISHING THE ZONING CLASSIFICATION OF SAID REAL PROPERTY; DIRECTING THAT COPIES OF THIS ORDINANCE BE FILED AS PROVIDED BY LAW; AND PROVIDING AN EFFECTIVE DATE.

Council Member Stear moved to waive three readings of Ordinance No. 2015-18. Seconded by Council Member Buban-Vonder Haar. Motion carried 3-0 Jones absent

**Council Member Stear moved to approve Ordinance No. 2015-18. Seconded by Council Member Buban-Vonder Haar with the following roll call vote:
Voting Aye: Council Members Jones, Buban-Vonder Haar, and Stear
Voting No: None**

Motion carried 3-0 Jones absent

Council Member Stear moved to approve a summary publication of Ordinance No. 2015-18. Seconded by Council Member Buban-Vonder Haar. Motion carried 3-0 Jones absent

9. Mayor/Council Discussion Items:

Council President Cardoza asked if individual letters could be sent to all the candidates thanking them for running for public office.

10. Announcements:

11. Executive Session:

12. Adjournment:

Council Member Stear moved to adjourn the meeting at 7:43 p.m. Seconded by Council Member Buban-Vonder Haar. Motion carried 3-0. Jones Absent

W. Greg Nelson, Mayor

TO: Mayor Nelson and Members of City Council
FROM: John Marsh – Kuna City Treasurer
SUBJECT: RESOLUTION R83-2015
DATE: 11/12/2015

SUMMARY DISCUSSION

Resolution R83-2015 consists of approval for the Mayor to reject additional insurance coverage as offered by the Idaho Counties Risk Management Program (ICRMP) for acts of terrorism. ICRMP is the City's insurance carrier.

The offer of additional coverage and resulting rejection or acceptance by the City is an annual process required by ICRMP following the renewal of the insurance policy. ICRMP is required by the Terrorism Risk Insurance Act (TRIA) and by the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA) to offer terrorism risk insurance.

ICRMP has purchased additional pooled insurance coverage for members of ICRMP in the amount of fifty million dollars (\$50,000,000) per year. This additional pooled coverage is intended to cover the additional exposure for terrorism-related losses of ICRMP members. This additional coverage is included in the City's regular ICRMP coverage at no additional cost to members.

The fee for additional terrorism coverage is \$39,516 for one year. The City has rejected the additional coverage each of the previous years under the same set of variables.

STAFF RECOMMENDATION: Approval of R83-2015, which is to reject the additional ICRMP insurance coverage for acts of terrorism as offered by ICRMP.

Attached: Explanatory information from ICRMP and the official rejection form.

Thank You!

**CITY OF KUNA, IDAHO
REJECTION OF ADDITIONAL INSURANCE COVERAGE
FOR ACTS OF TERRORISM
RESOLUTION NO. R83-2015**

A RESOLUTION OF THE CITY OF KUNA, IDAHO AUTHORIZING THE MAYOR TO REJECT ADDITIONAL INSURANCE COVERAGE OFFERED BY THE IDAHO COUNTIES RISK MANAGEMENT PROGRAM (ICRMP) FOR ACTS OF TERRORISM.

BE IT HEREBY RESOLVED by the Mayor and Council of the City of Kuna, Idaho as follows:

Section 1. The Idaho Counties Risk Management Program (ICRMP) is the City's insurer; Acts of terrorism for insurance-related purposes are defined by the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA); Additional insurance coverage for acts of terrorism are required to be offered and coverage is optional for a fee; Pooled excess coverage of fifty million dollars (\$50,000,000) per year for acts of terrorism is already afforded to members of ICRMP at no additional charge.

Section 2. The Mayor of the City is hereby authorized to reject additional insurance coverage offered by ICRMP for acts of terrorism by affixing his signature to the ICRMP form designed for such purposes.

PASSED BY THE COUNCIL of Kuna, Idaho this 17th day of November, 2015.

APPROVED BY THE MAYOR of Kuna, Idaho this 17th day of November, 2015.

W. Greg Nelson, Mayor

ATTEST:

Chris Engels, City Clerk

TO: City of Kuna

RE: Terrorism Coverage for Policy Year Effective July 1, 2015

Dear Valued ICRMP Member:

Following the events of September 11, 2001, the nation's largest insurers took their case to Congress concerning their ability to withstand the financial consequences of additional terrorist acts that might take place on American soil. As a consequence, Congress enacted the Terrorism Risk Insurance Act (TRIA) that is intended to protect insured property owners by assuring that their property insurers are not overwhelmed by terrorism-driven claims. Local government risk sharing pools generally were excluded from TRIA.

Because ICRMP is regulated under Idaho law as a reciprocal insurer, federal law requires ICRMP to offer complete terrorism property coverage to its Members. This offering, which is additional to the regular coverage provided by the ICRMP Program, would require payment of an additional Member contribution, based upon the value of the property assets to be covered. An explanation is provided on the accompanying offer sheet.

You should understand that your ICRMP Member agency is under no obligation to accept the terrorism coverage that we are required to offer. In fact, the ICRMP Board of Trustees has purchased excess insurance for Members of ICRMP (as a whole) in the amount of fifty million dollars (\$50,000,000) per year. The coverage provided for all Members is available to be shared among any Members affected by acts of terrorism during a policy year. The Board believes this is a more cost-effective way of addressing this potential exposure. It is included in your regular ICRMP coverage **at no additional cost to you.**

The decision regarding terrorism coverage belongs to your governing board. Please complete the offer sheet evidencing your agency's desire to procure additional terrorism coverage and pay an additional Member contribution, or to reject it and share in the coverage procured for all ICRMP Members. In order to comply with the law, we need your answer promptly. Thank you.

Sincerely,

Rick Ferguson
Executive Director

NOTICE - OFFER OF TERRORISM COVERAGE (Required by Federal law)

NOTICE – DISCLOSURE OF ADDITIONAL PREMIUM

TO: ICRMP Member:

The Terrorism Risk Insurance Act, as extended on December 26, 2007 by the enactment of the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA), is a U.S. Treasury Department program under which the federal government would share, with regulated insurance carriers, the risk of loss from terrorist attacks. The Act applies when the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, certifies that an event meets the definition of a "certified act of terrorism". Certified acts of terrorism can also include foreign or domestic acts of terrorism, but they still must be certified as such by the Federal officers listed above.

In accordance with the Terrorism Risk Insurance Act, as extended on December 26, 2007, we are required to offer you coverage of all of the property we insure that your agency owns against any "certified act of terrorism". Your public agency must decide whether you desire the coverage (for an additional premium) or whether you choose to reject the offer of coverage and not pay the premium. The choice belongs to the governing board.

If you choose to accept this offer of terrorism coverage, your premium will include the additional premium for terrorism as stated in this disclosure. If you choose to reject this offer, you must do so by signing the enclosed statement and returning it to your agent, Ray Wolfe at (208) 459-1678 or mail directly to ICRMP at P.O. Box 15249, Boise, Idaho, 83715.

If you reject coverage under the Act, the ICRMP policy provided to your public entity will provide an alternative form of coverage of terrorism-related insurance. Rather than cover the entire value of every item of property every public entity member of ICRMP might insure, the alternative form of coverage will provide a fixed amount of coverage (50 million dollars) for the entire membership of ICRMP during any single policy year. If terrorism-caused covered losses do not exceed 50 million dollars during any single policy year, such losses will be paid in full, subject to policy terms and conditions. If total terrorism-caused losses exceed 50 million dollars in the current policy year, such losses will be paid on a *pro-rata* basis among members suffering covered terrorism-caused losses, in proportion to their covered losses expressed as a percentage of all covered losses. Coverage under this alternative process shall not require certification by the Federal officials pursuant to TRIPRA.

Named Insured: City of Kuna

DISCLOSURE OF PREMIUM

If you accept this offer, the premium for terrorism coverage is estimated to be an additional amount of \$39,516 over and above your proposed renewal Member contribution based on reported total insured values of \$39,516,363.

CONTINUED ON NEXT PAGE

For Policy Year Effective July 1, 2015

IF YOU WISH TO REJECT COVERAGE UNDER THE TERRORISM RISK INSURANCE ACT, AS EXTENDED ON DECEMBER 26, 2007, THE NAMED INSURED MUST APPROVE AND SIGN THE FOLLOWING STATEMENTS:

TERRORISM RISK INSURANCE ACT REJECTION OF FULL COVERAGE

We, as a Member of ICRMP, acknowledge that we have been notified as required under the Terrorism Risk Insurance Act, as extended on December 26, 2007, that as respects to the above referenced policy of insurance policy referenced above:

1. We have been offered coverage for acts of terrorism as defined in the Act;
2. We have been advised that if we accept coverage for acts of terrorism as defined in the Act, the United States Government will participate in the payment of terrorism losses insured under the Act, subject to the provisions of the Act;
3. We have been told that if we reject coverage under the Act by signing this notice, to the extent allowed by law, we will have only our respective share of the alternative coverage for any act of terrorism under the policy issued by ICRMP.
4. We have been notified of the annual premium for coverage for acts of terrorism as defined in the Act.
5. We hereby **reject** coverage for acts of terrorism as defined in the Act and understand my policy will contain an exclusion for acts of terrorism as defined by TRIPRA, but will otherwise provide limited coverage concerning acts of terrorism as addressed by the ICRMP policy issued annually to Members.

RESOLUTION NO. R84-2015
CITY OF KUNA IDAHO

A RESOLUTION OF THE CITY OF KUNA, IDAHO APPOINTING A BOARD MEMBER AND ALTERNATE BOARD MEMBER TO THE VALLEY REGIONAL TRANSIT BOARD; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the State of Idaho authorized the creation of regional public transportation authorities under Chapter 21, Title 40 of the Idaho Code, to “. . . provide public transportation services, encourage private transportation programs and coordinate both public and private transportation programs, services and support functions . . .”; and

WHEREAS, an election was held on November 3, 1998, in accordance with Idaho Code 40 2105(1) and resulted in voter approval of the Ada County Regional Public Transportation Authority; and

WHEREAS, Idaho Code §40-2106(1) mandates the creation of a governing board appointed by and serving at the pleasure of the governing bodies of counties, incorporated cities and highway districts located wholly or partially within the authority; and

WHEREAS, the city of Kuna is established under the laws of the State of Idaho as an incorporated city, and it is located within the boundaries of the Ada County Regional Public Transportation Authority; and

WHEREAS, Idaho Code §40-2106(3) provides that board members shall be appointed by resolution of the appointing agency.

NOW, THEREFORE, BE IT RESOLVED by the city of Kuna, pursuant to Idaho Code §40-2106, that the following persons be appointed to the Ada County Regional Public Transportation Authority and to the Valley Regional Transit Board:

Joe Stear as primary representative

Richard Cardoza as alternate representative

NOW, THEREFORE BE IT FURTHER RESOLVED that this resolution is effective upon passage.

PASSED BY THE COUNCIL of Kuna, Idaho this 17th day November 2015.

APPROVED BY THE MAYOR of Kuna, Idaho this 17th day of November 2015.

W. Greg Nelson, Mayor

PROJECT DESCRIPTION: This Downtown Revitalization Project will eliminate slum and blighted conditions by providing critical lighting, curb, gutter, and streetscape improvements through the heart of downtown Kuna, along two blocks of Main Street from Avenue A west to Avenue C, and Avenue E from 4th Street to Main Street. This project will significantly improve pedestrian access and safety, resolve inadequate infrastructure issues, and leverage significant local investments to eliminate and prevent future blight by creating an investment-ready central business district for Kuna.

13. Certifications

I certify the data in this application is true and correct, that this document has been duly authorized by the governing body of the City of Kuna and we will comply with the following laws and regulations if this application is approved and selected for funding.

Compliance Certification and Provisions:

Section 110 of the Housing and Community Development Act of 1974, as amended, by the Housing and Urban-Rural Recovery Act of 1983 and the Housing and Community Development Act of 1987, 24 CFR 570.603, and State regulations regarding the administration and enforcement of labor standards;

It will comply with all parts of Title I of the Housing and Community Development Act of 1974, as amended, which have not been cited previously as well as with other applicable laws;

Conduct and administer its program in conformance with Title VI and Title VIII, and affirmatively further fair housing;

Provide opportunities for citizen participation comparable to the state's requirements (those described in Section 104(a) of the Act, as amended);

Not use assessments or fees to recover the capital costs of CDBG funded public improvements from low and moderate income owner occupants;

Adopt and implement an Excessive Force Policy;

Minimize displacement as a result of activities assisted with CDBG funds by following the Idaho Department of Commerce's anti-displacement and relocation assistance plan; Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended (49 CFR Part 24);

Civil Rights and Equal Opportunity Provisions:

Title VI of the Civil Rights Act of 1964 (Public Law 88-352), and the regulations issued pursuant thereto (24 CFR Part 1), which provides that no person in the United State shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subject to discrimination under any program or activity for which the applicant received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

The Fair Housing Act (previously known as Title VIII of the Civil Rights Act of 1968) (Public Law 90-284), as amended, administering all programs and activities relating to housing and community development in a manner to affirmatively further fair housing in the sale or rental of housing, the financing of housing, and the provision of brokerage services;

Section 109 of Title I of the Housing and Community Development Act of 1987, as amended, and the regulations issued pursuant thereto (24 CFR 570.602), which provides that no person in the United States shall, on the grounds of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to otherwise qualified handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973 shall also apply to any such program activity;

Executive Order 11063, as amended by Executive Order 12259 on equal opportunity in housing and non-discrimination in the sale or rental of housing built with Federal assistance, and requiring that programs and activities

relating to housing and urban development be administered in a manner affirmatively to further the goals of Title VIII of the Civil Rights Act of 1968;

Executive Order 11246 as amended by Executive Order 11375 and 12086, and the regulations issued pursuant hereto (24 CFR Chapter 60), which provides that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal or federally assisted construction contracts. Contractors and subcontracts on Federal and federally assisted construction contracts shall take affirmative action to insure fair treatment in employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation and selection for training and apprenticeship;

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended, requiring that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to eligible business concerns which are located in, or owned in substantial part by, persons residing within the unit of local government;

Property Acquisition Provision:

It will comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and Federal implementing regulation at 49 CFR Part 24, and the requirements of section 570.496a and it is following a residential anti-displacement and relocation assistance plan under section 104(d) of Title I of the Housing & Community Development Act of 1974, as amended;

Environmental Standards and Provisions:

Its chief executive officer or other officer of applicant approved by the Idaho Department of Commerce:

- 1) Consents to assume the status of a responsible Federal official under the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. S 4321 et seq.) and other provisions of Federal law, as specified at 24 CFR 58.1 (a) (3) and (a) (4), which further the purposes of NEPA insofar as the provisions of such Federal law apply to the Idaho Community Development Block Grant Program; and
- 2) Is authorized and consents on behalf of the applicant and himself/herself to accept the jurisdiction of the Federal courts for the purpose of enforcement of his/her responsibilities as such an official.

It will comply with:

- 1) The National Environmental Policy Act of 1969 (42 U.S.C. S 4321 et seq.) and 24 CFR Part 58, and in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. 470), Executive Order 11593, and the Preservation of Archaeological and Historical Data Act of 1966 (U.S.C. 469a-1, et seq.) by:
 - a) Consulting with the State Historic Preservation Officer to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 CFR Part 800.8) by the proposed activity; and
 - b) Complying with all requirements established by the State and to avoid or mitigate adverse effects upon such properties.
- 2) Executive Order 11988, Floodplain Management;
- 3) Executive Order 11990, Protection of Wetlands;
- 4) Endangered Species Act of 1973, as amended, (16 U.S.C. Section 1531 et seq.);
- 5) The Fish and Wildlife Coordination Act of 1958, as amended, (16 U.S.C. Section 661 et seq.);
- 6) The Wild and Scenic Rivers Act of 1968, as amended, (16 U.S.C. Section 1271);
- 7) The Safe Drinking Water Act of 1974, as amended, (42 U.S.C. Section 300f et seq.);
- 8) Section 401(f) of the Lead-Based Paint Poisoning Prevention Act, as amended, (42 U.S.C. Section 4831 (b));
- 9) The Clean Air Act of 1970, as amended, (42 U.S.C. Section 7401 et seq.);
- 10) The Federal Water Pollution Control Act of 1972, as amended, (33 U.S.C. Section 1251 et seq.);
- 11) The Clean Water Act of 1977 (Public Law 95-217); and

- 12) The Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et. seq.);
- 13) Section 202(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4106) as it relates to the mandatory purchase of flood insurance for special flood hazard areas.

Labor Standards and Provisions:

The provisions of the Davis-Bacon Act (46 U.S.C. S 276a-5) with respect to prevailing wage rates (except for projects for rehabilitation of residential properties of fewer than eight units);

Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327-332, requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty in a work-week;

Federal Fair Labor Standards Act, 29 U.S.C. S 102 et seq., requiring that covered employees be paid at least the minimum prescribed wage, and also that they be paid one and one-half times their basic wage rate for all hours worked in excess of the prescribed work-week;

Anti-kickback (Copeland) Act of 1934, 18 U.S.C. S 874 and 40 U.S.C. S 276c, which outlaws and prescribes penalties for “kickbacks” of wages in federally financed or assisted construction activities;

Anti-Lobbying Certification:

No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any federal agency, a member of, employee of a member of, officer of or employee of Congress in connection with the awarding of any federal contract, the making of any federal grant or loan, the entering into any cooperative agreement and the extension, renewal, modification or amendment of any federal contract, grant, loan or cooperative agreement.

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a member of, employee of a member of, officer of or employee of Congress in connection with this federal grant, the undersigned shall complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

The applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was place when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, US Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Administrative and Financial Provisions:

OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments;

24 CFR Part 85, Uniform Administrative Requirements, Cost Principles, and Audit Requirements;

Miscellaneous:

It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties;

It will comply with the provisions of the Hatch Act, which limits the political activity of employees;

It will give State, HUD and the Comptroller General through any authorized representatives, access to and the right to examine all records, books, papers, or documents related to the grant; and

The local government hereby certifies that it will comply with the above stated assurances.

**RESOLUTION NO. R86-2015
CITY OF KUNA, IDAHO**

A RESOLUTION OF THE CITY OF KUNA, IDAHO APPROVING THE IDAHO DEPARTMENT OF COMMERCE COMMUNITY DEVELOPMENT BLOCK GRANT (ICDBG) APPLICATION FOR THE CITY OF KUNA'S DOWNTOWN REVITALIZATION PLAN.

BE IT HEREBY RESOLVED by the Mayor and Council of the City of Kuna, Idaho as follows:

Section 1. The City of Kuna's Idaho Department of Commerce Community Development Block Grant (ICDBG) Application for the Downtown Revitalization Plan for the City of Kuna, Idaho, as attached hereto as EXHIBIT A is hereby approved.

PASSED BY THE COUNCIL of Kuna, Idaho this 17th day of November 2015.

APPROVED BY THE MAYOR of Kuna, Idaho this 17th day of November 2015.

W. Greg Nelson, Mayor

ATTEST:

Chris Engels, City Clerk

NATIONAL OBJECTIVE (MARK ONE)

LMI Area LMI Clientele Imminent Threat
 LMI Jobs Slum & Blight LMI Housing

PROJECT TYPE (MARK ONE)

Public Facility Community Center
 Infrastructure for Jobs Senior Center
 Downtown Revitalization Imminent Threat

PROJECT POPULATION TO BENEFIT (PERSONS): (Census/Survey/Clients/Jobs)

TOTAL # TO BENEFIT: 16,999 (2014 Estimate) **TOTAL # LMI TO BENEFIT:** 5,015

% LMI TO BENEFIT: 36.43 %

PROJECT DESCRIPTION: This Downtown Revitalization Project will eliminate slum and blighted conditions by providing critical lighting, curb, gutter, and streetscape improvements through the heart of downtown Kuna, along two blocks of Main Street from Avenue A west to Avenue C, and Avenue E from 4th Street to Main Street. This project will significantly improve pedestrian access and safety, resolve inadequate infrastructure issues, and leverage significant local investments to eliminate and prevent future blight by creating an investment-ready central business district for Kuna.

SOURCE	AMOUNT	FUNDS COMMITTED/ CONTRACT AWARD DATE	DOCUMENTATION IN APPENDIX **
ICDBG	\$500,000	Pending with this application	
Local Cash ¹	\$327,806		
Local In-Kind ²	\$50,540		
State Grant ³	\$17,200		
Foundation Grants ⁴	\$9,100		
Private Investment ⁵	\$4,300		
Private In-kind ⁶	\$1,000		
COMPASS Grant	\$200,000	Applied 11/13/15	
TOTAL PROJECT FINANCING	\$1,109,946		

¹Local Cash - funds from the City of Kuna and Ada County Highway District.

²Local In-Kind – planning; and construction labor including clearing, grubbing, top-soiling sodding, landscaping and irrigation installation, and construction coordination.

³State Grant – COMPASS planning funding towards the Kuna Downtown Revitalization Plan.

⁴Foundation Grants – Capital Matrix funding towards community engagement efforts to develop the Kuna Downtown Revitalization Plan; Blue Cross High-Five funding towards downtown community visioning efforts.

⁵Private Investment – Cash donations from businesses and private citizens to put towards benches, bike racks and tables downtown.

⁶Private In-Kind – Donation of Event Center use for visioning session from Enrique’s Mexican Restaurant owners.

PHASE I FUNDING BREAKDOWN		
SOURCE	AMOUNT	NOTES
ICDBG	\$500,000	Grant admin, engineering, construction
COMPASS Grant	\$200,000	Construction
City General Fund	\$100,826	Trees, a portion of the decorative street light expenditure
ACHD	\$190,000	Removal of bituminous surface, paving, partial drainage costs
City Irrigation	\$36,980	Irrigation work (if needed, hook up after Phase II complete)
City In-Kind Labor	\$45,540	Clearing, grubbing, top-soiling, sodding, tree planting, tree grate installation, in-kind labor

1. Introduction

Plan Highlights

The Kuna Downtown Revitalization Plan (Plan) will serve as a roadmap towards bringing the heart of Kuna back to life. Elements include:

- What makes Kuna Great – things happening in Kuna
- Economic Development Activity – recently completed and planned projects
- Community Engagement – how the community has contributed to this Plan
- Existing Conditions – review of the infrastructure in the downtown core; contributing factors to the need for revitalization
- Capital Improvement Plan – list of projects and programs; Main Street and Avenue E concept
- Implementation Plan – strategic steps towards ongoing implementation of this Plan
- Strategic Funding Plan – list of funding sources to implement the community’s goals and projects

Objective

The objective of the Downtown Revitalization Plan is simple: *Get things done.*

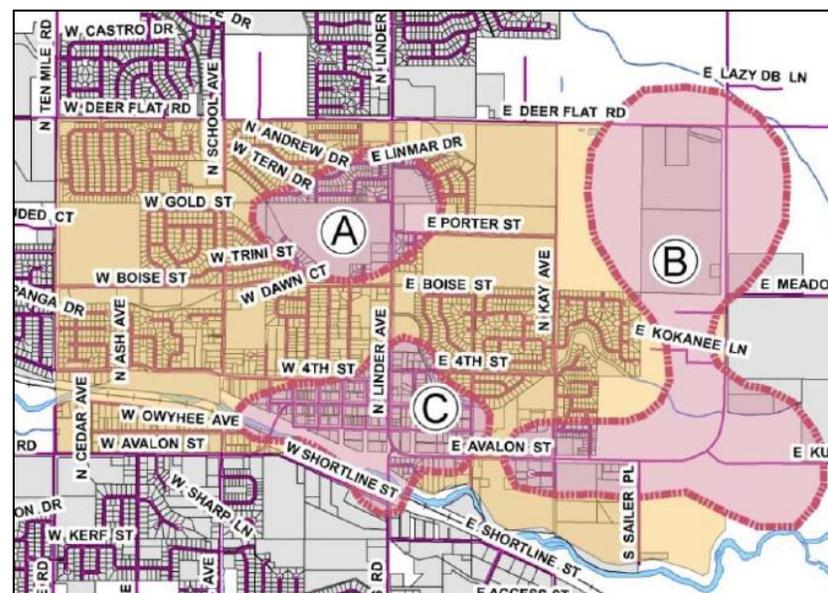

The community has been talking about revitalizing downtown for several years, but there has been some hesitation on tackling Main Street.

Since Main Street is the heart of downtown, there must be careful consideration before any improvements are made. Having the pressure of “getting it right the first time” is a tall task, but Kuna is ready for it.

Planning Area

This planning area focuses on improving a good portion of the “Historic Downtown” core, or the “C” area identified in the 2013 City of Kuna Comprehensive Plan.

Figure 1.1 – City of Kuna 2013 Comprehensive Plan “Future City Center Plan”

- A: Civic Center
- B: Community Commercial & Office
- C: Historic Downtown

Future Planning Needs

Since this Plan is focused on the Historic Downtown area, the City of Kuna should develop similar specific strategy plans for the Civic Center and Community Commercial & Office areas. In doing so, the downtown core will receive the careful consideration and attention needed, thereby enabling a concise focus on the unique aspects of each district. Other economic development-related planning efforts are also recommended that would contribute to the overall economic vitality for the community as a whole:

- **Façade Improvement Program** – encourage businesses to enhance their storefronts, evaluate incentives and identify a process for a Façade Improvement Program.
- **Downtown Design Standards** – evaluate current standards and develop appropriate guidelines for streetscapes, facades, and other applicable standards to bring the desired character to downtown. Design Standards could be developed for each unique downtown district (i.e. Civic Center, Community Commercial & Office, and Historic Downtown).
- **Business Retention and Attraction Plan** – identify ways to retain existing businesses and identify market conditions and strategies that will attract new types of businesses to Kuna. Barriers, such as zoning requirements for existing and future businesses should also be evaluated. The Kuna Economic Development Committee could lead this effort or serve in an advisory role.

- **Wayfinding System Plan** – develop a comprehensive vehicular, bicycle, and pedestrian Wayfinding System Plan. The Wayfinding System Plan should identify key destinations, sign locations and installation standards for downtown Kuna, the Indian Creek Greenbelt and parks throughout the community.

Since these efforts take time, Kuna may wish to target one, or a couple of planning efforts each fiscal year. Maintaining momentum with economic development strategies will be key to Kuna’s long-term success.

Future Funding Needs

With overwhelming support for downtown improvements, yet minimal funding, the City of Kuna should consider all available funding opportunities to close the gap between grants, match, and additional funds needed to cover capital projects and maintenance costs. Kuna would be in a more sustainable position by having continuous funds available to invest in downtown. In addition to grants, funding opportunities for Kuna to explore include:

- **Urban Renewal District** – Idaho Code (Urban Renewal Law, Title 50, Chapter 20 and Idaho Local Economic Development Act, Title 50, Chapter 29) allows cities to create urban renewal agencies. An urban renewal agency, governed by a board of commissioners appointed by the Mayor and confirmed by the City Council, is responsible for managing funds through Tax Increment Financing (TIF) to restore deteriorated areas.

Once an urban renewal agency is established, a revenue financing plan (with specified elements) must be established and approved by City Council. An Urban Renewal District could be a valuable tool that would increase property values in the downtown core, along the community gateways where commercial growth is occurring, and along the railroad tracks for industrial development.

- **Business Improvement District (BID)** – Idaho Code (Business Improvement Districts, Title 50, Chapter 26) allows cities to create a BID that is publicly sanctioned, yet privately directed. A BID organization supplements public service to improve shared, geographically defined, outdoor public spaces. BIDs enhance safety, cleanliness, image and competitiveness of city centers. There are six (6) BIDs in Idaho. All properties within a BID are subject to an annual assessment from the city. A BID could be useful for Kuna to cover ongoing maintenance costs of the downtown streetscape and shared public outdoor areas.
- **Local Improvement District (LID)** – Idaho Code (Local Improvement Districts, title 50, Chapter 17) allows cities to create LIDs as a financing mechanism to construct public infrastructure. The Cities of Nampa and Caldwell, Idaho utilize LID financing through a voluntary process of sharing project costs with adjacent property owners for curb, gutter, and sidewalk improvements. Kuna could offer a similar program in areas where sidewalk improvements are needed (i.e. 4th Street, 2nd Street, downtown side streets).

2. What Makes Kuna Great

Location

For economic development, it's all about location. Forbes magazine has listed the Treasure Valley in the Top 10 Places for Business and Careers for the past eight (8) years. Why? Situated about 20 minutes from the State Capitol, Kuna offers easy access to libraries, health care, universities, museums, legislation, and the amenities of the Boise Metropolitan area of 649,372 residents.

Kuna is located approximately eight (8) miles south of Meridian and has largely been considered a “bedroom community”. Kuna residents often seek shopping, dining, and entertaining opportunities outside of the city. By fostering commercial growth and attracting businesses, the community can continue working towards fulfilling the greater needs of Kuna residents.

Growth

Kuna is one of the fastest-growing areas in Idaho, having nearly tripled in population from 5,382 residents in 2000 to 15,210 residents in 2010 (2010 US Census).

“You can’t rely on bringing people downtown, you have to put them there.”

Jane Jacobs

With a population of approximately 16,999 residents (2014 American Community Survey estimate), Kuna has recently reached a population level that makes it prime to break out of the bedroom community lull it has been in for many years.

According to the Kuna City Treasurer, the total commercial tax revenue has increased over the past five years, but the percentage has declined from 10.17 percent in 2011 to 8.09 percent in 2015. **Table 1.1** shows the total amount and percent of assessed values for Ada and Canyon counties.

Table 1.1 – Kuna Commercial and Residential Tax Base Values

Tax Year	Commercial	Commercial Mix	Residential (Gross Value) ¹	Residential Mix
2011	\$60,479,100	10.17%	\$534,223,300	89.83%
2012	\$58,528,500	10.15%	\$518,271,800	89.85%
2013	\$64,793,100	9.72%	\$602,005,400	90.28%
2014	\$66,872,300	8.11%	\$757,302,700	91.89%
2015	\$72,469,400	8.09%	\$823,753,200	91.91%

¹ Before Homeowner's Exemption Values are Removed

Source: City of Kuna, Ada County Assessor

With recent commercial building activity on the rise including Walgreens, Les Schwab Tires, McDonald's, Auto Zone, Ace Hardware, Ridley's Market, etc., Kuna is making significant strides towards changing this. Among upcoming commercial activity is a proposed 9-screen movie theatre at the intersection of Meridian Road/Highway 69 and Deer Flat Road. All of these recent commercial developments will greatly contribute to breaking this trend.

Location is one of the main challenges facing future commercial growth. With the bulk of the commercial growth occurring outside of downtown, Kuna needs to strengthen its downtown core by creating an inviting place that will support the existing local businesses and attract new ones.

Youth

Kuna is young and vibrant. As shown in **Table 1.2**, Kuna has the highest percentage of youth in Ada County.

Table 1.2 – Treasure Valley Median Age, Kids 19 & Under

Ada County	Median Age	Kids 19 & under
Kuna	28.1	40%
Ada County	34.8	29.1%
Idaho	34.6	30.4%
Star	32.3	36.5%
Meridian	32.5	33.4%
Boise	35.3	25.7%
Eagle	40.6	32.8%
Garden City	43.2	23.1%
Canyon County	Median Age	Kids 19 & under
Canyon County	31.6	34.6%
Caldwell	28.2	36.6%
Nampa	30.1	35.2%
Middleton	30.5	37.7%
Wilder	27.0	40.5%
Parma	34.9	33.4%
Notus	35.5	34.0%

Source: 2010 Census

The abundance of youth creates a lot of energy and need in the community. It also means that Kuna has ample opportunity to create a sense of place that reflects the youthfulness and uniqueness of the community. A Kuna Youth Council was recently formed and is set to hold monthly meetings at City Hall. Engaging the youth in economic development efforts will help pave the way for Kuna to become a more attractive place to live, work, shop, dine, recreate and conduct business.

Events

Kuna hosts several community events annually that engage the local community and draw large crowds from surrounding areas. A few, well-attended events include Kuna Days, Downhome Country Christmas and the Kuna Farmers Market. Held downtown, these events represent the importance of the downtown core and its role in economic development and sustaining a strong sense of community.

Kuna Days

Held the first weekend in August annually, Kuna Days draws thousands of people to Kuna each year. Volunteers put in hard work and make financial contributions to make Kuna Days a success. Kuna Days is considered part of Kuna's economic engine, as it brings in additional revenue to local businesses. A famous feature of Kuna Days is the fireworks show. People travel from all over to enjoy its unmatched scale, quality and variation. The parade, vendor booths, firefighter's fundraiser, concerts, youth activities, etc. keep visitors in town and returning throughout the weekend.

Kuna Days Parade

Photo by: Kuna Melba News

Downhome Country Christmas

This event plays a vital role in encouraging the community to shop local around the holidays. In December each year, the community bundles up and gathers around a quaint scene downtown with light displays, music, candy, hot chocolate and shopping.

Downhome Country Christmas – Nightlight Parade

Photo by: Idaho Press Tribune

The Downhome Country Christmas event also includes a well-attended nightlight parade that draws people near and far. Many of the downtown businesses offer promotions and participate in the food, fun and holiday spirit.

Kuna Farmers Market

Local volunteers have worked hard to create a Kuna Farmers Market. Held at Bernie Fisher Park downtown, vendors travel from all around to sell their locally grown and handcrafted products including but not limited to:

- BBQ Smoker Wood
- Bedding Plants – Vegetables, Herbs, Annual and Perennial Flowers
- Breads – Gluten Free, Allergen Free, Knutty Knots, Artisan
- Crafts – Jewelry, Woodworking, Gourd Art
- Drinks – Frozen Confections, Hot Coffee
- Eggs
- Fall Produce – Squash, Celery, Pumpkins, Peppers
- Flower and Herb Baskets
- Fruit – Cherries, Apricots, Nectarines, Peaches, Apples, Pears, Berries, Melons
- Jams and Jellies – Berry, Strawberry, Apple Butter, Raspberry
- Landscape Plants
- Popcorn
- Skin Care Products
- Spring Produce – Spinach, Beets, Cabbage, Green Onions, Lettuce, Peas, Rhubarb
- Summer Vegetables – Sweet Corn, Broccoli, Carrots, Cucumber, Eggplant, Green Beans, Peppers, Tomatoes
- Sweet Treats – Cookies, Pies, Brownies, Cakes, Sweet Breads

Source: Kunafarmersmarket.com

As improvements are made in the downtown core, the Farmers Market will likely grow in popularity. Drawing more people to the Farmers Market will promote sustainability and drive economic development for local farms and businesses alike.

Clubs, Organizations and Committees

There is no shortage of clubs, organizations and committees in Kuna. These organizations volunteer valuable time and resources that contribute to making Kuna great. Considered assets within the community, their continued support, growth and sustainability should be a priority. Involving the following local organizations in economic development efforts will help foster community buy-in and will lead to ongoing implementation:

- American Legion
- Kuna Chamber of Commerce
- Kuna Chapter Future Farmers of America (FFA)
- Kuna Downtown Revitalization Steering Committee
- Kuna Economic Development Committee
- Kuna Historical Society
- Kuna Senior Center
- Kuna Youth Council (new)
- Lion's Club
- Operation Decoration
- Scouts

The continued support and utilization of local organizations in downtown improvement efforts will be key in realizing Kuna’s overall vision.

Unique Character

Enhancing and displaying the unique character of Kuna as features of downtown improvements will tell an intriguing story to residents, business owners and visitors. Kuna is known for many different types of “unique” things, including but not limited to:

- Agriculture
- Birds of Prey
- Indian Creek and Greenbelt
- Kuna Caves
- Kuna Kavemen – High School Mascot
- Kuna Train Depot
- Kuna Water tower
- Silver Trail (Historical)

Kuna Water Tower

Indian Creek Greenbelt

3. Economic Development Activity

Figure 2.1 shows completed (plum color) and planned (teal color) economic development projects in and surrounding the downtown core.

Figure 2.1 – Completed and Planned Economic Development Projects

Completed Economic Development Projects

Economic development projects recently completed include Bridge Avenue Beautification, Indian Creek Greenbelt Improvements and Kiosk, and Avenue E/Main Street Sidewalks.

Bridge Avenue Project

As the southern gateway to downtown Kuna, the Bridge Avenue project came to fruition in 2014. As shown in the photos below, the bridge crossing was beautified with new faux stone, new sidewalks and protected asphalt pathways and an enhanced pedestrian crossing were constructed.

*Bridge Avenue
Beautification*

Indian Creek Greenbelt Improvements and Kiosk

Kuna's treasured Indian Creek Greenbelt underwent recent improvements over that past two years along the southern portion of the downtown core which drastically improved and extended access along Indian Creek. A Frisbee Disc Golf Course and a Sand Volley Ball Court are new amenities offered along the greenbelt. In 2015, the greenbelt was extended approximately 0.25-mile from Linder Avenue/Swan Falls Road to Orchard Avenue. As shown in the photos below, a kiosk was installed at the east end of the new extension, offering a serene reflection/relaxation area for residents to enjoy.

Indian Creek Greenbelt Kiosk

*View of Indian Creek
from new Greenbelt
Extension*

Avenue E/Main Street Sidewalks

In 2015, five-foot wide sidewalks, curb, and gutter were installed along Avenue E and Main Street. Located along the Old 4th Street Gym property, this project provided a good start to improving walkability along Main Street.

Looking South along Avenue E towards Main Street

Planned Economic Development Projects

Planned projects include:

- Linder/Main Street Roundabout
- 2nd Street Sidewalks – Linder Road along baseball fields.
- Linder/4th Street Pedestrian Crossing Improvements
- Sandstone Plaza facelift/revitalization – Enrique’s Mexican Restaurant is moving from Main Street/Avenue D to Main Street/Avenue E. Improvements include decorative lighting, parking lot and façade improvements, landscaping (trees, flowers, grass), and outdoor dining.

These projects, together with the completed projects and improvements identified in this Plan will greatly enhance the overall look, feel, and most importantly, the safety and functionality in the downtown core.

4. Community Engagement

Community engagement was at the center of developing this Downtown Revitalization Plan. The community has been fully engaged and busy leading up to this effort. This section outlines:

- 2013 Kuna Downtown Corridor Plan
- 2014 Visioning Session
- 2015 Kuna Downtown Revitalization Plan Efforts

2013 Kuna Downtown Corridor Plan

Led by the Ada County Highway District (ACHD), Kuna underwent an in-depth planning process to identify downtown corridor/transportation improvements. Primary, public involvement efforts included committee meetings, open houses and a community survey. Several projects were identified, including ones that have recently been completed and planned. Main Street was a key priority project identified with strong public support for revitalization.

The Kuna Downtown Corridor Plan can be viewed here:
http://www.achdidaho.org/projects/Media/225/1689_11962_Final_Plan_KDCP.pdf

2014 Visioning Session

Led by the City of Kuna, a well-attended visioning session was held with downtown business owners to gather input on downtown revitalization. It was immediately apparent that the community was ready to embark on an effort to conceptualize Main Street improvements and identify key downtown elements. Common goals and specific ideas included those listed in the adjacent table.

A consensus was reached that Kuna should embark on creating this Downtown Revitalization Plan and continue to work with stakeholders on conceptualizing a key project whereby the City of Kuna could apply for Community Development Block Grant funds to help implement it.

See **Appendix A.1** – summary of the visioning session, action strategy and list of funding sources needed to move forward.

2015 Kuna Downtown Revitalization Plan Efforts

Led by the City of Kuna, public involvement efforts were launched to obtain input from key stakeholders and the public. Those methods included:

- Stakeholder Assessment
- Downtown Revitalization Committee Meetings
- Open House
- Agency Meetings

Stakeholder Assessment

Fourteen (14) community members representing a diverse set of interests and organizations were interviewed. During these interviews, stakeholders were asked to share ideas on what projects they would like to see included in the Plan.

Common Goals

- Make Kuna a destination – keep Kuna residents in Kuna
- Community pride
- Create better connectivity/walkability
- Create a safer feel downtown
- More opportunities for events
- Improve parking and sidewalks
- Attract new business
- Incorporate art and history
- Improve/utilize underdeveloped areas
- Create better environment for biking
- Businesses willing to put skin in the game

Specific Ideas

- Clean up storefronts/façade program
- Fix sidewalks
- New landscaping
- Better lighting
- Public art program (Birds of Prey theme)
- Murals and other history elements
- More/better signage
- Event venues (music, recreation, children, etc.)
- Outdoor seating/café areas/benches
- Flags/banners
- Decide what to do with the old school gym – maybe demo for parking
- More prominent crosswalks
- Engraved bricks (could use for fundraiser)

Key questions asked were what projects they thought would be appropriate for the CDBG, and what concerns or questions they had about the revitalization plan in general. The majority of these interviews lasted approximately 30 minutes to one hour.

There was a significant number of overlapping or similar ideas and suggestions shared throughout the interviews. In sum, community members see a very real need for a downtown revitalization plan and are excited to hear that the city is taking steps toward creating and implementing tangible projects. Both small and large opportunities for improving the look and feel of the downtown were identified, with the goal that these efforts would attract both new businesses as well as increased visitation. See **Appendix A.2 – Stakeholder Assessment**.

Downtown Revitalization Steering Committee Meetings

Selected by the Kuna City Council, Downtown Revitalization Steering Committee (DRSC) members were tasked with identifying priorities, refining a project list and conceptualizing Main Street improvements through a series of three (3) meetings. A mix of perspectives including history, local businesses, citizens and seniors, the DRSC worked hard to develop a path forward.

The DRSC considered input from the visioning session, stakeholder assessment, open house, and agency meetings. Input from the DRSC is captured in the project recommendations in this Plan. See **Appendix A.3 – Downtown Revitalization Steering Committee Meeting Notes**.

Open House

Held at the Kuna Event Center, the Open House served as a way for the public to weigh in on the concepts and Plan elements/themes. Attendees were given three (3) stickers to place on their priority projects.

Project List Rankings

- Business façade Improvement Program (29 votes)
- Revitalize Main Street (27 votes)
- Repurpose 4th Street gym and improve parking lot (16 votes)
- Event area – city parking lot (15 votes)
- Revitalize 4th Street (13 votes)
- Greenbelt connections to/from downtown (12 votes)
- Splash pad downtown (10 votes)
- Remove chain link fence/unattractive barriers (8 votes)
- Sidewalks (6 votes)
- Art exhibits (6 votes)
- 2nd Street improvements (2 votes)
- Downtown side streets: Avenue C (2 votes)
- Downtown way finding signage (1 vote)
- Improved Welcome to Kuna sign (1 vote)
- Community center improvements (1 vote)
- Improve/add parking downtown

Attendee Voting on Projects

Additional Suggested Projects

- Parking behind buildings
- Crosswalks on 4th street
- Historic walking trail

See **Appendix A.4** – Open House Summary.

Agency Meetings

A multi-agency meeting was organized to share information and seek input from key agencies including ACHD, COMPASS, Valley Regional Transit (VRT) and the Idaho Transportation Department (ITD). This meeting was essential, as each agency offered input on the process, concepts, funding sources and partnerships. Listed below are the primary roles of each agency:

- ACHD – Agency with jurisdiction over Kuna’s roadways, project partnering
- COMPASS – Regional transportation agency for the Treasure Valley, project partnering
- VRT – Public transportation authority for the Treasure Valley, project partnering
- ITD – State transportation department, project partnering

In addition to the multi-agency meeting, project representatives met with the Idaho Department of Commerce to discuss specifics of the Downtown Revitalization Plan and the CDBG application. Additional meetings were also held with key ACHD representatives.

Open House Youth Attendees

These agencies provided invaluable input throughout the planning process. Continued coordination with these agencies will be key to implementing this plan effectively.

See **Appendix A.5** – Agency Meeting Notes.

5. Existing Conditions

An Existing Conditions Assessment Technical Memo, attached in **Appendix B**, identifies and quantifies the condition of different types of facilities that exist within the twelve-block planning area. As shown in **Appendix B** and summarized below, improvements are needed on roadways (pavement condition), sidewalks, street lighting, drainage, parking, irrigation, potable water, sewer, utilities, benches, bike racks, trash receptacles and building facades throughout downtown.

Roadways

Roadways within the planning area are substandard due to crowning and pavement condition. Main Street has a Pavement Condition Index (PCI) rating of 70-79, which means the pavement condition is “fair”. The alley from Avenue C to Avenue D between Main Street and 4th Street has a PCI of 50-59, which translates to “poor” condition. As the pedestrian area is widened and the curb and gutter is extended (particularly along Main Street), the pavement condition should be evaluated to determine if rehabilitation, reconstruction, chip seal or overlay would be the most appropriate treatment.

Main Street - poor pavement surface

Main Street – lack of identity

Sidewalks

A considerable portion of sidewalks, curb and gutter within the planning area are substandard due to cracking, heaving, settling, deterioration, and spalling. City code identifies a minimum of 10-foot wide sidewalks in the Central Business District (CBD). Pedestrian access routes and ramps with warning domes should be installed to meet standards and improve the safety, connectivity and accessibility for citizens of all ages and physical abilities throughout the downtown area.

Main Street - broken Sidewalks

Street Lighting

Street lights within the study area are substandard due to type, poor spacing, lack of visual appeal and scale. Kuna City Code section 5-4-6 requires street lamp lighting in the downtown area to provide adequate illumination of the sidewalk for pedestrian safety in the downtown district. Decorative street lights should be installed to improve safety, visual appearance and to encourage walkability and accessibility during all times of the day including evening hours.

*Downtown Street
Lights – no
pedestrian-scale
lighting*

Drainage

Catch basins and storm drain lines are either inadequate or non-existent within the planning area. Ponding is a common occurrence during the fall, winter and spring months. Proposed improvements should include the installation of new catch basins, inlets, underground drainage pipes, oil water separators and infiltration facilities that comply with ACHD standards and Idaho Department of Environmental Quality’s (IDEQ) Best Management Practices. Parking lot run off must be processed through an oil/water separator or approved facility.

Downtown Drainage Issues – ponding, insufficient drainage facilities

Parking

Parking is not clearly delineated or accessible throughout the downtown core. ADA requires handicapped parking areas to be designated with a standard blue sign, blue curb or combination, and sized appropriately. Parking improvements should be incorporated into projects as they are implemented.

Downtown Parking Issues – lack of ADA access, unclear delineation

Irrigation

Currently, downtown is served by a mix of pressure and gravity irrigation. Landscaped areas should be served by pressurized irrigation. Proposed project improvements would include a variety of colorful landscaping within the streetscape to break up the existing concrete, asphalt and gravel areas that currently dominate the downtown area. Irrigation drip systems would need to be installed as part of the proposed Main Street/Avenue E project. Subsystems would need to be developed from the main distribution system to support newly installed landscaping. Landscaping will bring cohesiveness and beautification to downtown streets.

Downtown Irrigation – needs pressurized irrigation for landscaped areas

Potable Water, Sewer and Utilities

Potable water, sewer, and underground utilities vary in age based on the date of installation from as early as the 1930’s to 2000. A majority of water and sewer lines within the planning area are in “adequate” condition and may be retained in their current location. Partial upgrades may include replacing surface facilities such as valves, manhole covers and lids to accommodate proposed upgrades.

A majority of the underground piping and utilities would likely remain in place. Utility upgrades should be examined as projects are planned and implemented.

Downtown Utilities – range in age and condition, need to address as projects are implemented

Benches, Bike Racks and Trash Receptacles

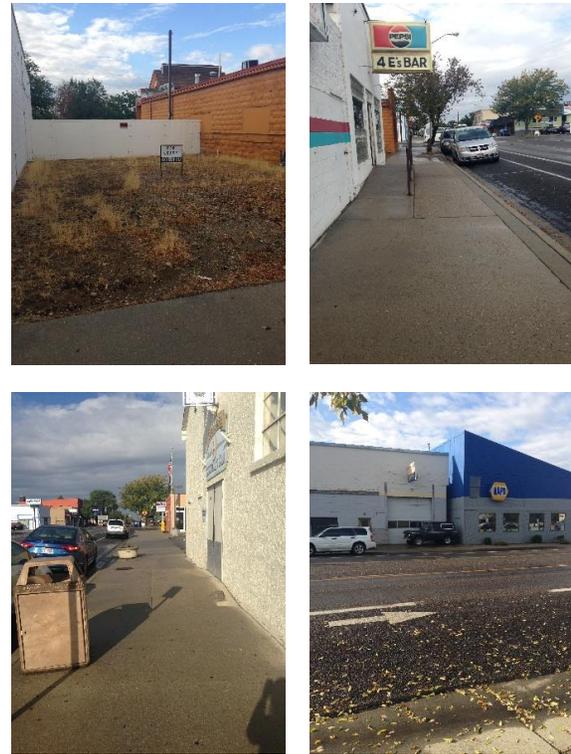

Benches and trash receptacles within downtown Kuna are aged and mismatched. With no bike racks downtown, there is no opportunity for bicyclists to securely park. Benches and trash receptacles should be installed to provide continuity along Main Street and throughout the downtown core. Bicycle racks should be installed as project improvements are implemented.

Benches, Bike Racks and Trash Receptacles – range in type, mismatched, no bike racks

Buildings

Considerable effort would be required to conduct a building assessment for a 12-block area; therefore, the Building Assessment is limited to property lots within the Main Street/Avenue E project area. As projects are implemented, the City of Kuna should update the assessment to include the proposed improvement area(s). Sidewalks in front of businesses are the biggest contributing factor to substandard conditions, along with eight (8) buildings rated in “poor” condition and twelve (12) properties rated in “fair” condition. Building façade upgrades and the replacement and widening of sidewalks should improve these substandard conditions. An incentive program for façade improvements may encourage property/business owners to invest in the revitalization of their storefronts.

Building Facades – needs repair, spruced up

Summary

The Condition Assessment can serve as a guide when projects are conceptualized. By evaluating the public infrastructure in a comprehensive manner, projects can be planned in a more timely and cohesive fashion. An example of how this approach can save time and money is the avoidance of installing improvements above ground and having to go back shortly thereafter to install underground infrastructure that could have been replaced as part of the original project.

6. Capital Improvement Plan

This Capital Improvement Plan (CIP) includes a list of prioritized projects, business façade improvement examples, and concepts for the Main Street/Avenue E Project. As indicated in the Community Engagement section of this Plan, the CIP list below reflects the input of the DRSC, general public, business owners, elected officials and appointed officials.

Project List (in Priority Order)

- Revitalize Main Street
- Business Façade Improvement Program
- Repurpose 4th Street gym and improve parking lot
- Event area – city parking lot
- Revitalize 4th Street
- Greenbelt connections to/from downtown
- Splash pad downtown
- Remove chain link fence/unattractive barriers
- Sidewalks
- Art exhibits
- 2nd Street improvements
- Downtown side streets: Avenue C
- Downtown wayfinding signage
- Improved Welcome to Kuna sign
- Community center improvements
- Improve/add parking downtown

CIP Project Development

Developing project scopes and obtaining funding will be key to successfully implementing CIP projects. Project development involves planning, conceptualizing projects (developing a scope of work, renderings, concept plans, etc.), cost estimates, organizational changes, etc. Completing projects at a realistic and manageable pace will lead to ongoing success.

Business Façade Improvement Program

Building facades may be improved by local business owners, property owners, or through some kind of partnership/incentive program with the City. Downtown buildings are privately owned and therefore not preserved or maintained by the public, coupled with the absence of an Urban Renewal District in Kuna, grant funding is extremely limited.

The City could budget a certain amount each year, and/or offer tax incentives; however, due to the complexities and level of detail required, it is recommended that the City of Kuna partner with downtown businesses to develop a workable program.

Façade improvement programs are usually developed and managed by organizations with a vested interest in civic improvement. Programs focused on commercial properties are usually administered and staffed by a municipality’s planning, community development, or economic development office; a Main Street organization; a business improvement district; or other government-affiliated entities. For the program to be successful, the following basic parameters, at a minimum, should be set:

- A well-defined target area
- Eligibility criteria

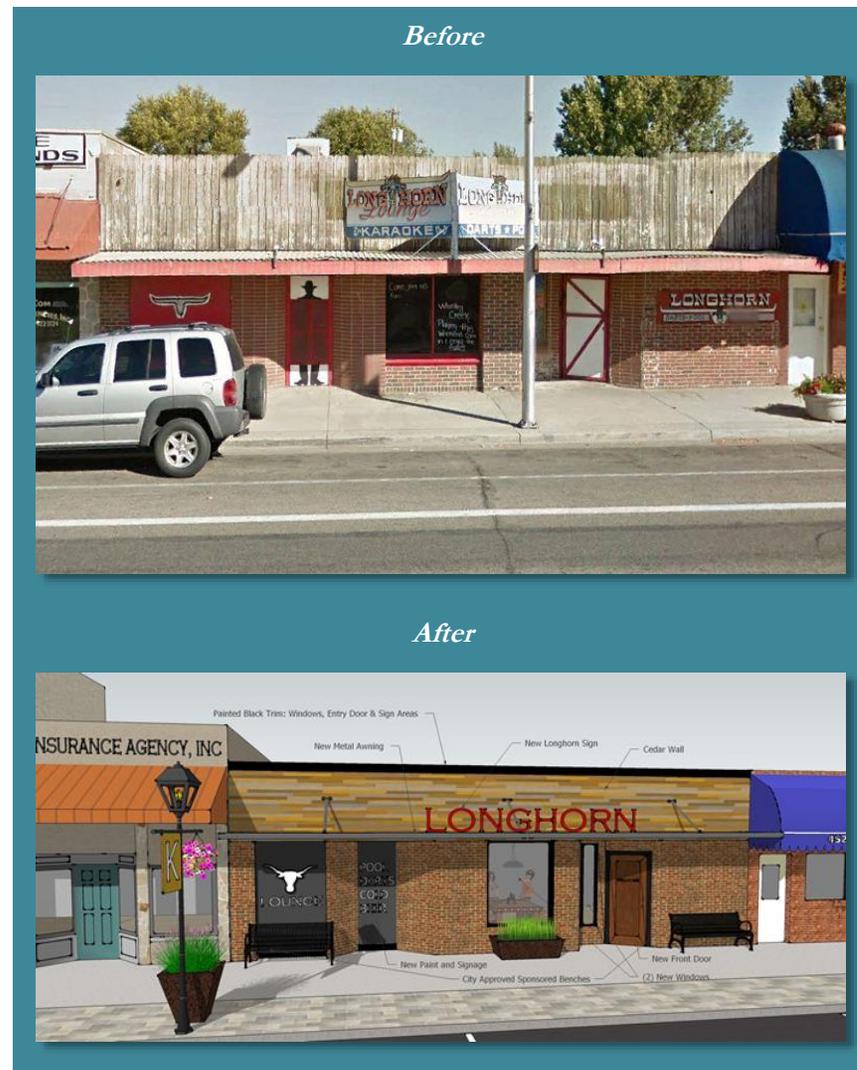

- A list of eligible items and ineligible activities
- Emphasis on good design (to achieve the downtown vision)
- Incorporation of themes (i.e. Indian Creek, Kuna Caves, Birds of Prey, Kuna Water Tower, etc.)

A report in the National Trust for Historic Preservation’s Dollar & Sense series found that:

- Commercial building improvements resulted in an increase in sales in the year after the improvements were made,
- Sales improvements were sustained for several years,
- Sales increases exceeded increases in local taxes,
- The improvements attracted new businesses and shoppers to the target area,
- Participants were often motivated to make additional improvements (such as to interior spaces or product lines), and
- Owners/tenants of properties and businesses in surrounding areas were motivated to make improvements.

As shown in **Figure 6.1** low-cost, minor storefront changes could significantly impact the look and feel downtown. Simple changes such as the removal of non-historic materials, repairs, or a fresh coat of paint can draw visitors in who would not have otherwise known the business was there in the first place.

Figure 6.1 – Façade Improvement Example

Main Street/Avenue E Project

Since the Kuna Downtown Corridor Plan included a general concept and identified Main Street as a priority, coupled with the recent improvements on Bridge Avenue and Avenue E, and the planned roundabout at Main Street/Linder Road, the Main Street/Avenue E project rose to the top of the priority list almost immediately.

Themes

Things that make Kuna unique including Indian Creek, the water tower, Kuna Kavemen mascot, Birds of Prey, etc. will be incorporated into the project design. Thematic elements may include concrete patterns, placement and type of landscaping features, colors, signage, flower planter design, decorative light pole banners, trash receptacles, bike racks, benches, art, etc. These themes may be incorporated into each block, side of the street, or through other methods to create a unified look. As the design process moves forward, these elements will be incorporated and continued input will be sought from the DRSC and adjacent property owners. Careful consideration must be made as design features are developed to ensure the community's goals and overall vision are achieved.

Scope of Work

As shown in **Figure 6.2**, the Main Street/Avenue E project includes:

- East side of Avenue E from 4th Street to Main Street, and the north side of Main Street from Avenue E to Avenue D – widen sidewalk from 5-feet to 10-feet wide, 6-foot wide landscape/hardscape, decorative lighting, benches and bike racks. Sidewalks would also be installed along the south side of Main Street from Avenue E to Bridge Avenue (exact width is to be determined).

- Main Street from Avenue D to Avenue A (three blocks) – replace 10-foot wide sidewalks with new sidewalks, 6-foot wide landscape/hardscape section, decorative street lights, bulb-outs at intersections, roadway paving and striping.

Phasing and Cost

Due to the cost of improvements (estimated \$2.1 to \$2.4 million), the project has been split into two phases as shown below.

Phase I

- Estimated Cost – Approximately \$1 to \$1.1 million
- Project Limits – Avenue E from 4th Street to Main Street, and Main Street from Avenue E to Avenue C (tie into the Bridge Avenue project and Avenue E sidewalk project)
- Funding Sources – City of Kuna in-kind labor and cash; ACHD resources; CDBG, COMPASS and ACHD Community Program grants/funding; foundation grants; private cash and donations.

Phase II

- Estimated Cost – Approximately \$1.1 to \$1.4 million
- Project Limits – Main Street from Avenue C to Avenue A (tie into the roundabout project)
- Funding Sources – City of Kuna in-kind labor and cash; ACHD resources; COMPASS, ACHD Economic Development Program, ITD Transportation Alternatives Program (TAP) grants/funding; foundation grants; private cash and donations.

Design Considerations

- Coordinate design of improvements along the 4th Street Gym property (Avenue E and Main Street) with the Kuna School District for compatibility with future use.
- Involve adjacent property owners, keep communication open during the design process.
- Plant trees in locations so as not to block business signage.
- Provide clear distinctions between trash receptacles and flower pots to avoid misconceptions about where trash should be disposed.
- Explore durable alternatives to stamped concrete in order to obtain the intended aesthetics without creating maintenance or ADA access issues.
- Evaluate travel lane widths and possibility of incorporating bike lanes.
- Develop bid alternatives to include decorative lighting along Bridge Avenue and other areas as determined by the project design committee. As fundraising efforts continue, this will provide flexibility in the budget and project scope to allow for possible expansion.

See **Figures 6.3, 6.4, 6.5 and 6.6** – Typical Sections and Renderings for Avenue E and Main Street.

7. Implementation

Implementation will be key to creating a sense of place that will align with the community’s unique culture and values. **Table 7.1** outlines the community’s goals/projects, action strategies and funding sources to bring Kuna’s vision to reality. This table may be used in conjunction with the Strategic Funding Plan in **Appendix C**, where details about various funding sources are provided.

Table 7.1 – Implementation Strategy

Goal/Project	Action Strategy/Notes	Grant/Funding Sources
<p>Revitalize Main Street</p>	<ul style="list-style-type: none"> • Engage the DRSC as phases are initiated and completed. • Involve specific property owners adjacent to project area in the design process. • Remain in contact with funding agencies. • Keep the public informed – continue to send out newsletters. • Discuss the Main Street Program with the Idaho Department of Commerce. It may be an option for ongoing and future revitalization efforts. 	<ul style="list-style-type: none"> • Idaho Department of Commerce CDBG • COMPASS Funding • ACHD Community Programs, Economic Development Funding, Maintenance Budget (Pavement, Striping, Etc.) • ITD Transportation Alternatives Program (TAP) • Foundation Grants • Local Funds • In-kind Labor • Idaho DEQ 319 Nonpoint Source Management 319 Grant (storm drainage) • Urban Renewal District funds (if established) • BID funds (if established, for maintenance of shared outdoor public spaces) <p>See Appendix A.5 – Agency Meeting notes for more details.</p>

Goal/Project	Action Strategy/Notes	Grant/Funding Sources
Business Façade Improvement Program	<ul style="list-style-type: none"> • Partner with business owners and brainstorm funding options. • Develop a Business Façade Improvement Program: establish parameters such as a well-defined target area; eligibility criteria; a list of eligible items and ineligible activities; emphasis on good design (to achieve the downtown vision); and guidance on incorporation of themes (i.e. Indian Creek, Kuna Caves, Birds of Prey, Kuna Water Tower, etc.). 	<ul style="list-style-type: none"> • Private Funds • Local Funds • Incentives • Foundation Grants • Urban Renewal District funds (if established)
Repurpose 4th Street gym and improve parking lot	<ul style="list-style-type: none"> • Partner with the Kuna School District to explore development/use options. • Consider the 4th Street Gym site for a new City Hall with a public gathering space incorporated. • If the property becomes privately-owned, work with the owner/developer on site design, use, and frontage/street improvements. • If the property remains publicly-owned, explore public/private partnership opportunities. • In either case, public input will be crucial regarding the future use, design, etc. • Frontage/street improvements should match the downtown theme including sidewalks, decorative street lights, hardscape/landscape areas, etc. 	<ul style="list-style-type: none"> • Local Funds • Private Funds • USDA-RD Rural Business Enterprise Grant • Foundation Grants • CDBG-job creation (if relevant/applicable) • CDBG-community center (if relevant/applicable) • Urban Renewal District Funds (if established)
Event area – city parking lot	<ul style="list-style-type: none"> • Coordinate with VRT and ACHD: revisit Park-n-Ride design plans that have already been completed. • Coordinate with the Farmers Market representatives, Chamber of Commerce, senior citizen representatives, and sports clubs regarding design, features, etc. • Project development: develop options/layouts, cost estimates, etc. 	<ul style="list-style-type: none"> • Local Funds • Private Funds • Foundation Grants • VRT/ACHD – Federal Transit Administration (FTA) Funds

Goal/Project	Action Strategy/Notes	Grant/Funding Sources
Revitalize 4th Street	<ul style="list-style-type: none"> • Engage the DRSC for planning/project development. • Project development: develop options/layouts, cost estimates, etc. • Involve specific property owners adjacent to project area in the design process. • Contact funding agencies. • Keep the public informed – continue to send out newsletters. 	<ul style="list-style-type: none"> • CDBG-downtown revitalization • COMPASS Funding • ACHD Community Programs, Economic Development Funding, Maintenance Budget (Pavement, Striping, Etc.) • ITD Transportation Alternatives Program (TAP) • Foundation Grants • Local Funds • In-kind Labor • Urban Renewal District funds (if established)
Greenbelt connections to/from downtown	<ul style="list-style-type: none"> • Potential locations: Avenue E, Avenue D, Avenue C • Connection from the Bernie Fisher Park: south of 2nd Street along the gravel/dirt area along the east side of the baseball fields to the existing greenbelt. 	<ul style="list-style-type: none"> • Idaho Department of Parks and Recreation Recreational Trails Program (RTP) Grant • COMPASS Funding • ACHD Community Programs • ITD Transportation Alternatives Program (TAP) • Foundation Grants • Local Funds • In-kind Labor
Splash pad downtown	<ul style="list-style-type: none"> • Identify potential locations for a splash pad: consider installations at existing city-owned parks, focus on the downtown core as a prime location. • Conduct a fundraiser to encourage private investment. 	<ul style="list-style-type: none"> • Foundation Grants • Local Funds • In-kind Labor • High-Five Grant
Remove chain link fence/unattractive barriers	<ul style="list-style-type: none"> • Work with local property owners on fencing alternatives. • Identify ways to clean up alleyways, explore alternative uses (Nampa “Wall St.” example) • Code enforcement where applicable – weeds, trash clean-up, etc. 	N/A

Goal/Project	Action Strategy/Notes	Grant/Funding Sources
<p>Sidewalks</p>	<p>Prioritize sidewalk improvement locations and apply for funding each year. Leveraging private funds through a Local Improvement District (LID) may increase chances of receiving grant funding. The cities of Nampa and Caldwell have developed similar programs where LID funds 50% of the cost for sidewalk projects.</p>	<ul style="list-style-type: none"> • COMPASS Funding • ACHD Community Programs, Economic Development Funding • ITD Transportation Alternatives Program (TAP) • Foundation Grants • Local Funds • In-kind Labor • Urban Renewal District funds (if established)
<p>Art exhibits/historic walking tour/path</p>	<ul style="list-style-type: none"> • Work with the Kuna Historical Society and consider establishment of an Art Committee that would be tasked with identifying how best to incorporate art and history into design in the downtown core and brainstorm funding options. In doing so, the City of Kuna would be better-positioned to receive art grant funds because funding agencies prefer heavy engagement of local artists in project development and implementation. 	<ul style="list-style-type: none"> • Foundation Grants (See Strategic Funding Plan in Appendix C for details.) • Local Funds • In-kind Labor • Volunteerism • Idaho State Historical Society (SHPO) Certified Local Government (CLG) Program • National Endowment for the Arts: Our Town Grant • Artplace America Grant • Idaho Commission on the Arts Grant • Idaho Department of Parks and Recreation Recreational Trails (RTP) Grant
<p>2nd Street improvements</p>	<ul style="list-style-type: none"> • Engage the DRSC in planning/project development. 	<ul style="list-style-type: none"> • CDBG-downtown revitalization

Goal/Project	Action Strategy/Notes	Grant/Funding Sources
<p>Downtown side streets: Avenue C</p>	<ul style="list-style-type: none"> • Project development: develop options/layouts, cost estimates, etc. • Involve specific property owners adjacent to project area in design process. • Contact funding agencies. • Keep the public informed – continue to send out newsletters. 	<ul style="list-style-type: none"> • COMPASS Funding • ACHD Community Programs, Economic Development Funding, Maintenance Budget (Pavement, Striping, Etc.) • ITD Transportation Alternatives Program (TAP) • Foundation Grants • Local Funds • In-kind Labor • Urban Renewal District funds (if established) • LID (if established)
<p>Downtown wayfinding signage</p>	<ul style="list-style-type: none"> • A first step that will save time and money is to conduct an inventory of existing signs and create a map file which indicates the location, type, etc. • Develop a Wayfinding System Plan for vehicular, bicycle and pedestrian traffic. Each type of sign, depending on facilities nearby and the area the sign is located in should be planned out in advance. Removal of existing signs should also be identified. • Identify themes for different areas of downtown: Main Street could have a historic/unique character theme, the Indian Creek Greenbelt could have a recreational theme, etc. • Work with ACHD and ITD on sign placement and warning/regulatory signage requirements • The Kuna Planning and Zoning Department could play a role in this planning effort. • Consultant assistance may be necessary depending on availability of staff. • Involve local businesses, the Kuna Planning and Zoning Commission, Design Review Committee, etc. 	<ul style="list-style-type: none"> • COMPASS Funding • ACHD Community Programs • Foundation Grants • Local Funds • In-kind Labor • Urban Renewal District funds (if established)

Goal/Project	Action Strategy/Notes	Grant/Funding Sources
Improved Welcome to Kuna sign	<ul style="list-style-type: none"> • Work with the Kuna Chamber of Commerce, Kuna Historical Society, Kuna School District, Kuna Youth Council (and Art Committee, if established) to identify sign content, location, features, etc. • Signage should be located at key entry points into the community, as well as downtown. • Develop a Welcome to Downtown Kuna sign that incorporates community themes identified (i.e. Water Tower, Indian Creek Greenbelt, Kuna Kavemen, Birds of Prey, etc.). 	<ul style="list-style-type: none"> • Foundation Grants • Local Funds • In-kind Labor
Community Center Improvements	<ul style="list-style-type: none"> • Work with the Kuna Lion’s Club, American Legion, and Chamber of Commerce (1/3-owners) to assess needed improvements. • Meet with the Idaho Department of Commerce about funding opportunities and scope of work (eligible costs, etc.). • Project development: develop scope of work, cost estimates, etc. 	<ul style="list-style-type: none"> • CDBG-community center Grant • Foundation Grants • Local Funds • In-kind Labor
Improve/add parking downtown	<ul style="list-style-type: none"> • As the community continues to grow and the need for additional parking arises, conduct a parking analysis that considers on-street parking, public parking, and private parking. • Work with local businesses on timing coordination. For example, if a business is open from 8am-5pm, coordinate shared parking agreements for off-hours (5pm through the evening). 	<ul style="list-style-type: none"> • Foundation Grants (Idaho Community Foundation) • Local Funds • Lease agreement between the City of Kuna and private property owner(s) – if relevant/applicable

Goal/Project	Action Strategy/Notes	Grant/Funding Sources
Downtown Design Standards	<ul style="list-style-type: none"> • Evaluate current standards and develop additional guidelines for streetscapes, facades, and other applicable standards to bring the desired character to downtown. Design Standards could be developed for each unique downtown district. • Design Standards could be developed for each unique downtown district. • The Kuna Planning and Zoning Department could play a role in this planning effort. • Consultant assistance may be necessary depending on availability of staff. • Involve local businesses, the Kuna Planning and Zoning Commission, Design Review Committee, etc. 	<ul style="list-style-type: none"> • Local Funds • USDA-RD Rural Business Enterprise Grant • Foundation Grants (Capital Matrix) • Urban Renewal District Funds (if established)
Business Retention and Attraction Plan	<p>Identify ways to retain existing businesses in Kuna; identify market conditions and strategies to attract those types of businesses to Kuna. Barriers, such as zoning requirements, for existing and future businesses should also be evaluated. The Kuna Economic Development Committee could lead this effort or serve in an advisory role.</p>	<ul style="list-style-type: none"> • Local Funds • USDA-RD Rural Business Enterprise Grant • Foundation Grants (Capital Matrix) • Urban Renewal District Funds (if established) • Volunteerism

Implementation Tools

The following items are recommended to encourage ongoing implementation of this Plan:

- **Maintain contact with the DRSC** – meet regularly and as needed to discuss updates, project status, and to collaborate on funding applications and fundraising efforts.
- **Involve local business owners** – as projects are designed, involve specific business owners adjacent to improvement areas to encourage private investment and to gain input.
- **Public outreach** – continue to send out Downtown Revitalization newsletters, updates in utility bills and on City website, etc.

- **Fundraising** – continue to offer fundraising opportunities and sponsorships/donations. The more private investment and local buy-in, the more likely funding agencies will contribute.
- **Planning/project development** – start with planning, then move on to project development for projects that require grants or funding requests. Demonstrating readiness, a clear scope of work, public support, etc. will show the project in a more positive light to funding agencies.
- **Plan updates** – update this Plan every five (5) years or as projects are completed.
- **Funding** – attend annual funding workshops to remain informed about funding opportunities. Keep in contact with ACHD, COMPASS, ITD, the Idaho Department of Commerce, foundations, etc. Plan out which funding applications to apply for each year, coordinate with project stakeholders and funding agencies well in advance, and plan for local matching funds during the annual budgeting process. Explore an Urban Renewal District, BID and/or LID financing as potential funding sources to leverage with grants and other local funds.

This Plan was created by the community. Recommendations in this Plan are a direct reflection of valuable input received from the DRSC, public, key stakeholders, agencies and businesses. Continued engagement will be key to ongoing implementation. Good things are to come.

3. Do it again! Go to the next project, repeat Steps #4 & #5.

2016-2017

1. TBD

The Time is Now.

Kuna's time is now. The economy has recovered, the housing market has stabilized, commercial activity is on the upswing and local infrastructure investment is under way.

Let's keep the momentum going. Downtown Kuna is home to several small businesses that support the heart and soul of the community. Even as Kuna

grows outward, the locals still value its core small-town charm and way of life.

Kuna's downtown is full of character and opportunity. It's time focus on its best asset. A downtown revitalization plan could be the kick-start the City needs to not only dream up a better Main Street, but to make those dreams a reality.

On October 23, 2014, the City took a big step forward by hosting a workshop to seek input from business owners, City Council members and the Mayor to identify goals and specific projects for downtown Kuna. A summary of common themes that came out of this workshop include:

- Flags/banners
- Decide what to do with the old school gym – maybe demo for parking
- More prominent crosswalks
- Engraved bricks (could use for fundraiser)

* See attached **Workshop Summary**

This valuable input will help guide the City with near-term investment decisions.

Common Goals

- Make Kuna a destination – keep Kuna residents in Kuna
- Community pride
- Create better connectivity/walkability
- Create a safer feel downtown
- More opportunities for events
- Improve parking and sidewalks
- Attract new business
- Incorporate art and history
- Improve/utilize underdeveloped areas
- Create better environment for biking
- Businesses willing to put skin in the game

How to Move Forward ... What Now?

A question was asked at the workshop about why everyone keeps talking about what they want to do (referring to the ACHD downtown corridor plan) but nothing is being done? This is a great question. Now that the City of Kuna is in a leading role in downtown revitalization (with support from ACHD), continued success is much more likely to occur.

Specific Projects

- Clean up storefronts/façade program
- Fix sidewalks
- New landscaping
- Better lighting
- Public art program (Birds of Prey theme?)
- Murals and other history elements
- More/better signage
- Event venues (music, recreation, children, etc.)
- Outdoor seating/café areas/benches

In order to make the community's vision come true, there's very distinct steps that should be taken to achieve success. In our experience, we have found that a good place to start is to secure funding for planning, form a ¹Downtown Revitalization Steering Committee and develop a Downtown Revitalization Plan.

Other specialty committees may need to be formed in the future to implement projects identified in the Downtown Revitalization Plan (i.e. arts, historic preservation, greenbelt, etc.). With a strong vision

¹ A Downtown Revitalization Steering Committee should be comprised of a project champion (as previously discussed with City staff), business owners, stakeholders, ACHD, decision makers, students (various ages), funding agencies, etc.

and consensus, success is much more likely to occur if people who specialize in these areas are involved early and often.

With some of the groundwork that has been laid with the Kuna Downtown Corridor Plan lead by ACHD, now Kuna is in a position to move forward with a comprehensive downtown revitalization plan with a focus on other facets of downtown revitalization including community branding, art, benches, façade improvement programs, decorative lighting, wayfinding signage, parking, an agreed-upon street section (if needed), and city-managed public infrastructure.

2014 – 2015 Action Plan

1. Apply for Planning Grants

Fortunately, there are grants out there that can help pay for some of the up-front planning and engineering costs associated with developing a downtown revitalization plan. The City would likely need to provide local matching dollars in order to be competitive. Kuna is currently eligible to apply for the following planning grants:

- ✓ **USDA Rural Business Enterprise Grant (RBEG)**
(up to \$15,000 per application)
- ✓ **Capital Matrix Foundation Grant**

The Jeff Tunison Community Fund – total fund has \$120,000 for FY15. It is recommended to call and find out how much the City should apply for.

Kuna may become eligible to apply for an Idaho Gem Grant in the future. According to staff at

Idaho Department of Commerce, the population threshold for eligibility may increase from 10,000 to 50,000 next year. It is recommended that Kuna staff stay in contact with Commerce to monitor the possibility of eligibility.

Additional details about these funding sources are included in a ***Draft Strategic Funding Plan*** attached to this document.

Need Help from a Consultant?

The City has two options for hiring a consultant to perform these services (grant writing, planning, and grant administration):

1. If the services are less than \$25,000 the City of Kuna may hire a consultant of their choice without advertising and/or soliciting proposals.
2. If services are expected to be between \$25,000 and \$100,000, the City of Kuna should follow the Idaho Department of Commerce procurement process by seeking proposals from three (3) certified grant administrators. This will put the City of Kuna in the best position to receive Idaho Community Development Block Grant dollars for a Downtown Revitalization project next year.

2. Develop a Downtown Revitalization Plan

Why does Kuna need a Downtown Revitalization Plan? Simply put, funding agencies such as the Idaho Department of Commerce expect to see that the City has developed a plan with prioritized improvements that are supported by business owners and the public. Funding agencies also want to see that the City is ready to make real changes that will support long term economic growth for existing and future businesses.

3. Develop a Strategic Funding Plan

Once a Downtown Revitalization Plan has been developed, a strategic funding plan should be developed and followed to implement the improvements identified in the plan. A **Draft Strategic Funding Plan** is attached to this document and may be used to implement projects identified during the workshop on October 23, 2014. This Draft Strategic Funding Plan may be updated once the Downtown Revitalization Plan is complete.

4. Project Concept Development

(details needed for grant applications and construction cost estimates)

Once funding sources have been identified for priority projects, official concepts and construction cost estimates should be developed. These items are needed to support grant applications and they can help the City with budgeting for matching dollars and determining what, if any, in-kind labor can be done to help reduce costs.

5. Apply for Constructions Grants

Once a concept plan and construction cost estimate has been prepared, the City of Kuna will be ready to apply for grants to fund construction improvements. The most obvious grant that the City of Kuna should apply for in 2015 is an Idaho Community Development Block Grant for downtown revitalization improvements. Grant applications are due the week before Thanksgiving of each year and the maximum grant amount is limited to \$500,000.

Additional grants are identified in the **Draft Strategic Funding Plan** attached to this document.

Communication is Key

Communication is very important when embarking on a downtown revitalization effort. Attendees at the workshop expressed an interest in being informed on a regular basis so they can be aware of ongoing accomplishments and upcoming projects. It is recommended that the City of Kuna send out (email and/or mail) a quarterly newsletter to the meeting attendees and other interested parties. Ideally, the greater public would also be informed so they know that action is underway to improve downtown. Sharing this information with the greater public could result in volunteers and stakeholders offering valuable input into this overall effort.

The content of the first newsletter could inform them of what was heard at the workshop and next steps (i.e. grant applications in the works, projects currently underway, planned projects, status of establishing a downtown revitalization committee, etc.).

There is a **contact list** attached to this document with names, phone numbers and email addresses of those who attended the workshop and those interested in serving on a future Downtown Revitalization Committee.

Kuna Downtown Revitalization Workshop

Kuna City Hall | October 23, 2014 | 11:30 a.m. – 1:00 p.m.

WORKSHOP SUMMARY

Introduction & Review of Agenda

Chris Engels welcomed the group and reviewed the agenda for the meeting.

ACHD Commissioner Presentation

Mitch Jaurena discussed the status and future of several transportation projects.

Downtown Revitalization

Lisa Bachman provided an overview of downtown revitalization, keys to success and examples of other Idaho towns that have completed a downtown revitalization process.

Workshop Logistics

Andrea Gumm from the Langdon Group, a subsidiary of JUB, reviewed the logistics for the workshop. Meeting attendees were instructed to join one of six tables for a facilitated discussion. The first part of the discussion covered visions and goals while the second portion allowed participants to generate specific ideas for revitalization. After the allotted time for discussions ended, a representative from each table reported out to the larger group.

Work Group Session

Workshop attendees had five minutes for introductions; ten minutes to discuss vision and goals; ten minutes to generate ideas for revitalization; and five minutes to summarize the table's findings for reporting out to the larger group. Group members showed great enthusiasm for a downtown revitalization and appreciated the opportunity to generate goals and ideas with fellow Kuna business owners. The transcribed notes from the work group session are provided at the end of this summary.

Report Out/Summary of Discussions

Each table had several minutes to report group findings to the rest of the workshop participants. Similar themes surfaced during each table's presentation including, aesthetic improvements, creating a common identity and leveraging multiple local businesses and grants for additional funding.

Common Goals

- Make Kuna a destination – keep Kuna residents in Kuna
- Community pride
- Create better connectivity/walkability
- Create a safer feel downtown
- More opportunities for events
- Improve parking and sidewalks
- Attract new business

- Incorporate art and history
- Improve/utilize underdeveloped areas
- Create better environment for biking
- Businesses willing to put skin in the game

Specific Ideas

- Clean up storefronts/façade program
- Fix sidewalks
- New landscaping
- Better lighting
- Public art program (Birds of Prey theme?)
- Murals and other history elements
- More/better signage
- Event venues (music, recreation, children, etc.)
- Outdoor seating/café areas/benches
- Flags/banners
- Decide what to do with the old school gym – maybe demo for parking
- More prominent crosswalks
- Engraved bricks (could use for fundraiser)

Next Steps

Lisa Bachman explained that the City will identify a project for High Five grants funds to go towards and will look for funding sources to implement other ideas from the workshop.

Closing

Mayor W. Greg Nelson closed the meeting and thanked everyone for his or her attendance. He is optimistic about moving ahead with a downtown revitalization.

Notes from Kuna Downtown Revitalization Workshop

Group 1

- Storefront
- Sidewalks/connection
- Lighting – lighting on Greenbelt
- Eye-catching signs
- Plants, statues and art
- Infrastructure – i.e. water improvements
- Safety
- Accessibility – straight roads

- Removal of trash
- Parking – a central location
- Signage directing motorists to parking
- Outdoor music venue
- Kids have opportunities to play
- Volleyball court at the park
- Bicycle friendly – i.e. racks
- Move “Welcome” sign closer to Meridian Road
- Events center
- Swimming pool
- Retail/shopping
- Movie theater
- Common identity
- How to make Kuna a destination?
- Redo painting on Post Office
- Bring in businesses that create walkability downtown
- Café or a bistro so people could sit outside
- Benches or seating area – spread out so there are pockets of seating
- Establish trucking route
- Similar aesthetic feel of building – look at changing code and zoning
- Improve areas outside senior center – cut trees
- More things for teenagers to do – bowling alley, fishing friendly

Initial Priorities

- Lighting/storefronts
- Pressure wash brick exterior
- Landscaping – hanging pots/trees, extended islands to all tree growth
- Decorate downtown during Christmas with nice decorations

Leverage

- Each business contribute funds – start the pot
- Identify different grant sources
- Coordination/clarification with grant writer

Final Thoughts

- How will roundabout impact business?
- Bridge needed over railroad tracks on Swan Falls Road
- Crosswalks, sidewalks and safety

Group 2

Goals

- Walkable and safe on both ends of town
- Needs cohesiveness
- Sidewalks
- Renewal
- Fresh
- Keep history, celebrate
- Inviting – flowers, lights, pots, benches
- Prob. not awnings
- Art/sculptures – B.O.P.
- Not transp. corridor
- No 4-lane highway
- Outdoor seating
- Revitalize sidewalks
- Trucks > bypass? More visible/truck lane/Swan Falls, help with congestion
- Renewed parks, more inviting for kids
- Fountain/splash pad
- One way, no on-street or angled parking, wider sidewalks
- Trees, greenery down middle
- “It’s a wonderful life” town
- Bring in businesses

20k grant

- Matching program: Façade
- Park – better grass, new fence (not chain link), doesn’t look inviting
- Hitting/batting
- Benches, lights, pavers in certain areas, durable
- Willing to put skin in the game (businesses)
- Light posts/old lamp, like new Bride Ave lights
- Crosswalks – different colors, safer for pedestrians
- Chamber office > put info about Kuna history, building
- Connectivity of sidewalks to Paul’s/downtown area
- Safe bike riding and bike parking
- Artist to finish mural on Community Hall

Don't want

- More bars
- Chain link
- old faded awnings

Resources

- BOP/art, creek, railroad > incorporate, sense of community
- BMX track

Group 3

- Life
- Beautify
- Walkability
- Lighting
- Safety
- Sidewalks
- Gathering
- Events
- More/different businesses in downtown
- Parking
- Attractive storefronts (flexibility)
- Nightlife
- Keep Kuna people in Kuna
- Landscaping
- Community pride
- Public art program
- Historic elements
- Façade program
- Community function
- Benches
- Flowers
- Sidewalks
- Lights
- Clean-up
- Flags/banners
- Gym property – demo? Pave? Parking?

Group 4

Goals and Vision

- Core plus incorporate connectivity to Meridian Road/School Street
- Improve corridor to downtown
- Kay/Avalon intersection
- Greenbelt extension
- Downtown events
- Incorporate plaza improvements into historic block
- Improve underdeveloped areas/utilize
- Design guidelines
- Awareness and communication with downtown businesses
- Showcase Kuna history/art

Ideas

- Façade improvements > incentivize
- Greenbelt -- public/private property buffer
- Landscaping, lighting, benches
- Wider sidewalks
- Landscape center island
- Replace trees near building with plants
- Additional parking
- Improve walkability
- Pave park parking lot on 2nd Street

Group 5

- Bar > brewery
- Outdoor areas
- Cleanup façade program
- Benches, lights
- Pot landscape, awnings
- Paint, windows
- Mini golf
- Bike friendly
- Atmosphere, charm
- Roadway median landscaping
- Walkability
- More attractions

- Diversity among businesses
- Daytime mom and pop shops
- Ice cream
- Inviting exteriors
- More events, cooperation among businesses
- Action! Commitment!
- Angled parking – maximize ROW
- Historical markers
- New sidewalks on both sides of Main
- Creative concrete finishes
- Art
- Aesthetic
- Brick
- Theme – birds of prey art throughout
- Old, not in a good way
- Match program?
- Self-assessment, storefront
- Doors, windows, paint, awnings, benches

Group 6

Vision and Goals

- More inviting
- Wider/better sidewalks
- Urban forestry/landscaping
- Outdoor cafes
- Walk from Greenbelt to downtown
- Angled parking?
- One-way streets?
- Family friendly
- Downtown park with corridor
- Somewhere to hang around
- Inviting, entrances/lights
- Water feature
- Beautification
- Fix hodge-podge
- Capitalize on historical/heritage
- Connectivity/walkability to and around downtown
- Get people out of their car to window shop

Specifics

- Improve lighting – Kuna signature
- More prominent crosswalks
- Driver education/enforcement
- Involve kids in solutions – sign design
- Map with points of interest
- Trees and benches
- Adding sidewalks/paths for connectivity
- Engraved bricks – fundraiser
- Engaging business to buy into vision
- Use grant money for matching improvements for businesses

Draft Strategic Funding Plan Kuna Downtown Revitalization

THE LANGDON GROUP

Idaho Gem Grant	Water and sewer infrastructure for new a business, remediation of slum and blight conditions blocking business development, and matching funds for the creation of assets with a high certainty of aiding future economic development efforts.	Rural communities with a population of 10,000 persons or less, city, county or tribal governments. Note that the Idaho Department of Commerce is considering increasing the population threshold to 50,000 in 2015.	Dec 2014 Mar 2015 June 2015 Sep 2015	Up to \$50,000	20%	Check in with Jerry Miller at the Idaho Department of Commerce about eligibility next year. Funds could go towards downtown improvements or job creation projects.	http://commerce.idaho.gov/communities/community-grants/idaho-gem-grant
CDBG: Economic Development Projects	Job Creation: Public facility construction and improvements that support companies who are expanding and creating new jobs or new companies that will be creating jobs. Downtown Revitalization: Elimination of Slum and Blight (sub-standard) conditions.	Incorporated cities with a population under 50,000, or counties; meet at least one National Objective; eligible activity	Job Creation: March 2015 June 2015 Sep 2015 Dec 2015 Downtown Revitalization: November 20, 2015	Infrastructure for jobs = \$30,000 per job, up to \$500,000; Downtown Revitalization: \$500,000	Encouraged	<ul style="list-style-type: none"> Once the City has planning funds, hire a consultant to assist with a Downtown Revitalization Plan Early 2015: Form a Downtown Revitalization Committee Should be complete by October 2015: Develop and adopt Downtown Revitalization Plan Should be complete by early November 2015: Develop project concepts and cost estimates Apply for Downtown Revitalization Grant 	http://commerce.idaho.gov/communities/community-grants/community-development-block-grant-cdbg

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
Idaho Transportation Department: Community Choices for Idaho	Advance ITD’s strategic goals of Mobility, Safety, and Economic Opportunity by eliminating gaps in a transportation network, removing barriers to active transportation mobility, or addressing an existing unsafe condition.	Local governments, Tribal governments, regional transportation authorities, transit agencies, natural resource, school districts, and any local or regional government entity with oversight of transportation.	Watch for FY 2018 announcement; it is expected to come out in December 2014 or January 2015	Maximum \$500,000	7.34%	<ul style="list-style-type: none"> This grant is a great fit for sidewalks, trails, ADA access, bicycle facilities, and alternative modes of transportation mobility improvements. 	http://itd.idaho.gov/transportation-performance/cci/
CDBG: Senior Citizen and Community Centers	Rehabilitation, expansion and construction.	Incorporated cities with a population under 50,000, or counties; meet at least one National Objective; eligible activity.	First Friday of March	\$500,000	Encouraged; At least 5% unrestricted cash reserves	<ul style="list-style-type: none"> This grant could potentially be used for interior and exterior upgrades. Improving the Community Center would enhance aesthetics downtown (parking area, sidewalks and ADA access out front, artwork on exterior, etc.). It is recommended to discuss this with members of the Community Center to identify needs and Commerce staff to confirm that improvements would qualify. 	http://commerce.idaho.gov/communities/community-grants/grant-resources

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
<p>National Endowment for the Arts: Our Town Grant</p>	<p>Art work to support creative, economically-competitive, healthy, resilient, and opportunity-rich communities.</p>	<p>Partnerships that involve two primary partners: a nonprofit organization and a local governmental entity (one of the two primary partners must be a arts or design organization)</p>	<p>December 15, 2014</p>	<p>Request a grant amount at one of the following levels: \$25,000, \$50,000, \$75,000, \$100,000, \$150,000, or \$200,000</p>	<p>1:1</p>	<ul style="list-style-type: none"> • Prior to applying for this grant, it is recommended to call the funding staff and follow their advice. • It may be necessary to develop an arts committee to help define projects that can be done to celebrate Kuna’s heritage within downtown. 	<p>http://arts.gov/grants-organizations/our-town/introduction</p>
<p>Artplace America</p>	<p>Creative place-making: strengthening the social, physical, and economic fabric of a community through arts and culture. It is best to integrate with a community’s economic development and revitalization strategies.</p>	<p>Non-profit organizations, local governing bodies, individual artists/designers, and for-profit organizations within the U.S. and all U.S. Territories.</p>	<p>October webinars November 3, 2014 Letter of Inquiry Deadline. January 2015 – applicants notified, requesting full proposal. March 2015 – deadline for submitting full proposal.</p>	<p>\$50,000- \$500,000 \$10 million total in FY2015</p>	<p>Not required but encouraged.</p>	<ul style="list-style-type: none"> • Prior to applying for this grant, it is recommended to call the funding staff and follow their advice. • It may be necessary to develop an arts committee to get organized and to help define projects that can be done to celebrate Kuna’s heritage within downtown. 	<p>http://www.artplaceamerica.org/loi/national-grants-summary/</p>

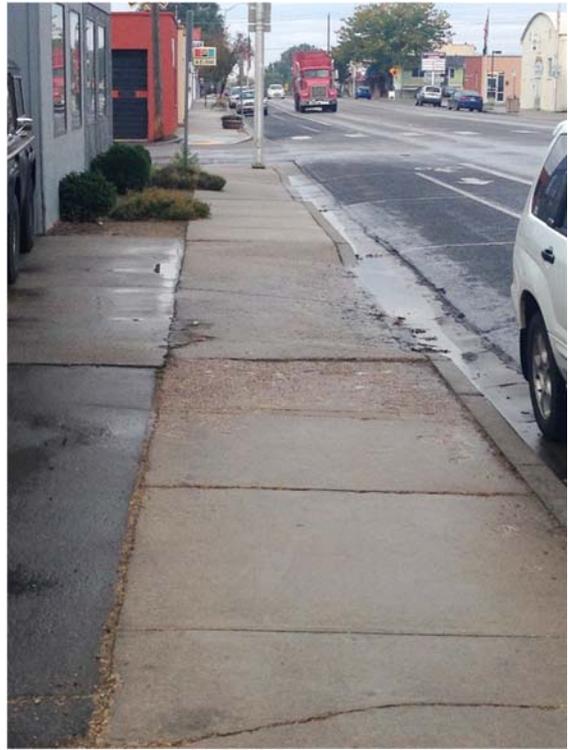

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
Idaho State Parks & Recreation: RV Fund	Acquisition, lease, development, improvement, operations and maintenance of facilities and services designed to promote the health, safety and enjoyment of recreational vehicle users.	Incorporated cities, counties, recreation districts, stage agencies, and school districts	January 30, 2015 Funding available July 15, 2015	FY 15 total \$2 million	Not required but encouraged. Motorized equipment requires 50% match on items valued at \$1,000 - \$5,000	<ul style="list-style-type: none"> • The RV dump area, fencing, and resurfacing and roadway improvements in the area could potentially be funded with this grant. • Contact staff at Idaho Parks and Rec with ideas for specific improvements. 	http://parksandrecreation.idaho.gov/about-parks-recreation
Idaho State Parks & Recreation: Recreational Trails Program (RTP)	Maintenance and restoration of existing recreational trails; development and rehabilitation of trailside and trailhead facilities and trail linkages for recreational trails; purchase and lease of recreational trail construction and maintenance equipment; and construction of new recreational trails.	Incorporated cities, counties, recreation districts, stage agencies, and school districts.	January 30, 2015 Funding available July 15, 2015	FY 15 total \$1.5 million	20% At least 5% of overall project costs must be non-federal	<ul style="list-style-type: none"> • Grant funds can be used for greenbelt extensions, improvements and trailside improvements. An idea would be to look at areas where greenbelt connections could be made that would link the existing greenbelt to downtown. • Contact staff at Idaho Parks and Rec with ideas for specific improvements. 	http://parksandrecreation.idaho.gov/about-parks-recreation

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
Idaho Community Foundation Grant: ICF Regional Competitive Grant Cycle	To enrich the quality of life throughout Idaho; grants include arts and culture, conservation/ environment, education, emergency services, libraries, public projects, recreation, and social services.	Government entities (including subsidiaries and public educational institutions), and entities with current 501(c)3 status.	Opens May 1, closes July 1	Up to \$5,000	Not required	<ul style="list-style-type: none"> This grant could fund a variety of projects. Ideas include: parking lot upgrades, ADA access to public and cultural facilities, improved access to the library, etc. 	http://idcomfdn.org/Regional_Cycle
Local Highway Assistance Council (LHTAC): Federal Lands Access Program	Roads, rail, facilities that access federal lands, transportation planning, vehicular parking areas, pedestrian and bicycle facilities, transit maintenance and operations.	Local governments having jurisdictions over roadways, tribal governments, transit agencies, natural resource or public land agencies, school districts, schools, local education agencies eligible.	Watch for announcement - February (have to program four years of projects, cycles of RFP's are to be determined)	No amount (approx. \$17 million annually state-wide)	7.34%	<ul style="list-style-type: none"> Improved bike/ped and roadway access to federal lands – Swan Falls Road, Kuna Butte, etc. It is recommended to discuss this opportunity with ACHD and a public lands representative because a partnership with a public lands agency is required. 	www.wfl.fhwa.dot.gov/programs/flap/id/

Kuna Downtown Revitalization Stakeholder Assessment

September 2015

Executive Summary

The City of Kuna is developing a Downtown Revitalization Plan to identify strategies and projects that will help implement the community's vision for downtown. As a part of this plan, the city would also like to quickly identify a project that will qualify for a Community Development Block Grant (CDBG). In order to determine a broad sense of what the community's "vision" for downtown is, the city first held a visioning workshop in October 2014 to gain a sense of the types of high-level features and improvements community members would like to see.

To build off the efforts of this workshop and develop a more detailed understanding of what the community's specific goals, priorities and concerns are, The Langdon Group and J-U-B Engineers conducted a stakeholder assessment in September 2015. Fourteen (14) community members representing a diverse set of interests and organizations were interviewed. During these interviews, stakeholders were asked to share their ideas on what projects they would like to see included in the plan, what projects they think would be appropriate for the CDBG, and what concerns or questions they had about the revitalization plan in general. The majority of these interviews lasted approximately 30 minutes to one hour.

There was a significant number of overlapping or similar ideas and suggestions shared throughout the interviews. While most of the interviewees were not able to provide overly-detailed suggestions, many expressed a *strong desire for an improved, cohesive image for the downtown*. Most stated that the *façade of the buildings needed to be cleaned up* while still *preserving the historic character* of the downtown. Others suggested *art* be incorporated into the downtown to enhance this cohesive image, such as *murals or even a clock tower*.

The need for *improved parking* was a continuous concern heard throughout the interviews. Slower foot traffic downtown and a difficulty in attracting new

business were both attributed to the lack of parking near store fronts. Another primary concern voiced by almost every stakeholder was the inconsistent, *narrow sidewalks*. Stakeholders expressed frustration with the gaps in the sidewalk in that they prohibit pedestrians from being able to access certain parts of downtown without walking on the roads. Connected, wider sidewalks are necessary for pedestrian and bicyclist access and safety. Improved lighting, benches and trash cans were also all very common suggestions.

Many stakeholders were concerned about the ability to *attract new and diverse businesses to the downtown*, and questioned what it would take to convince current property owners to invest in renovations and beautification efforts. Enrique's restaurant was unanimously considered the one major draw to downtown, often called the "anchor", and was used as an example of one of the few local business owners who were investing in improvements.

In sum, community members see a very real need for a downtown revitalization plan and are excited to hear that the city is taking steps toward creating and implementing tangible projects. Both small and large opportunities for improving the look and feel of the downtown were identified, with the goal that these efforts will attract both new businesses as well as increased visitation.

Stakeholders Interviewed

1. Richard Cardoza, Kuna City Council
2. Pat Jones, Kuna City Council
3. Sheri Russell, Kuna Business Owner / Downtown Property Owner
4. Sharon Fisher, Gem Community Development
5. Anne Hankins, Kuna Library
6. Ryan Head, Ada County Highway District (ACHD)
7. Wendy Howell, Kuna Planning and Zoning
8. Charlie Long, Paul's Market
9. Ron Morgan, True Value Hardware
10. Sue Oswald, US Bank
11. Ana and Enrique Paz, Enrique's Restaurant
12. Mike Smith, SPI Transportation
13. Tam Svedin, Kuna Library
14. Patrons of the Red Eye Bar

Question No. 1

Stakeholders were asked *what types of projects* they would like to see the city support, as well as where they thought the city should focus its initial efforts for the *CDBG grant* in November. Responses varied between identification of high-level needs and specific project-level ideas.

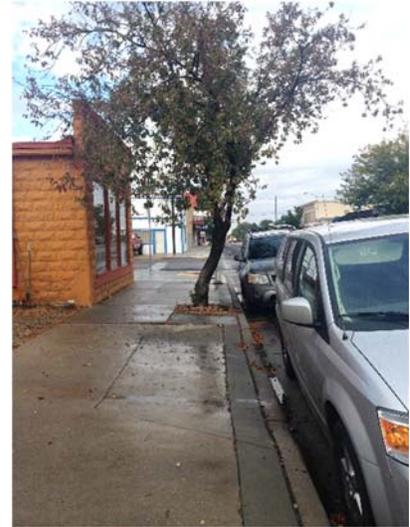

High-Level Needs and Ideas

- Improved safety for pedestrians and bicyclists
- A cohesive theme throughout downtown
- A diversity of shops and attractions to draw foot traffic to the downtown
- Preserve the historic look and feel of the buildings
- Options for youth recreation, such as an arcade or ice cream shop
- Desire to attract a coffee shop in the downtown core
- Desire to attract professional offices
- Desire to attract quaint shops and maybe an art studio
- Do something with the old 4th Street Gym property – find ways for better maintenance and accommodating daytime and nighttime activities. It is a good space for parking.
- A more centrally located City Hall
- Tear down chain link fences and clean-up/utilize the empty lots
- Greenery should be added to make the downtown feel more appealing
- Need to prohibit trucks from driving downtown – create a truck route
- Beautification efforts all around
- Plan's boundary line needs to be expanded to Kay Street, which will add numerous additional businesses
- Create a new and snazzy "theme" rather than continuing the "Birds of Prey" theme; but please no sagebrush
- Start at Main Street from Avenue D to Avenue C (most elaborate improvements) and work to the east along Main (ease into less-elaborate improvements) as funds are available. With the investments happening around the Sandstone Plaza, the initial project could continue from west to east
- Ambiance atmosphere
- Do one block at a time – get it the way we want it from the beginning versus a longer project that doesn't reflect what the community wants
- Carry new Main Street theme throughout town – design standards for Avalon, side streets and Linder as projects are completed and development comes in
- Sign standards should be looked at – don't want tacky signs/billboard-type signs in the downtown core
- There's some private parking areas along Main and 2nd (between Ave D and Ave C) that the city could lease for public parking
- Keep parking areas spread throughout downtown to keep walking distances shorter
- With improvements surrounding the Senior Center, there could be more use of the facility
- Need to understand the problem we are trying to solve
- Want to spend grant money wisely, as well as local city funds
- Evaluate an incentive program to get businesses to improve their store frontages and recruit more businesses
- City code barriers – might be an issue as businesses are recruited to downtown buildings

- Wants to make sure decisions are collaborative about (i.e. recommendations from the committee w/city council approval) how grant money is used on this project and moving forward as future phases of downtown improvements are implemented. The reason is the more input, the better the results.
- Money budgeted for the greenbelt this year – possible to wait and put it towards the DT project first?

Project Ideas

- Main Street – 1st priority
- 2nd Street should also be a priority
- Improved, connected sidewalks
- Bike lanes
- Bike racks
- Improved parking/parking lots
- Create diagonal parking?
- Extend the greenbelt
- Improve lighting by adding lampposts
- Large flower pots along Main Street
- Decorative lamp posts with hanging flower pots
- Plant trees
- Get rid of old trees blocking buildings
- Traffic signal to protect pedestrian crossings and alleviate backed-up traffic
- Way-finding system that highlights the different local attractions and activities to do around Kuna
- Downtown information center
- Metal trash cans
- A pavilion or gazebo in the park for concerts
- Sidewalk seating
- Rooftop seating
- Improve intersection at Linder and Main
- An overpass over the railroad tracks
- A community center for kids to spend time at after school
- Utilize a revolving loan program for façade improvements, similar to Nampa's
- A movie theater
- Increased handicap-accessible parking
- Put parking lot in by old 4th Street Gym
- Turn 4th Street and Main Street into one-way streets
- Create a "boulevard look" with trees and wider sidewalks
- Put artwork, such as a clock, in the middle of the roundabouts
- Partner with the boy scouts or the FFA welding class to install art
- Create a walking trail similar to the one in Meridian
- Hang a "Welcome to Kuna" sign

- Raise up the rock “Welcome to Kuna” sign along Avalon (south side of the tracks). It is too low to see/doesn’t stand out
- Summer pool
- “Park and Ride” lots
- Benches
- Murals
- Keep on-street parking wherever possible, particularly along Main Street from Ave C to Avenue B
- Some on-street parking could be reduced along Main Street from Ave C to Ave D to accommodate bulb-outs and maybe a center island w/low-growing flowers, plants, and lighting
- Sandstone-colored stamped concrete/pavers instead of red
- Sidewalk along Avenue C from greenbelt to 2nd Street to Main – connect recreation to downtown
- Is it possible for the downtown lighting and landscaping theme to be incorporated into the Main St / Linder roundabout project?
- Pave city-owned parking lot next to the Senior Center and parks
- Improve old BMX track area (priority no. 2 – Main St first)
- 4th street – one way in the future? Find ways to help the area transition to commercial.
- Improve the area behind Pizza Hut – there’s piles of dirt
- Community Hall improvements needed – need to get more use. Air conditioning and other improvements might help w/underutilization of the facility. It is owned by the Lyon’s club, American Legion, and Chamber of Commerce (third-owners).

Question No. 2

Stakeholders were asked if there were any *other cities with downtowns* they thought were *done particularly well* that Kuna could look to as an example. The following cities were identified:

- Jackson, Wyoming
- Sisters, Oregon
- Baker City, Oregon
- Nampa, Idaho (older part)
- Boise, Idaho
- Bend, Oregon
- Ashland, Oregon
- Caldwell, Idaho
- Eagle, Idaho
- McCall, Idaho
- Bozeman, Montana
- Weiser, Idaho (has not seen it, just heard they have revitalized downtown)

Jackson, Wyoming

Sisters, Oregon

Baker City, Oregon

Nampa, Idaho

Boise, Idaho

Bend, Oregon

Ashland, Oregon

Caldwell, Idaho

Eagle, Idaho

McCall, Idaho

Bozeman, Montana

Weiser, Idaho

Question No. 3

Stakeholders were next asked if they had any *concerns about the Downtown Revitalization Plan*. No true concerns with the plan itself were voiced, but there were several concerns provided regarding the implementation of the plan and development within Kuna generally. These concerns included:

- That a project will not happen – wants to see action, this has been 20 years in the making
- Increased taxes to pay for improvements – this would hit the senior population very hard
- Wants to make sure long-standing businesses like True Value are involved in the decision-making for the Main Street improvements – do not want to jeopardize their business
- It will be hard to get some of the property owners to invest in improving the exterior of their buildings
- Currently the downtown is not very family friendly. There are quite a few bars.
- Current lack of parking negatively impacts the retail stores
- With rapid growth occurring outside of the downtown area, attracting and keeping businesses downtown becomes even harder
- How do we foster a sense of pride in the downtown from all of the businesses?
- If we don't do something to revitalize the downtown soon, all the new businesses coming to town will decide to build out near the freeway
- Current residents have gotten into the habit of going to Meridian or Boise for their shopping needs. It will hard to attract them back to Kuna.
- It would be a shame for Enrique and Ana to invest their money into making improvements and have none of the other business owners follow suit
- Rent in the downtown lots is too high, which contributes to the high number of vacancies
- Don't want to see downtown turn into a bunch of chains; would like to keep it local
- Kuna is not sufficiently capitalizing on the outdoor recreation and winery tourism industries. We need to reach out to these communities and ask them what they would like to see, or what they would be willing to stop in Kuna for.
- Kuna is in need of far more than just a revitalized downtown. We also need attractions, such as a fair or rodeo grounds. How do other small communities use their limited resources to provide such amenities to their residents?
- We need to make sure we don't focus all of our efforts on just one particular landowner. Efforts and support to be spread throughout.
- There may be some potential impediments to receiving the Community Development Block Grant if ACHD is involved in the project.
- ACHD likes to partner on projects, but there are limits to this when HUD is involved
- ACHD has had some challenges working with community members in Kuna. Support for improvements seems to vacillate.
- An implementation strategy will be a critical piece to this plan.

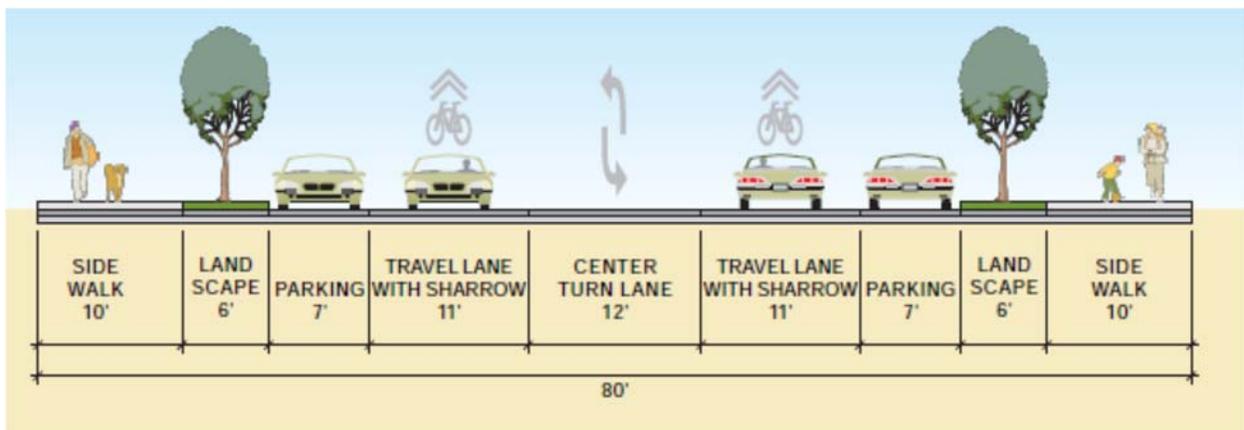

- Some people would like to avoid having city hall moved to the old 4th Street Gym. City Hall needs a newer, better building.
- When considering a “theme”, make sure it is also incorporated into the park.
- Need ACHD at the table to make this work. Need to coordinate closely.
- Concerned about building vacancies

Question No. 4

Stakeholders were presented with the *corridor plan recently created by ACHD*. Within this plan is a streetscape that proposes improvements to the sidewalks and street. Stakeholders were asked if they agreed this was the *appropriate direction to move, or if they would prefer a different layout*. Just about every stakeholder agreed that the proposed streetscape was a good goal to aim for, though some wondered if it was realistic.

Additional comments

- Need to add decorative street lights w/hanging flower pots to the design
- Also need to incorporate benches, bike racks, bulb-outs, maybe mid-block bump outs wherever possible
- Stagger light poles
- Make sure trees do not block the flag or business signage. Low-growing vegetation is preferred, with trees strategically placed between businesses.
- Would it be possible to add lights in the center of the road in an island along Main Street from Avenue D to Avenue C?
- Make sure landscaping is low-maintenance
- Concerned about maintenance w/trees – leaves, mess, etc.
- Center island concept – could it be incorporated?

Concept Presented to Stakeholders (preferred option from the 2012 Kuna Downtown Corridor Plan)

Question No. 5

Stakeholders were asked if they would be *interested in partnering* with the city on future projects, or becoming further engaged in the planning process. Few voiced a specific interest in getting involved beyond their current roles and activities, but most would like to remain informed about the progress of the plan and any projects that are likely to be implemented. The library is interested in supporting the planning process by sharing updates and information about the plan with its visitors. They also offered its large meeting room for use.

Additional ways partnering could occur

- Sheri Russell offered an opportunity to partner with the city on parking needs. She has two parking areas – one along Main Street and another along 2nd Street. Depending on what type of business rents the 3,000 sq. ft. building on Main Street, the parking area could be shared. For example, if a daytime business comes in, the parking could potentially be available in the evenings for restaurants, etc.
- Maybe reach out to the FAA at the High School – they do community projects and could help with the flowers and plantings for planning, planting, and maintenance.
- Business owners might be willing to pitch in on decorative street lights as part of the overall project
- Maybe reach out to the High School “Cast” group to get their input and involvement in the downtown plan and ongoing efforts
- Maybe see if business owners would want to sponsor bricks or pavers, flower pots, or keep some kind of ongoing beautification program going where business owners can participate
- Maybe see if any specialty trades would be willing to pitch in – electricians, etc.
- Newsletters should continue to reach out to a broader group of people (beyond the committee)
- Look into utilizing city website more to share info and gain input

Question No. 6

Last, stakeholders were asked *who they thought the city needed to reach out to* as the plan develops. The following individuals and organizations were identified:

- Bob Salesky, property owner
- Sheri Russell, business owner (completed)
- Dan Everhart, Preservation Idaho
- Doug Gruten, prior superintendent
- Dave Szplett, community member
- City Council and Mayor candidates
- Include the bars in the process - 4E’s owner (might be selling property?), Longhorn etc.

- Need to be in front of the ACHD Commission and staff – make sure we are on the same page and have the support needed
- Ada County Commissioners?

Other comments

- Open house
 - Hold at the 4th Street Gym?
 - Split concepts out by block, take comments at the block level
 - Share timelines and possible phases with the public
 - Include pictures if possible

Kuna Downtown Revitalization Plan

Steering Committee Meeting No. 1

City of Kuna | September 17, 2015 | 5:30 – 6:30 p.m.

Meeting Notes

- Introductions
- Role of the Kuna Downtown Revitalization Steering Committee
- Schedule, milestones, goals
- What we've done so far:
 - Visioning – Oct 2014
 - Fundraising – benches, bike racks, etc.
 - Kick-off meeting
 - Set planning focus area boundary
 - Existing Conditions Assessment of "Redevelopment Area" – where are we now?
 - Stakeholder interviews
- High-level themes, more visioning, where do we want to go (longer-term)?
 - Ave. E to Ave. D continuity
 - Small Town America, nostalgia, preserve/enhance character
- Specific themes, how are we going to get there (short and long-term)?
 - Main St. needs a facelift.
 - Something needs to happen at the 4th Street Gym property.
 - Stop sign @ Ave. D.
 - Blinking Light? ACHD (Rodney) to look into sight distance.
 - Greenbelt area, Pizza Hut and U.S. Bank
 - Multi-purpose event area (2nd St. between Ave. B and Ave. A)
 - Paving a parking lot to provide additional spaces downtown

- Islands, electrical and bollards for Farmer's Market use.
- 4th Street Gym: Potential future City Hall Bldg.
 - Events could be held out front/Farmer's Market
- Updated Signage
- Building Owners: Spruce up buildings
 - National Register – Tax breaks/renovations
- Senior Center: Pine trees are a maintenance issue
- Long-term maintenance cost:
 - Bid – share cost
 - Annual basis, board etc.
 - LID: Establish Local Improvement District
 - URD: Urban Renewal District
- Sidewalks:
 - No sidewalks from Orchard Ave. to Linder Rd. and to Greebelt
 - Need sidewalks around LDS Church property
 - Main St. sidewalks, bulbouts and incorporate trees.
- Hawk Signals should be incorporated
 - 2nd St. at Grange is planned
- Provide bike route along 2nd St.
- Splash Pad downtown to draw families with children
- Park improvements
 - Inclusive design, equipment for all abilities. Seek funding for this.
- Sandstone Plaza:
 - Grassy area for Art in the Park/Events
 - Historical inspired art

- IDPR grant in Nov.: Rehab S.F. road/old BMX Track – trailhead with improved parking
- Business Attraction Downtown:
 - Incentivize businesses to come downtown
- Project concept – review downtown corridor concept, discuss potential changes
 - Overall downtown corridor concept was favored.
 - Incorporate a mix of hard and green scapes, flower pots, benches
 - No mid-block bumpouts
 - Dedicate bike lane if parking is taken out
 - More off-street parking (long-term consideration)
- Public Involvement – next steps, future steps
 - Agency meetings w/funders
 - Possible youth/student visioning
 - Possible additional fundraising
 - Open house – when, where, getting the word out
 - Optional – community survey
- Resources
- Next Steps

Kuna Downtown Revitalization Plan

Steering Committee Meeting No. 2

City of Kuna | October 8, 2015 | 5:30 – 7:00 p.m.

Meeting Notes

~ *Interactive Charette* ~

Project concept discussion – review downtown corridor concept, discuss changes, achieve consensus

Lisa's Table: Avenue E/Main Street Frontage

- Incorporate section of Indian Creek through concrete (Driggs city hall)
- Road themes
 - Indian Cree, Kuna Caves, Silver Trail
- Color Tiles? Example: New Century Link Building
- Okay with lights (LED)
- Want power outlets, dual, water into lighs
- Current watering schedule runs approximately 4hrs/day now for flowers
- More benches, garbage/recycling receptacles
- Mini park/pocket park
- Huge Focal Point Area
- Accommodate Bicyclists
- Hawk Signal/Water Feature on corner?
- Art, interpretive panels
- Gym Property:
 - Make a gathering area
 - City Buy, use as market/pavilion, craft fairs, farmer's market
- Trees, places to sit and relax
- Work to incorporate Sinclair (egress: open backside?)
- Decorative drinking water fountain
- Bike stations/air pump stations (free)
 - Artistic bike racks: Wag on Wheels, Birds of Prey
- Bird art on top of some lampposts, plaque identifying type etc.
- Yogurt shop coming soon! Make so that people can use this area of town.
- Landscape on Main St. portion as well.
- Start at Main St. but can consider money parameters coming off roundabout
- Building Façade issues need to be addressed (50/50 match program, incentives similar to Nampa's program.)

- Some business owner's are waiting until work is completed to invest in their business façade. Hesitant to invest away from Main St. as it won't incentivize them to make changes.
- Make more inviting for current and future business owners.
- Make this area safer and more inviting for families with young children at night.
- Start from roundabout project? Note: the topic of where to begin the project (east or west end) if phased was not resolved at this meeting.
- Incorporate wrought iron fencing around City Park and make that consistent throughout town.
- Add outdoor dining spots/opportunities
- 50/50 ACHD program
- Caldwell saves \$150k/year as match budget for lights, sidewalks, paving roads, work in the right-of-way.

Jon's Table: Main Street – Three Blocks

- Medians would enhance the look and feel
- Corners look sharp
- Need well marked crosswalks
- Incorporate design/décor at corners
- Wrought iron fencing and materials
- Trees/grass
- Large planters vs. medians
- Block by block themes
- Emphasize bike lanes on greenbelt roadway
- Allow for bikes in shared travel lane
- Natural seat areas
- Water feature
- Water tower custom lighting
- Minimal use of center turn lane
- Parkletts
- Mixed use
- A number of business owners lease property which creates an issue within improving facades.
- City needs to work closer with business owners
- Keep the City youthful and young feeling
- Show the "before" and "after" of Main St.

Travis' Table: Overall Downtown Kuna Projects

Groups reviewed an existing list of priority projects for downtown Kuna and rated their top 3.

- No. 1: Landscaping/hardcaping and lighting are top priorities
 - Main Street remains the top priority area of improvement needs downtown.
 - Connect Main Street to Greenbelt pathway (Avenue C was considered a good option because of its direct connection to the Greenbelt path system).
- No. 2: Business façade improvement program, a big concern/need and priority in the downtown core.
- No 3: Included a combination of improvements throughout the study area.
 - Wayfinding signage
 - Art exhibits/theme
 - Sidewalks connecting Avalon and Orchard to downtown
 - Improve/add parking
 - Remove chainlink fencing
- Other notable recommendations that were important project focus areas:
 - 4th Street Gym repurpose and parking lot improvements (Most felt this would make a significant impact downtown).
 - Centrally located Splash pad to attract families. Location suggestions included the City Park near the Water Tower, 4th Street Gym, or the improved Sandstone Plaza outside area.)
 - Infrastructure (sidewalks, roadway) improvement on 4th Street

Kuna Downtown Revitalization Plan

Steering Committee Meeting No. 3

City of Kuna | November 5, 2015 | 5:30 – 7:00 p.m.

Meeting Notes

Discussed recommendations & gathered input (see attached meeting packet)

- **Overall Downtown Plan (themes, ideas, projects, etc.)**
 - For the proposed Business Façade Improvement Program, reach out to Randy Shroll with the Idaho Department of Commerce about funding opportunities
 - For 4th Street Revitalization, add New Markets Tax Credits as a potential funding opportunity
 - For overall projects, add Idaho DEQ 319 funds, Business Improvement District (BID)
 - Regarding removing chain link fence/unattractive barriers, add alleyway clean-up, potential alternative uses, code enforcement, “Wall Street” Nampa example
 - Art exhibits project – add SHPO CLG funding, Endowments of the Arts, and Idaho Commission of Arts funding opportunities
 - Downtown Design Standards – add streetscape standards and façade standards

- **Main Street (phasing, funding, scope of work, etc.)**
 - Phasing includes two (2) phases due to project costs – will start at the west end for Phase I, and to the east for Phase II. It makes more sense to start at the west primarily due to needed drainage improvements.
 - Coordinate with the Kuna School District on design and compatibility with potential future use
 - Trash, flower pots should look distinctly different to avoid trash being thrown away in flower pots
 - Careful tree placement to avoid blocking business signage
 - Consider alternative to stamped concrete to avoid durability, maintenance, and ADA access issues
 - Evaluate ways to accommodate bicyclists in project design (work with ACHD and review lane widths to determine if bike lanes can be incorporated)
 - Need to make sure storefronts and pedestrian realm is interesting and contains visual appeal
 - In the CDBG application, clearly articulate phasing plan and reasoning

- **Next Steps**
 - Need to provide a copy of Steering Committee No. 3 meeting packet to City Council in advance to bring them up to speed ahead of time.
 - Present Downtown Plan and CDBG application to City Council 11/17
 - Jennifer Yost & Fabiola Giddings volunteered to assist with the presentation to City Council. Ana Paz will also be present.

- **Attachment**
 - Downtown Revitalization Steering Committee Meeting No. 3 Packet

Kuna Downtown Revitalization Plan

Steering Committee Meeting No. 3

City of Kuna | November 5, 2015 | 5:30 – 7:00 p.m.

Agenda

1. Introductions
2. Schedule, milestones, goals
3. What we've done so far
 - Visioning – Oct 2014
 - Fundraising – benches, bike racks, etc.
 - Kick-off meeting
 - Set planning focus area boundary
 - Existing Conditions Assessment of “Redevelopment Area”
 - Stakeholder interviews
 - Steering Committee Meeting No. 1 (Sept 17, 2015)
 - Developed Concept Plan for Main Street, Avenue E
 - Steering Committee Meeting No. 2 (October 8, 2015)
 - **Summary: Agency Meeting (October 27, 2015)**
 - **Summary: Open House (October 29, 2015)**
4. Discuss recommendations & gather input
 - Overall Downtown Plan (themes, ideas, projects, etc.)
 - Main Street (phasing, funding, scope of work, etc.)
5. Other concerns, additional input
6. Next steps
 - Draft Plan Review
 - November 17, 2015 - Plan Adoption (any volunteers on assisting with the City Council presentation?)

**Kuna Downtown Revitalization Plan
Project Schedule (As of 11/05/15)**

TASK		Timeline 2015			
		AUG	SEPT	OCT	NOV
Community and Stakeholder Collaboration					
	DT Revit Kick-off Meeting	13th			
	DT Revit Committee Meeting No. 1		17th		
	DT Revit Committee Meeting No. 2			8th	
	DT Revit Committee Meeting No. 3				5th
	Stakeholder Interviews (up to 16)		15th

Kuna Downtown Revitalization Plan

Agency Meeting

City of Kuna | October 27, 2015 | 4:00-5:00 p.m.

Meeting Notes

Attendees:

- City of Kuna: Mayor Greg Nelson; Councilmember Joe Stear; Chris Engels, City Clerk/Grant Administrator; Bob Bachman, Building/Facilities Manager
- Consultants, J-U-B Engineers, Inc.: Lisa Bachman, AICP, Project Manager/Planner; Brian Smith, PE, Senior Engineer
- Agencies: Rodney Ashby, Ada County Highway District (ACHD); Margaret Havey, Valley Regional Transit (VRT); Toni Tisdale and Don Matson, Community Planning Association of Southwest Idaho (COMPASS); Mark Wasdahl, Idaho Transportation Department (ITD);

Scope of work, schedule, milestones, project goals:

- Lisa Bachman explained the scope of work, schedule, milestones, and project goals for the Downtown Revitalization Plan and Main Street Streetscape Concept. The concept generally follows the recommendations from the ACHD-sponsored Downtown Corridor Plan that was completed October 2013.
- The potential park-n-ride east of the Senior Center/at the City Park was discussed – it is designed but Kuna City Council previously chose not to move forward over concerns about the location. The concern was that the park-n-ride should be located north of town. The possibility of revisiting the park-n-ride design was discussed. Maureen Gresham with ACHD Commuteride might be able to provide economic benefit data for the Downtown Revitalization Plan.

Funding options:

Potential funding options were discussed among the group. A Community Development Block Grant (CDBG) application for \$500,000 will be submitted to the Idaho Department of Commerce on or before November 20, 2015. The final application will be presented at a City Council public hearing on November 17, 2015. Due to the need for additional

funding and commitment to implement the full project, it would potentially be split into two phases, to include two (2) blocks for each phase. Funding options may include:

Agency	Source	Possible Amount	Due Date/notes
Idaho Department of Commerce	Community Development Block Grant (CDBG)	\$500,000	11/20/15
Ada County Highway District	Community Programs	~\$100,000-\$250,000	04/01/16
	Pavement Rehabilitation	~\$100,000-\$250,000	Programmed Maintenance 2017/2018?
	Economic Development Request	~\$500,000-700,000	2018?
COMPASS	Funding Request (no specific name)	\$200,000-\$500,000	11/13/15. Show larger/phased project and possible ways for more/less federal funding
Idaho Transportation Department	Transportation Alternatives Program (TAP)	\$500,000	December 2015. Waiting for ITD Board approval of TAP funds
Valley Regional Transit	Federal Transit Authority (FTA) bike/ped, ADA for public transportation facilities/access	--	--
City of Kuna	Irrigation improvements, in-kind?	Will evaluate w/construction estimate	--
Private Donations	Bike racks, benches...lights?	~\$1,000-\$5,000	--
Foundation/Non-profit/Businesses	Jacksons		Located within the Main Street Project Limits
	Lowe's		Usually only construction materials
	Home Depot		Usually only construction materials
	Idaho Power		Chris E. is familiar with this \$; Blake Watson is on the Kuna Econ Dev. Committee

Agency	Source	Possible Amount	Due Date/notes
	Birds of Prey/Historical Society		Contact Dave Lyon
	Intermountain Gas		
	Wal-Mart		Chris E. is familiar with this \$
	Micron		Lots of micron employees live in Kuna
	Simplot		Coming to south Kuna area
	Proposed Solar Farm Development		Staff will reach out to project reps
	Proposed Movie Theatre		Coming to Kuna @ Deer Flat/Meridian Road
	Union Pacific Railroad (UPRR) Foundation		Chris E. is familiar with this \$
	U.S. National Guard		
	Lineman College		
	Paul's		Charlie is on the Downtown Steering Committee
	Local Excavation/Construction Company Donations		
	Farming/Agricultural Community		
Other Ideas	Go Fund Me Account (for final pieces to complete purchase of sponsored items). Watch for hosting percentage taken off the top (might be 4% or so?)		
	Citizinvestor		
Other Ideas	City Utility Billing (donate by rounding-up or any other amount). Watch for hosting percentage taken off the top (might be 4% or so?)		

- Next Steps
 - Open House - Thursday, 10/29/15, 4:00 - 6:00 pm
 - DT Steering Committee Meeting No. 3 – Thursday, 11/05/15, 5:30-7:00 pm
 - ACHD Commission Agenda – Wednesday, 11/11/15?
 - City staff will contact Bruce Wong and Commissioner Goldthorpe about meeting and subsequently presenting the project/seeking support from the ACHD Commission.
 - Develop/send out project support letter template

Kuna Downtown Revitalization Plan

Open House

City of Kuna | October 29, 2015 | 4:00 – 6:00 p.m.

On Thursday, October 29, 2015, the City of Kuna hosted a Downtown Revitalization Public Open House for the purpose of sharing potential plans for developing the downtown area. Consultants from J-U-B Engineers, Inc. and City staff were on hand to address any questions or concerns attendees might have about the revitalization efforts. Attendees were invited to provide input about specific types of projects they would like to see the City of Kuna implement.

The consultant team and City staff answered questions regarding the downtown revitalization planning process and ensured that all comments were collected from those who wished to provide feedback to the Steering Committee. A total of 59 community members attended the open house, and 11 comment forms were submitted.

A comprehensive list of potential projects were displayed and attendees were asked to indicate their top three priority projects within the downtown planning area. Space was also provided for additional feedback not covered on the list. Attendees were most interested in seeing a business façade improvement program, as well as revitalization of Main Street. Other well-supported projects included creating an event area/city parking lot, connecting greenbelt to downtown and revitalizing 4th street including the 4th Street Gym.

Attendees were also asked what “block themes” they might like to see incorporated into potential art around downtown. Suggestions included:

- Birds of Prey
- Wineries
- Kuna Caves
- Indian Creek
- Kuna History
- Swan Falls – Water Feature
- Railroad/Trains
- Agriculture
- Local artists
- Landscaping

Comment Cards:

What aspects of a Downtown Revitalization Plan are most important to you?

- Façade restoration; recognizing Kuna history; making downtown a destination
- All of Main street and side streets
- Making it walkable and clean
- Plants, trees and access to the park and greenbelt with parking
- All them

- Crosswalks of 4th Street; more bicycle friendly
- Dress it up to draw businesses and customers to shop downtown. Keep downtown alive!
- Inn Out
- Grimaldi's
- Splash pad
- Tepenyaki
- Fun things to do
- Jump Time

Do you have any concerns with the Downtown Revitalization Plan?

- Whether anything comes of it, particularly if we don't get the CDBG
- Parking, behind most of the downtown businesses are empty lots
- Complete in timely manner
- Art is unnecessary – focus on needed infrastructure improvements
- Need the overpass before the rest is implemented

Are you interested in participating in fundraising or sponsorship opportunities?

- No comments

Any additional comments?

- Look into how Lancaster, California funded their Downtown Revitalization Plan
- Weeds, chain link fences, bad sidewalks, rundown park, shortage of parks
- Artwork is not necessary. I'd rather see beautiful, clean streets, trees, flowers, lighting, walking paths
- Should maintain and continue to improve existing greenbelt before putting more money toward an extension
- Need an overpass over the tracks; location could impact the rest of the design; Swan Falls is the worst place for it; Ten Mile would be better
- 4th street gym should be repurposed as a community fitness center similar to the YMCA

Project List Rankings:

- 1) Business façade Improvement Program (29 votes)
- 2) Revitalize Main Street (27 votes)
- 3) Repurpose 4th Street gym and improve parking lot (16 votes)
- 4) Event area – city parking lot (15 votes)
- 5) Revitalize 4th Street (13 votes)
- 6) Greenbelt connections to/from downtown (12 votes)
- 7) Splash pad downtown (10 votes)
- 8) Remove chain link fence/unattractive barriers (8 votes)
- 9) Sidewalks (6 votes)
- 10) Art exhibits (6 votes)
- 11) 2nd Street improvements (2 votes)
- 12) Downtown side streets: Avenue C (2 votes)
- 13) Downtown way finding signage (1 vote)

- 14) Improved Welcome to Kuna sign (1 vote)
- 15) Community center improvements (1 vote)
- 16) Improve/add parking downtown

Additional suggested projects:

- Parking behind buildings
- Crosswalks on 4th street
- Historic walking trail

Kuna Downtown Revitalization Goals/Project List (as of 11/05/15)

Priority No.	Goal/Project	Action Strategy/Notes	Grant/Funding Sources
1	Revitalize Main Street	<ul style="list-style-type: none"> Engage the DRSC as phases are commenced and completed. Involve specific property owners adjacent to project area in the design process. Remain in contact with funding agencies. Keep the public informed – continue to send out newsletters. Discuss the Main Street Program with the Idaho Department of Commerce. It may be an option for ongoing and future revitalization efforts. 	<ul style="list-style-type: none"> Idaho Department of Commerce CDBG COMPASS Funding ACHD Community Programs, Economic Development Funding, Maintenance Budget (Pavement, Striping, Etc.) ITD Transportation Alternatives Program (TAP) Foundation Grants Local Funds In-kind Labor Urban Renewal District funds (if established)
2	Business Façade Improvement Program	<ul style="list-style-type: none"> Partner with business owners and brainstorm funding options. Develop a Business Façade Improvement Program: establish parameters such as a well-defined target area; eligibility criteria; a list of eligible items and ineligible activities; emphasis on good design (to achieve the downtown vision); and guidance on incorporation of themes (i.e. Indian Creek, Kuna Caves, Birds of Prey, Kuna Water Tower, etc.). 	<ul style="list-style-type: none"> Private Funds Local Funds Incentives Foundation Grants Urban Renewal District funds (if established)
3	Repurpose 4th Street gym and improve parking lot	<ul style="list-style-type: none"> Partner with the Kuna School District to explore development/use options. If the property becomes privately-owned, work with the owner/developer on site design, use, and frontage/street improvements. If the property remains publicly-owned, explore public/private partnership opportunities. In either case, public input will be crucial regarding the future use, design, etc. Frontage/street improvements should match the downtown theme including sidewalks, decorative street lights, hardscape/landscape areas, etc. 	<ul style="list-style-type: none"> Local Funds Private Funds USDA-RD Rural Business Enterprise Grant Foundation Grants CDBG-job creation (if relevant/applicable) CDBG-community center (if relevant/applicable) Urban Renewal District Funds (if established)
4	Event area – city parking lot	<ul style="list-style-type: none"> Coordinate with VRT and ACHD: revisit Park-n-Ride design plans that have already been completed. Coordinate with the Farmers Market representatives, Chamber of Commerce, senior citizen representatives, and sports clubs regarding design, features, etc. Project development: develop options/layouts, cost estimates, etc. 	<ul style="list-style-type: none"> Local Funds Private Funds Foundation Grants VRT/ACHD – Federal Transit Administration (FTA) Funds
5	Revitalize 4th Street	<ul style="list-style-type: none"> Engage the DRSC for planning/project development. Project development: develop options/layouts, cost estimates, etc. Involve specific property owners adjacent to project area in the design process. Contact funding agencies. Keep the public informed – continue to send out newsletters. 	<ul style="list-style-type: none"> CDBG-downtown revitalization COMPASS Funding ACHD Community Programs, Economic Development Funding, Maintenance Budget (Pavement, Striping, Etc.) ITD Transportation Alternatives Program (TAP) Foundation Grants Local Funds In-kind Labor Urban Renewal District funds (if established)

Kuna Downtown Revitalization Goals/Project List (as of 11/05/15)

Priority No.	Goal/Project	Action Strategy/Notes	Grant/Funding Sources
6	Greenbelt connections to/from downtown	<ul style="list-style-type: none"> Potential locations: Avenue E, Avenue D, Avenue C Connection from the Bernie Fisher Park: south of 2nd Street along the gravel/dirt area along the east side of the baseball fields to the existing greenbelt. 	<ul style="list-style-type: none"> Idaho Department of Parks and Recreation Recreational Trails Program (RTP) Grant COMPASS Funding ACHD Community Programs ITD Transportation Alternatives Program (TAP) Foundation Grants Local Funds In-kind Labor
7	Splash pad downtown	<ul style="list-style-type: none"> Identify potential locations for a splash pad: consider installations at existing city-owned parks, focus on the downtown core as a prime location. Conduct a fundraiser to encourage private investment. 	<ul style="list-style-type: none"> Foundation Grants Local Funds In-kind Labor High-Five Grant
8	Remove chain link fence/unattractive barriers	<ul style="list-style-type: none"> Work with local property owners on fencing alternatives. 	N/A
9	Sidewalks	<ul style="list-style-type: none"> Prioritize sidewalk improvement locations and apply for funding each year. Leveraging private funds through a Local Improvement District (LID) may increase chances of receiving grant funding. The cities of Nampa and Caldwell have developed similar programs where an LID funds 50% of the cost for sidewalk projects. 	<ul style="list-style-type: none"> COMPASS Funding ACHD Community Programs, Economic Development Funding ITD Transportation Alternatives Program (TAP) Foundation Grants Local Funds In-kind Labor Urban Renewal District funds (if established)
10	Art exhibits	<ul style="list-style-type: none"> Work with the Kuna Historical Society and consider establishment of an Art Committee that would be tasked with identifying how best to incorporate art into design in the downtown core and brainstorm funding options. In doing so, the City of Kuna would be better-positioned to receive art grant funds because funding agencies prefer heavy engagement of local artists in project development and implementation. 	<ul style="list-style-type: none"> Foundation Grants (See Strategic Funding Plan in Appendix C for details.) Local Funds In-kind Labor Volunteerism
11	2nd Street improvements	<ul style="list-style-type: none"> Engage the DRSC for planning/project development. Project development: develop options/layouts, cost estimates, etc. 	<ul style="list-style-type: none"> CDBG-downtown revitalization COMPASS Funding
12	Downtown side streets: Avenue C	<ul style="list-style-type: none"> Involve specific property owners adjacent to project area in design process. Contact funding agencies. Keep the public informed – continue to send out newsletters. 	<ul style="list-style-type: none"> ACHD Community Programs, Economic Development Funding, Maintenance Budget (Pavement, Striping, Etc.) ITD Transportation Alternatives Program (TAP) Foundation Grants Local Funds In-kind Labor Urban Renewal District funds (if established)

Kuna Downtown Revitalization Goals/Project List (as of 11/05/15)

Priority No.	Goal/Project	Action Strategy/Notes	Grant/Funding Sources
13	Downtown wayfinding signage	<ul style="list-style-type: none"> • A first step that will save time and money is to conduct an inventory of existing signs and create a map file which indicates the location, type, etc. • Develop a Wayfinding System Plan for vehicular, bicycle and pedestrian traffic. Each type of sign, depending on facilities nearby and the area the sign is located in should be planned out in advance. Removal of existing signs should also be identified. • Identify themes for different areas of downtown: Main Street could have a historic/unique character theme, the Indian Creek Greenbelt could have a recreational theme, etc. • Work with ACHD and ITD on sign placement and warning/regulatory signage requirements • The Kuna Planning and Zoning Department could play a role in this planning effort. • Consultant assistance may be necessary depending on availability of staff. • Involve local businesses, the Kuna Planning and Zoning Commission, Design Review Committee, etc. 	<ul style="list-style-type: none"> • COMPASS Funding • ACHD Community Programs • Foundation Grants • Local Funds • In-kind Labor
14	Improved Welcome to Kuna sign	<ul style="list-style-type: none"> • Work with the Kuna Chamber of Commerce, Kuna Historical Society, Kuna Youth Council (and Art Committee, if established) to identify sign content, location, features, etc. • Signage should be located at key entry points into the community, as well as downtown. • Develop a Welcome to Downtown Kuna sign that incorporates community themes (i.e. Water Tower, Indian Creek Greenbelt, Kuna Kavemen, Birds of Prey, etc.). 	<ul style="list-style-type: none"> • Foundation Grants • Local Funds • In-kind Labor
15	Community Center Improvements	<ul style="list-style-type: none"> • Work with the Kuna Lion’s Club, American Legion, and Chamber of Commerce (1/3-owners) to assess needed improvements. • Meet with the Idaho Department of Commerce about funding opportunities and scope of work (eligible costs, etc.). • Project development: develop scope of work, cost estimate, etc. 	<ul style="list-style-type: none"> • CDBG-community center • Foundation Grants • Local Funds • In-kind Labor
16	Improve/add parking downtown	<ul style="list-style-type: none"> • As the community continues to grow and the need for additional parking arises, conduct a parking analysis that considers on-street parking, public parking, and private parking. • Work with local businesses on timing coordination. For example, if a business is open from 8am-5pm, coordinate shared parking agreements for off-hours (5pm through the evening). 	<ul style="list-style-type: none"> • Foundation Grants (Idaho Community Foundation) • Local Funds • Lease agreement between the City of Kuna and private property owner(s) - if relevant/applicable
N/A	Downtown Design Standards	<ul style="list-style-type: none"> • Evaluate current standards and develop additional guidelines to bring the desired character to downtown. Design Standards could be developed for each unique downtown district. • The Kuna Planning and Zoning Department could play a role in this planning effort. • Consultant assistance may be necessary depending on availability of staff. • Involve local businesses, the Kuna Planning and Zoning Commission, Design Review Committee, etc. 	<ul style="list-style-type: none"> • Local Funds • USDA-RD Rural Business Enterprise Grant • Foundation Grants (Capital Matrix) • Urban Renewal District Funds (if established)
N/A	Business Retention and Attraction Plan	<ul style="list-style-type: none"> • Identify ways to retain existing businesses in Kuna; identify market conditions and strategies to attract those types of businesses to Kuna. Barriers, such as zoning requirements, for existing and future businesses should also be evaluated. The Kuna Economic Development Committee could lead this effort or serve in an advisory role. 	<ul style="list-style-type: none"> • Local Funds • USDA-RD Rural Business Enterprise Grant • Foundation Grants (Capital Matrix) • Urban Renewal District Funds (if established) • Volunteerism

Main Street/Avenue E Project Overview

Themes

Things that make Kuna unique such as Indian Creek, the water tower, Kuna Kavemen, Birds of Prey, etc. will be incorporated into the project design. Thematic elements may include concrete patterns, placement and type of landscaping features, colors, signage, flower planter design, decorative light pole banners, trash receptacles, bike racks, benches, art, etc. These themes may be incorporated into each block, side of the street, or other ways. As the design process moves forward, these elements will be incorporated and continued input will be sought from the DRSC and adjacent property owners. Careful consideration must be made as design features are developed to ensure the goal and intent are achieved.

Scope of Work

The Main Street/Avenue E project includes:

- East side of Avenue E from 4th Street to Main Street, and the north side of Main Street from Avenue E to Avenue D – widen sidewalk from 5-foot to 10-foot wide, stamped concrete, landscaping, decorative lighting, benches and bike racks. Sidewalks would also be installed along the south side of Main Street from Avenue E to Bridge Avenue (exact width is to be determined).
- Main Street from Avenue D to Avenue A (three blocks) – replace 10-foot wide sidewalks with new sidewalks, 6-foot wide landscape/hardscape section, decorative street lights, bulb-outs at intersections, roadway paving and striping.

Phasing and Cost

Due to the cost (estimated \$2,141,000), the project has been split into two phases:

Phase I

- Estimated Cost - Approximately \$960,000
- Project Limits - Avenue E from 4th Street to Main Street, and Main Street from Avenue E to Avenue C (tie into the Bridge Avenue project and Avenue E sidewalk project)
- Funding Sources – City of Kuna in-kind labor and cash; ACHD resources; CDBG, COMPASS and ACHD Community Program grants/funding; foundation grants; private cash and donations.

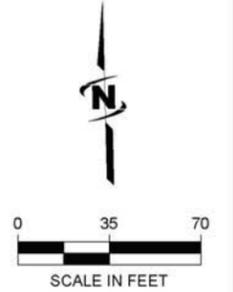

Phase II

- Estimated Cost - Approximately \$1,181,000
- Project Limits - Main Street from Avenue C to Avenue A (tie into the roundabout project)
- Funding Sources - City of Kuna in-kind labor and cash; ACHD resources; COMPASS, ACHD Economic Development Program, ITD Transportation Alternatives Program (TAP) grants/funding; foundation grants; private cash and donations.

Kuna Downtown Revitalization Plan

Open House

City of Kuna | October 29, 2015 | 4:00 – 6:00 p.m.

On Thursday, October 29, 2015, the City of Kuna hosted a Downtown Revitalization Public Open House for the purpose of sharing potential plans for developing the downtown area. Consultants from J-U-B Engineers, Inc. and City staff were on hand to address any questions or concerns attendees might have about the revitalization efforts. Attendees were invited to provide input about specific types of projects they would like to see the City of Kuna implement.

The consultant team and City staff answered questions regarding the downtown revitalization planning process and ensured that all comments were collected from those who wished to provide feedback to the Steering Committee. A total of 59 community members attended the open house, and 11 comment forms were submitted.

A comprehensive list of potential projects were displayed and attendees were asked to indicate their top three priority projects within the downtown planning area. Space was also provided for additional feedback not covered on the list. Attendees were most interested in seeing a business façade improvement program, as well as revitalization of Main Street. Other well-supported projects included creating an event area/city parking lot, connecting greenbelt to downtown and revitalizing 4th street including the 4th Street Gym.

Attendees were also asked what “block themes” they might like to see incorporated into potential art around downtown. Suggestions included:

- Birds of Prey
- Wineries
- Kuna Caves
- Indian Creek
- Kuna History
- Swan Falls – Water Feature
- Railroad/Trains
- Agriculture
- Local artists
- Landscaping

Comment Cards:

What aspects of a Downtown Revitalization Plan are most important to you?

- Façade restoration; recognizing Kuna history; making downtown a destination
- All of Main street and side streets
- Making it walkable and clean
- Plants, trees and access to the park and greenbelt with parking
- All them

- Crosswalks of 4th Street; more bicycle friendly
- Dress it up to draw businesses and customers to shop downtown. Keep downtown alive!
- Inn Out
- Grimaldi's
- Splash pad
- Tepenyaki
- Fun things to do
- Jump Time

Do you have any concerns with the Downtown Revitalization Plan?

- Whether anything comes of it, particularly if we don't get the CDBG
- Parking, behind most of the downtown businesses are empty lots
- Complete in timely manner
- Art is unnecessary – focus on needed infrastructure improvements
- Need the overpass before the rest is implemented

Are you interested in participating in fundraising or sponsorship opportunities?

- No comments

Any additional comments?

- Look into how Lancaster, California funded their Downtown Revitalization Plan
- Weeds, chain link fences, bad sidewalks, rundown park, shortage of parks
- Artwork is not necessary. I'd rather see beautiful, clean streets, trees, flowers, lighting, walking paths
- Should maintain and continue to improve existing greenbelt before putting more money toward an extension
- Need an overpass over the tracks; location could impact the rest of the design; Swan Falls is the worst place for it; Ten Mile would be better
- 4th street gym should be repurposed as a community fitness center similar to the YMCA

Project List Rankings:

- 1) Business façade Improvement Program (29 votes)
- 2) Revitalize Main Street (27 votes)
- 3) Repurpose 4th Street gym and improve parking lot (16 votes)
- 4) Event area – city parking lot (15 votes)
- 5) Revitalize 4th Street (13 votes)
- 6) Greenbelt connections to/from downtown (12 votes)
- 7) Splash pad downtown (10 votes)
- 8) Remove chain link fence/unattractive barriers (8 votes)
- 9) Sidewalks (6 votes)
- 10) Art exhibits (6 votes)
- 11) 2nd Street improvements (2 votes)
- 12) Downtown side streets: Avenue C (2 votes)
- 13) Downtown way finding signage (1 vote)

- 14) Improved Welcome to Kuna sign (1 vote)
- 15) Community center improvements (1 vote)
- 16) Improve/add parking downtown

Additional suggested projects:

- Parking behind buildings
- Crosswalks on 4th street
- Historic walking trail

Kuna Downtown Revitalization Plan

Agency Meeting

City of Kuna | October 27, 2015 | 4:00-5:00 p.m.

Meeting Notes

Attendees:

- City of Kuna: Mayor Greg Nelson; Councilmember Joe Stear; Chris Engels, City Clerk/Grant Administrator; Bob Bachman, Building/Facilities Manager
- Consultants, J-U-B Engineers, Inc.: Lisa Bachman, AICP, Project Manager/Planner; Brian Smith, PE, Senior Engineer
- Agencies: Rodney Ashby, Ada County Highway District (ACHD); Margaret Havey, Valley Regional Transit (VRT); Toni Tisdale and Don Matson, Community Planning Association of Southwest Idaho (COMPASS); Mark Wasdahl, Idaho Transportation Department (ITD);

Scope of work, schedule, milestones, project goals:

- Lisa Bachman explained the scope of work, schedule, milestones, and project goals for the Downtown Revitalization Plan and Main Street Streetscape Concept. The concept generally follows the recommendations from the ACHD-sponsored Downtown Corridor Plan that was completed October 2013.
- The potential park-n-ride east of the Senior Center/at the City Park was discussed – it is designed but Kuna City Council previously chose not to move forward over concerns about the location. The concern was that the park-n-ride should be located north of town. The possibility of revisiting the park-n-ride design was discussed. Maureen Gresham with ACHD Commuteride might be able to provide economic benefit data for the Downtown Revitalization Plan.

Funding options:

Potential funding options were discussed among the group. A Community Development Block Grant (CDBG) application for \$500,000 will be submitted to the Idaho Department of Commerce on or before November 20, 2015. The final application will be presented at a City Council public hearing on November 17, 2015. Due to the need for additional

funding and commitment to implement the full project, it would potentially be split into two phases, to include two (2) blocks for each phase. Funding options may include:

Agency	Source	Possible Amount	Due Date/notes
Idaho Department of Commerce	Community Development Block Grant (CDBG)	\$500,000	11/20/15
Ada County Highway District	Community Programs	~\$100,000-\$250,000	04/01/16
	Pavement Rehabilitation	~\$100,000-\$250,000	Programmed Maintenance 2017/2018?
	Economic Development Request	~\$500,000-700,000	2018?
COMPASS	Funding Request (no specific name)	\$200,000-\$500,000	11/13/15. Show larger/phased project and possible ways for more/less federal funding
Idaho Transportation Department	Transportation Alternatives Program (TAP)	\$500,000	December 2015. Waiting for ITD Board approval of TAP funds
Valley Regional Transit	Federal Transit Authority (FTA) bike/ped, ADA for public transportation facilities/access	--	--
City of Kuna	Irrigation improvements, in-kind?	Will evaluate w/construction estimate	--
Private Donations	Bike racks, benches...lights?	~\$1,000-\$5,000	--
Foundation/Non-profit/Businesses	Jacksons		Located within the Main Street Project Limits
	Lowe's		Usually only construction materials
	Home Depot		Usually only construction materials
	Idaho Power		Chris E. is familiar with this \$; Blake Watson is on the Kuna Econ Dev. Committee

Agency	Source	Possible Amount	Due Date/notes
	Birds of Prey/Historical Society		Contact Dave Lyon
	Intermountain Gas		
	Wal-Mart		Chris E. is familiar with this \$
	Micron		Lots of micron employees live in Kuna
	Simplot		Coming to south Kuna area
	Proposed Solar Farm Development		Staff will reach out to project reps
	Proposed Movie Theatre		Coming to Kuna @ Deer Flat/Meridian Road
	Union Pacific Railroad (UPRR) Foundation		Chris E. is familiar with this \$
	U.S. National Guard		
	Lineman College		
	Paul's		Charlie is on the Downtown Steering Committee
	Local Excavation/Construction Company Donations		
	Farming/Agricultural Community		
Other Ideas	Go Fund Me Account (for final pieces to complete purchase of sponsored items). Watch for hosting percentage taken off the top (might be 4% or so?)		
	Citizinvestor		
	City Utility Billing (donate by rounding-up or any other amount). Watch for hosting percentage taken off the top (might be 4% or so?)		

- Next Steps
 - Open House - Thursday, 10/29/15, 4:00 - 6:00 pm
 - DT Steering Committee Meeting No. 3 – Thursday, 11/05/15, 5:30-7:00 pm
 - ACHD Commission Agenda – Wednesday, 11/11/15?
 - City staff will contact Bruce Wong and Commissioner Goldthorpe about meeting and subsequently presenting the project/seeking support from the ACHD Commission.
 - Develop/send out project support letter template

Appendix B

Existing Conditions Assessment

CITY OF KUNA

763 W. Avalon
Kuna, Idaho 83634

Downtown Revitalization

EXISTING CONDITIONS ASSESSMENT

Technical Memorandum

November 2015

Prepared by:

J-U-B ENGINEERS, Inc.
250 South Beechwood Avenue
Suite 201
Boise, ID 83709
208.376.7330

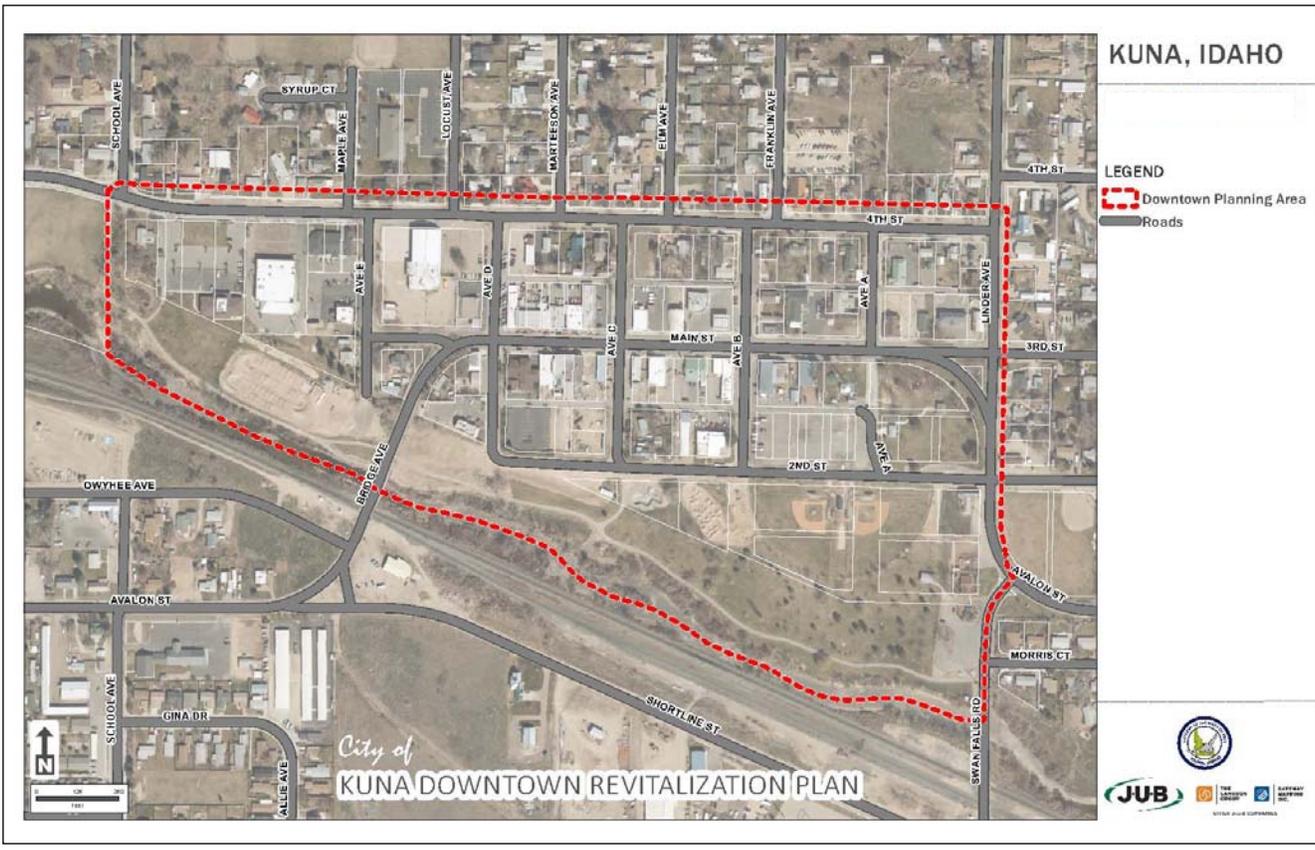

PURPOSE

The purpose of the Existing Conditions Assessment is to identify and quantify the different types of facilities that exist within the planning area. Facilities found both on the surface and underground are cataloged as either “adequate” or “inadequate”. Inadequate facilities assume the facilities will require replacement. Information gained from this assessment enables the City to develop accurate construction estimates and project phasing for future improvements.

CONDITION ASSESSMENT AREA

The study area generally includes a twelve block area that makes up the Kuna downtown core. Existing infrastructure includes: roadways, sidewalks, street lighting, drainage, parking, irrigation, potable water, sewer, utilities, benches, bike racks, trash receptacles and buildings. The map below shows the Condition Assessment Area.

Figure B.1 - Condition Assessment Area

CONDITION ASSESSMENT

An inventory of infrastructure within the down Downtown Revitalization Planning Area was conducted as shown on a series of maps and spreadsheets attached to this Existing Conditions Assessment report. Infrastructure evaluated in this assessment includes:

- **Figure B.2** – Roadway, Sidewalks, and Lighting
- **Figure B.3** – Storm (drainage) System
- **Figure B.4** – Irrigation System
- **Figure B.5** – Water System
- **Figure B.6** – Sewer System
- **Figure B.7** – Kuna Buildings Condition Assessment (Avenue E/Main Street project area)
- **Figure B.8** – Kuna Infrastructure Condition Assessment (Full planning area)

The infrastructure inventory includes a compilation of information collected from the Ada County Highway District (ACHD) and the City of Kuna. Once the inventory was collected and mapped, an assessment was conducted to determine which public infrastructure is considered substandard. “Substandard” infrastructure as it pertains to the City of Kuna is described below.

INFRASTRUCTURE BY CATEGORY

ROADWAYS

Roadways within the study area are substandard due to crowning and pavement condition. As shown on **Figure B.2**, Main Street has a Pavement Condition Index (PCI) rating of 70-79, which means the pavement condition is “fair”. The alley from Avenue C to Avenue D between Main Street and 4th has a PCI of 50-59, which translates to “poor” condition. Pavement thickness standards are identified in section 7205 of ACHD’s policy manual. As the pedestrian area is widened and the curb and gutter is extended (particularly along Main Street), the pavement condition should be evaluated to determine if rehabilitation, reconstruction, chip seal or overlay would be the most appropriate treatment.

SIDEWALKS

A considerable portion of sidewalks, curb and gutter shown on **Figure B.2** within the study area are substandard due to cracking, heaving, settling, deterioration, and spalling. Sidewalk standards are incorporated in 6005 of the ACHD Policy Manual. Sidewalks shall be concrete and a minimum of 10-foot wide in the Central Business District, per Kuna City code section 5-4-6. All sidewalks shall comply with the American with Disabilities Act (ADA) and the Proposed Accessibility Guidelines for Pedestrian Facilities within the Public Right-of-Way. The Downtown Revitalization Plan will identify pedestrian access routes and ramps with warning domes to meet current standards and improve safety, connectivity and accessibility for citizens of all ages and physical abilities throughout the downtown area.

STREET LIGHTING

Street lights shown on **Figure B.2** within the study area are substandard due to type, poor spacing, lack of visual appeal and scale. City of Kuna code section 5-4-6 requires street lamp lighting in the downtown area to provide adequate illumination of the sidewalk for pedestrian safety in the downtown district. The Downtown Revitalization Plan will identify intersection and decorative street lighting for improved safety, visual appearance and to encourage walkability and accessibility during all times of the day including evening hours.

DRAINAGE

Catch basins and storm drain lines shown on **Figure B.3** are substandard because the drainage facilities are either inadequate or non-existent. Ponding is a common occurrence during the fall, winter and spring months. Proposed improvements should include the installation of new catch basins, inlets, underground drainage pipes, oil water separators and infiltration facilities that comply with ACHD Section 800 – Drainage and Stormwater Management Standards. City code states storm water from a rain event and natural runoff must be retained on site or comply with Idaho Department of Environmental Quality’s (DEQ’s) Best Management Practices. Change in use projects including zoning changes from residential to commercial must retain storm water on site. Parking lot run off must be processed through an oil/water separator or approved facility. The Downtown Revitalization Plan will recommend drainage facilities to be upgraded as projects are implemented.

PARKING

Parking is not clearly delineated or accessible in the downtown core. Kuna City code requires new installations to be provided at an approved rate for the designated use. New installations should include parking lot landscaping. On street parking is predominately a combination of “nose in” spaces along the majority of side streets and parallel parking along Main Street providing standard 9’x24’ parking spaces. ADA requires handicapped parking areas to be designated with a standard blue sign, blue curb or combination, and sized appropriately. The Downtown Revitalization Plan will identify parking improvements as projects are implemented.

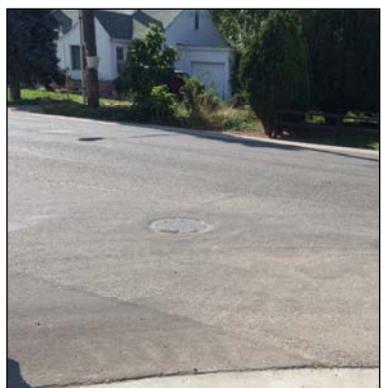

IRRIGATION

As shown on **Figure B.4**, there is currently a mix of pressure and gravity irrigation serving the downtown area. Kuna City Code Section 5-17-11 requires landscaped areas to be served by pressurized irrigation. Proposed project improvements would include a variety of colorful landscaping within the streetscape to break up the existing concrete, asphalt and gravel areas that currently dominate the downtown area. Irrigation drip systems would need to be installed as part of the proposed Main Street project. Subsystems will be developed from the main distribution system to support newly installed landscaping. Landscaping will be identified in the Downtown Revitalization Plan to bring cohesiveness and beautification to downtown streets.

POTABLE WATER, SEWER AND UTILITIES

Potable water (**Figure B.5**), sewer (**Figure B.6**) and underground utilities vary in age based on the date of installation from as early as the 1930's to 2000. A majority of water and sewer lines within the planning area are in "adequate" condition and will be retained in their current location. Partial upgrades may include replacing surface facilities such as valves, manhole covers and lids to accommodate proposed upgrades. A majority of the underground piping and utilities would likely remain in place. The Downtown Revitalization Plan will recommend the evaluation of utility upgrades as projects are planned and implemented.

BENCHES, TRASH RECEPTACLES AND BIKE RACKS

Benches and trash receptacles within downtown Kuna are aged and mismatched. The Downtown Revitalization Plan will identify the need for updated benches and trash receptacles to provide continuity along Main Street and throughout the downtown core area. With no bike racks downtown, there is no opportunity for bicyclists to securely park. The Downtown Revitalization Plan will recommend the placement of bicycle racks throughout the planning area.

BUILDINGS

Considerable effort would be required to conduct a building assessment for a 12-block area; therefore, the Building Assessment is limited to property lots within the Avenue E/Main Street project area. As projects are implemented in the future, the City of Kuna should update the assessment to include the proposed improvement area(s). As shown on **Figure B.7**, sidewalks in front of businesses are the biggest contributing factor to substandard conditions, along with eight (8) buildings rated in "poor" condition and twelve (12) properties rated in "fair" condition. Building façade upgrades and the replacement and widening of sidewalks will be identified in the Downtown Revitalization Plan to address these substandard conditions. An incentive program for façade improvements may encourage property/business owners to invest in the revitalization of their storefronts.

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
Idaho State Historical Society (SHPO) Certified Local Government (CLG) Program	Idaho SHPO typically distributes about \$70,000 annually to city and county programs through the CLG program.	<p>Cities, counties and tribes are eligible applicants.</p> <p>Local governments that wish to participate must meet the following minimum requirements:</p> <ol style="list-style-type: none"> 1. Establish by state law or local ordinance an adequate and qualified historic preservation review commission consisting of professional and lay members. 2. Conduct a survey and maintain an inventory of historic properties in the community. 3. Provide for adequate public participation in the historic preservation program, including the process for nominating properties to the National Register of Historic Places. 4. Encourage local historic preservation planning efforts. 5. Enforce appropriate state and local legislation for the designation and protection of historic properties. 6. Maintain a satisfactory ongoing performance of these duties. 	Check with agency; typically receive notice within 30 days of application submittal.	Recommend \$2,000	50% local match share of the total project cost	<ul style="list-style-type: none"> • Call 208-334-3847 to discuss projects, eligibility, etc. 	http://history.idaho.gov/certified-local-government-clg-program

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
Idaho Commission on the Arts Grant	Arts education grants, folk and traditional arts, organizational, individual.	<p>Most grants and awards are made on an annual basis (except for QuickFunds) and new applications must be submitted each year. Grant and award programs are highly competitive and eligibility or a current grant does not guarantee future funding. The Commission uses the following basic criteria to measure the merits of most applications. Each grant or award will contain important, specialized considerations.</p> <ul style="list-style-type: none"> • High artistic quality or artistic merit. • Sound governance, management, and operations. • Financial soundness with evidence of wide support. • Extensive public benefit, community interest, and access for underserved populations, including older people and people with disabilities. • To the extent possible, an organization's project should be part of a long-term cultural plan that outlasts the grant. <p>Commitment to arts education and to promoting understanding and public awareness of the arts.</p>	December-March (varies-call to verify)	Recommend \$2,000-\$7,000	1:1 – 1:3 (varies based on eligible activity)	<ul style="list-style-type: none"> • Set up an appointment to discuss project with program representatives prior to submitting an application. 	http://arts.idaho.gov/grants/overview.aspx

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
Idaho State Parks & Recreation: RV Fund	Acquisition, lease, development, improvement, operations and maintenance of facilities and services designed to promote the health, safety and enjoyment of recreational vehicle users.	Incorporated cities, counties, recreation districts, stage agencies, and school districts	January Funding available July	FY 15 total \$2 million	Not required but encouraged. Motorized equipment requires 50% match on items valued at \$1,000 - \$5,000	<ul style="list-style-type: none"> The RV dump area, fencing, and resurfacing and roadway improvements in the area could potentially be funded with this grant. Contact staff at Idaho Parks and Rec with ideas for specific improvements. 	http://parksandrecrati.on.idaho.gov/about-parks-recreation
Idaho State Parks & Recreation: Recreational Trails Program (RTP)	Maintenance and restoration of existing recreational trails; development and rehabilitation of trailside and trailhead facilities and trail linkages for recreational trails; purchase and lease of recreational trail construction and maintenance equipment; and construction of new recreational trails.	Incorporated cities, counties, recreation districts, stage agencies, and school districts.	January Funding available July	FY 15 total \$1.5 million	20% At least 5% of overall project costs must be non-federal	<ul style="list-style-type: none"> Grant funds can be used for greenbelt extensions, improvements and trailside improvements. An idea would be to look at areas where greenbelt connections could be made that would link the existing greenbelt to downtown. Contact staff at Idaho Parks and Rec with ideas for specific improvements. 	http://parksandrecrati.on.idaho.gov/about-parks-recreation
Idaho Community Foundation Grant: ICF Regional Competitive Grant Cycle	To enrich the quality of life throughout Idaho; grants include arts and culture, conservation/ environment, education, emergency services, libraries, public projects, recreation, and social services.	Government entities (including subsidiaries and public educational institutions), and entities with current 501(c)3 status.	Opens May 1, closes July 1	Up to \$5,000	Not required	<ul style="list-style-type: none"> This grant could fund a variety of projects. Ideas include: parking lot upgrades, ADA access to public and cultural facilities, improved access to the library, etc. 	http://idcomfdn.org/Regional Cycle

Funding Program	Program Information	Eligibility Criteria	Application Date	Maximum Grant	Minimum Match	Action Steps/Notes	Link
Local Highway Assistance Council (LHTAC): Federal Lands Access Program	Roads, rail, facilities that access federal lands, transportation planning, vehicular parking areas, pedestrian and bicycle facilities, transit maintenance and operations.	Local governments having jurisdictions over roadways, tribal governments, transit agencies, natural resource or public land agencies, school districts, schools, local education agencies eligible.	Watch for announcement - February (have to program four years of projects, cycles of RFP's are to be determined)	No amount (approx. \$17 million annually state-wide)	7.34%	<ul style="list-style-type: none"> Improved bike/ped and roadway access to federal lands – Swan Falls Road, Kuna Butte, etc. It is recommended to discuss this opportunity with ACHD and a public lands representative because a partnership with a public lands agency is required. 	www.wfl.fhwa.dot.gov/programs/flap/id/

**RESOLUTION NO. R87-2015
CITY OF KUNA, IDAHO**

A RESOLUTION OF THE CITY OF KUNA, IDAHO ACCEPTING AND AGREEING TO THE TERMS OF THE CERTIFICATIONS AS CONTAINED IN SECTION 13 OF THE CITY OF KUNA, IDAHO'S DOWNTOWN REVITALIZATION APPLICATION FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT; AND AUTHORIZING THE MAYOR TO EXECUTE THE CERTIFICATIONS DOCUMENT.

BE IT HEREBY RESOLVED by the Mayor and Council of the City of Kuna, Idaho as follows:

Section 1. The terms of the Certifications as contained in section 13 of the City of Kuna, Idaho's Downtown Revitalization Application for the Community Development Block Grant, as attached hereto as EXHIBIT A, are hereby accepted and agreed to terms.

Section 2. The Mayor of the City of Kuna, Idaho, on behalf of the City, is hereby authorized to execute the Certifications as contained in paragraph 13 of the City's Application, and the City Clerk is hereby authorized to attest to said execution as so authorize and approved for on behalf of the City of Kuna, Idaho.

PASSED BY THE COUNCIL of Kuna, Idaho this 17th day of November 2015.

APPROVED BY THE MAYOR of Kuna, Idaho this 17th day of November 2015.

W. Greg Nelson, Mayor

ATTEST:

Chris Engels, City Clerk

13. Certifications

I certify the data in this application is true and correct, that this document has been duly authorized by the governing body of the City of Kuna and we will comply with the following laws and regulations if this application is approved and selected for funding.

Compliance Certification and Provisions:

Section 110 of the Housing and Community Development Act of 1974, as amended, by the Housing and Urban-Rural Recovery Act of 1983 and the Housing and Community Development Act of 1987, 24 CFR 570.603, and State regulations regarding the administration and enforcement of labor standards;

It will comply with all parts of Title I of the Housing and Community Development Act of 1974, as amended, which have not been cited previously as well as with other applicable laws;

Conduct and administer its program in conformance with Title VI and Title VIII, and affirmatively further fair housing;

Provide opportunities for citizen participation comparable to the state's requirements (those described in Section 104(a) of the Act, as amended);

Not use assessments or fees to recover the capital costs of CDBG funded public improvements from low and moderate income owner occupants;

Adopt and implement an Excessive Force Policy;

Minimize displacement as a result of activities assisted with CDBG funds by following the Idaho Department of Commerce's anti-displacement and relocation assistance plan; Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended (49 CFR Part 24);

Civil Rights and Equal Opportunity Provisions:

Title VI of the Civil Rights Act of 1964 (Public Law 88-352), and the regulations issued pursuant thereto (24 CFR Part 1), which provides that no person in the United State shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subject to discrimination under any program or activity for which the applicant received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

The Fair Housing Act (previously known as Title VIII of the Civil Rights Act of 1968) (Public Law 90-284), as amended, administering all programs and activities relating to housing and community development in a manner to affirmatively further fair housing in the sale or rental of housing, the financing of housing, and the provision of brokerage services;

Section 109 of Title I of the Housing and Community Development Act of 1987, as amended, and the regulations issued pursuant thereto (24 CFR 570.602), which provides that no person in the United States shall, on the grounds of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to otherwise qualified handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973 shall also apply to any such program activity;

Executive Order 11063, as amended by Executive Order 12259 on equal opportunity in housing and non-discrimination in the sale or rental of housing built with Federal assistance, and requiring that programs and

activities relating to housing and urban development be administered in a manner affirmatively to further the goals of Title VIII of the Civil Rights Act of 1968;

Executive Order 11246 as amended by Executive Order 11375 and 12086, and the regulations issued pursuant hereto (24 CFR Chapter 60), which provides that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal or federally assisted construction contracts. Contractors and subcontracts on Federal and federally assisted construction contracts shall take affirmative action to insure fair treatment in employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation and selection for training and apprenticeship;

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended, requiring that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to eligible business concerns which are located in, or owned in substantial part by, persons residing within the unit of local government;

Property Acquisition Provision:

It will comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and Federal implementing regulation at 49 CFR Part 24, and the requirements of section 570.496a and it is following a residential anti-displacement and relocation assistance plan under section 104(d) of Title I of the Housing & Community Development Act of 1974, as amended;

Environmental Standards and Provisions:

Its chief executive officer or other officer of applicant approved by the Idaho Department of Commerce:

- 1) Consents to assume the status of a responsible Federal official under the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. S 4321 et seq.) and other provisions of Federal law, as specified at 24 CFR 58.1 (a) (3) and (a) (4), which further the purposes of NEPA insofar as the provisions of such Federal law apply to the Idaho Community Development Block Grant Program; and
- 2) Is authorized and consents on behalf of the applicant and himself/herself to accept the jurisdiction of the Federal courts for the purpose of enforcement of his/her responsibilities as such an official.

It will comply with:

- 1) The National Environmental Policy Act of 1969 (42 U.S.C. S 4321 et seq.) and 24 CFR Part 58, and in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. 470), Executive Order 11593, and the Preservation of Archaeological and Historical Data Act of 1966 (U.S.C. 469a-1, et seq.) by:
 - a) Consulting with the State Historic Preservation Officer to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 CFR Part 800.8) by the proposed activity; and
 - b) Complying with all requirements established by the State and to avoid or mitigate adverse effects upon such properties.
- 2) Executive Order 11988, Floodplain Management;
- 3) Executive Order 11990, Protection of Wetlands;
- 4) Endangered Species Act of 1973, as amended, (16 U.S.C. Section 1531 et seq.);
- 5) The Fish and Wildlife Coordination Act of 1958, as amended, (16 U.S.C. Section 661 et seq.);
- 6) The Wild and Scenic Rivers Act of 1968, as amended, (16 U.S.C. Section 1271);
- 7) The Safe Drinking Water Act of 1974, as amended, (42 U.S.C. Section 300f et seq.);
- 8) Section 401(f) of the Lead-Based Paint Poisoning Prevention Act, as amended, (42 U.S.C. Section 4831 (b));
- 9) The Clean Air Act of 1970, as amended, (42 U.S.C. Section 7401 et seq.);
- 10) The Federal Water Pollution Control Act of 1972, as amended, (33 U.S.C. Section 1251 et seq.);
- 11) The Clean Water Act of 1977 (Public Law 95-217); and

- 12) The Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et. seq.);
- 13) Section 202(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4106) as it relates to the mandatory purchase of flood insurance for special flood hazard areas.

Labor Standards and Provisions:

The provisions of the Davis-Bacon Act (46 U.S.C. S 276a-5) with respect to prevailing wage rates (except for projects for rehabilitation of residential properties of fewer than eight units);

Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327-332, requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty in a work-week;

Federal Fair Labor Standards Act, 29 U.S.C. S 102 et seq., requiring that covered employees be paid at least the minimum prescribed wage, and also that they be paid one and one-half times their basic wage rate for all hours worked in excess of the prescribed work-week;

Anti-kickback (Copeland) Act of 1934, 18 U.S.C. S 874 and 40 U.S.C. S 276c, which outlaws and prescribes penalties for “kickbacks” of wages in federally financed or assisted construction activities;

Anti-Lobbying Certification:

No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any federal agency, a member of, employee of a member of, officer of or employee of Congress in connection with the awarding of any federal contract, the making of any federal grant or loan, the entering into any cooperative agreement and the extension, renewal, modification or amendment of any federal contract, grant, loan or cooperative agreement.

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a member of, employee of a member of, officer of or employee of Congress in connection with this federal grant, the undersigned shall complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

The applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was place when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, US Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Administrative and Financial Provisions:

OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments;

24 CFR Part 85, Uniform Administrative Requirements, Cost Principles, and Audit Requirements;

Miscellaneous:

It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties;

It will comply with the provisions of the Hatch Act, which limits the political activity of employees;

It will give State, HUD and the Comptroller General through any authorized representatives, access to and the right to examine all records, books, papers, or documents related to the grant; and

The local government hereby certifies that it will comply with the above stated assurances.

Signed by Chief Elected Official

**Resolution No. R82-2015
City of Kuna, Idaho**

Resolution to Establish a Redevelopment Area

BE IT RESOLVED by the City Council of the City of Kuna, Ada County, Idaho:

WHEREAS, the City has reviewed the conditions and quality of the City and found a geographic area in which slum and blight conditions exist according to IDAPA 28, Title 02, Chapter 01, Section 020. The approximate boundaries of this geographic area are Avenue E from 4th Street to the Indian Creek Greenbelt, and Main Street from Avenue E to Avenue A and are delineated on a map entitled, “Redevelopment Area” affixed hereto, which is a map of the subject area defining the limits, boundaries and location of the slum and blight conditions of said district; and

WHEREAS, the following is a description of the slum and blight conditions which exist in the delineated area:

Infrastructure:

- **Sidewalk, Curb, Gutter, ADA Ramps:** Approximately 2,950 linear feet of sidewalk, curb and gutter is determined to be substandard it does not meet ADA accessibility requirements. Specifically, the sidewalks do not allow for unrestrictive pedestrian movement because of broken surfaces, as per ADA regulations 28 CFR Part 35.
- **Storm Drainage:** Approximately 2,676 linear feet of storm drainage lines and nine (9) catch basins are substandard because they do not meet Ada County Highway District’s Section 800 – Drainage and Stormwater Management Standards. The storm drainage facilities are either non-existent or insignificant, causing regular occurrences of ponding, clogging, and pavement deterioration.
- **Street Lights:** Approximately 40 street lights are determined to be substandard as they do not meet City of Kuna code section 5-4-6 due to the complete absence of street lamp lighting and inadequate illumination of the sidewalk for pedestrian safety.
- **Irrigation:** Approximately 2,855 linear feet of pressurized irrigation lines are determined to be substandard as they do not exist within the project area. Kuna City Code section 5-17-11 states that pressurized irrigation is required for landscaped areas.

Properties:

- Of the 34 building lots located within the redevelopment area, substandard properties consist of:
 - Two (2) commercial buildings have been vacant for over 12 months
 - ~~31 properties with substandard sidewalks~~
 - ~~20 properties are in poor or fair condition~~

- 31 properties with site conditions including substandard sidewalks, damaged driveways, fencing, and overgrown vegetation.
- 20 properties are in poor or fair condition due to building exterior conditions including loose fascia materials, unstable awnings, and failing roofs.

Formatted: Indent: Left: 1", No bullets or numbering

Detailed documentation is contained in the Existing Conditions Assessment prepared by licensed professional, Tim Blair, PE; and Bob Bachman, City of Kuna Certified Building Inspector/Building and Facilities Manager, dated October 29, 2015.

WHEREAS, these conditions are risks to public safety, impediments to sound community growth and are considered economic liabilities to the community;

WHEREAS, the City of Kuna desires to eliminate and prevent slum and blight conditions within the stated geographic area, the City will undertake various activities to eliminate these conditions. These activities will conform to the City’s comprehensive plan; and

WHEREAS, the planned activities may include land acquisition, demolition, and/or clearance, the Idaho Department of Commerce’s “Anti-Residential Displacement and Relocation Plan” will govern any of these activities.

NOW THEREFORE, it is resolved by the Mayor and City Council of Kuna, Idaho that the City shall designate the above-stated geographic area as a redevelopment area and shall take action as necessary to remove and prevent slum and blight conditions.

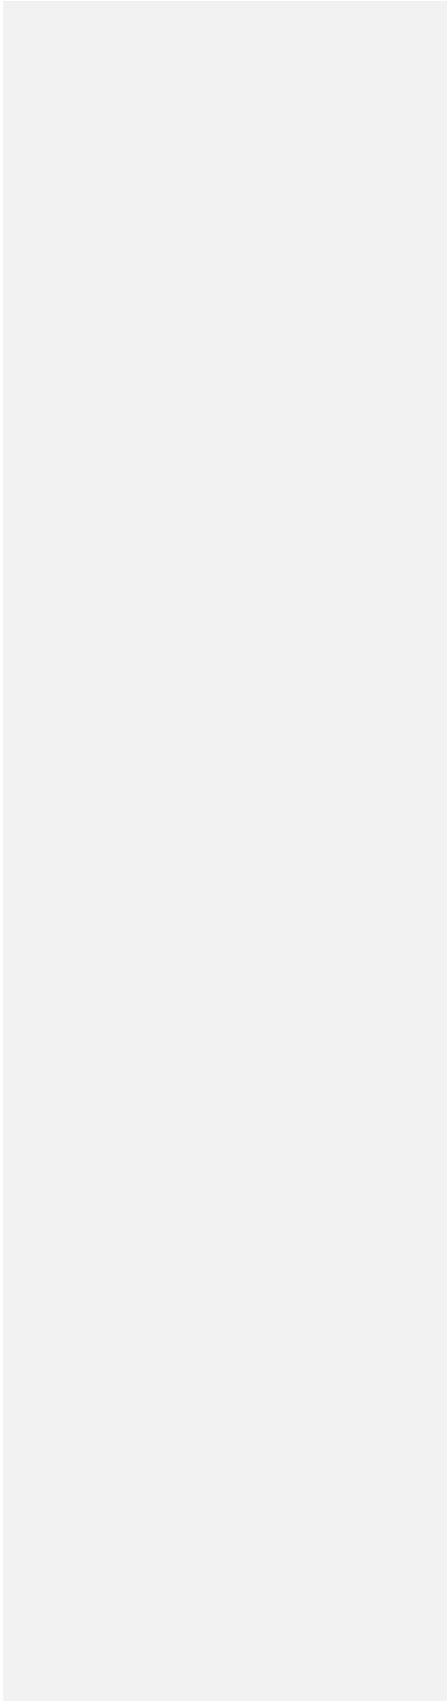

| **PASSED BY THE COUNCIL** of Kuna this ~~4th~~17th day of November, 2015.

| **APPROVED BY THE MAYOR** of Kuna this ~~4th~~17th day of November, 2015.

**CITY OF KUNA, IDAHO
ORDINANCE NO. 2015-12
IDAHO POWER FRANCHISE AGREEMENT**

“AN ORDINANCE IN ACCORDANCE WITH IDAHO CODE SECTIONS 50-328, 50-329 AND 50-329A GRANTING A FRANCHISE TO IDAHO POWER COMPANY, AN IDAHO CORPORATION, AND TO ITS SUCCESSORS AND ASSIGNS, TO CONSTRUCT, MAINTAIN AND OPERATE IN AND UPON THE PRESENT AND FUTURE STREETS, HIGHWAYS AND OTHER PUBLIC PLACES WITHIN THE CORPORATE LIMITS OF THE CITY OF KUNA, IDAHO, ELECTRIC UTILITY PROPERTY AND FACILITIES FOR SUPPLYING ELECTRICITY AND ELECTRIC SERVICE TO THE CITY, THE INHABITANTS THEREOF, AND OTHERS FOR A TERM OF TEN (10) YEARS; PROVIDING A RIGHT TO THE CITY TO PHYSICALLY LOCATE AND MAINTAIN TELEPHONE, CABLE, FIBER OPTICS OR OTHER COMMUNICATIONS FACILITIES ON THE POLES AND OTHER FACILITIES OF GRANTEE; PROVIDING FOR A HOLD HARMLESS CLAUSE; PROVIDING FOR A REQUIREMENT FOR INSURANCE; PROVIDING FOR A PROCESS TO IMPLEMENT A FRANCHISE FEE; PROVIDING FOR A NON COMPETE CLAUSE; PROVIDING A CLAUSE THAT PERMITS THE CITY TO GENERATE POWER FOR ITS OWN CONSUMPTION; RESERVING POWER OF EMINENT DOMAIN; PROVIDING FOR THE PAYMENT OF FRANCHISE FEES; AND SPECIFYING OTHER LIMITATIONS, TERMS AND CONDITIONS GOVERNING THE EXERCISE OF SAID FRANCHISE.”

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF KUNA, IDAHO THAT;

SECTION 1. The City of Kuna, Idaho (hereinafter called the “City”) hereby grants to IDAHO POWER COMPANY, an Idaho corporation, and to its successors and assigns (hereinafter called the “Grantee”) the right (subject to the rights of the City set forth in Section 14 hereof), privilege and franchise for a period of ten (10) years from and after November 1, 2015, however, with the right to amend by mutual agreement in accordance with Section 15, to construct, maintain and operate in and upon the present and future streets, alleys, highways and other public places within the corporate limits of the City, electric utility property and facilities for supplying electricity to the City, and the inhabitants thereof, and to persons and corporations beyond the limits of the City, including the nonexclusive right to physically locate and maintain telephone, cable, fiber optics or other communications facilities of the Grantee or other parties, (provided, that Grantee shall comply with the City’s requirements for cable system franchises) all subject to the terms and conditions hereinafter specified. In the case of annexation of property to the corporate limit, such area will be considered under this agreement, upon effective date of the annexation, subject to Section 9 hereof. All such electric utility property and facilities now maintained by the Grantee within the streets, alleys, highways and other public places within the corporate limits of the City shall be deemed covered by this ordinance as provided herein.

SECTION 2. All of the Grantee's electric property and facilities in and upon the present and future streets, alleys, highways and public places within the corporate limits of the City shall be constructed and at all times maintained in good order and condition and in accordance with standard engineering practices and all applicable safety codes and lawful governmental regulations, including all applicable state and federal regulations and all construction standards presently in effect by the Idaho Public Utilities Commission or adopted by that Commission during the term of this franchise agreement.

SECTION 3. Upon request of the City, the Grantee shall relocate its facilities as necessary within the present and future streets, alleys, highways and other public places owned by the City. The City shall have no responsibility for the costs of such relocations. The Grantee shall bear the cost of relocating its facilities at the City's request, unless the facilities are to be relocated for the benefit of a third party, in which case the third party shall pay the costs of relocation. In the event federal, state or other funds are available in whole or in part for utility relocating purposes, the City shall apply for such funds and the Grantee will be reimbursed to the extent any such funds are actually obtained.

SECTION 4. It shall be lawful for the Grantee to make all needful or convenient excavations and/or installations in any of the present and future streets, alleys, highways and other public places within the corporate limits of the City for the purpose of erecting and maintaining the posts, poles, towers, or other supports for its wires or for the purpose of laying, maintaining and operating conduits, vaults and wires and other conductors underground for the purpose aforesaid, or to repair and improve such electric power and light system and to extend the same; provided that when the Grantee or any person or corporation under the authority of this franchise, shall disturb any of said streets, alleys, highways or other public places for the purposes aforesaid, he, it or they shall restore the same to good order and condition as soon as practicable and without unnecessary delay and failing to do so after five (5) days notice from the City, or its duly authorized officer or officers, then the City may place said street, alley, highway or public place in such condition at the cost and expense of the Grantee, and said Grantee will forthwith pay the full cost and expense thereof upon demand of the City. All facilities constructed under this ordinance shall be placed and maintained at such places and positions in or upon such public ways and public places and shall not interfere with the passage of traffic and shall conform to all applicable laws, rules and regulations, including the regulations of the Ada County Highway District, or any successor highway district, as amended.

SECTION 5. The City shall have the right and privilege to string and maintain wires for its internal communications for its fire, police, airport and all other municipal services, including Internet, upon the poles and other facilities erected and maintained by the Grantee hereunder, subject to the Rules and Regulations of the Idaho Public Utilities Commission. The City shall string, maintain and operate such wires at its own expense, risk and responsibility, and in accordance with all legal requirements and good engineering practices and in such manner as not to impose any additional expense upon Grantee of its said poles and facilities. Any such wires of the City shall be subject to interference by the Grantee only when necessary in the maintenance, operation or repair of the Grantee's own fixtures, wires, facilities and appurtenances.

SECTION 6. The Grantee shall at all times indemnify and hold the City, its officers, employees and agents, harmless from any and all expenses or liability arising from, and against or by reason of any negligent act or omission of the Grantee, its representatives or employees, in the construction, operation or maintenance of any of the Grantee's electric utility property or facilities.

SECTION 7. Upon acceptance of this franchise by Grantee and before Grantee shall have any rights hereunder, Grantee shall file with the City Clerk a Certificate of Insurance evidencing General Liability Insurance which covers claims for Bodily Injury, Property Damage and Personal Injury. Such insurance shall have minimum limits of \$1,000,000 per occurrence. The City of Kuna shall be named as an "Additional Named Insured" under Grantee's insurance policy. Should the minimum limits of insurance as set forth herein be increased above \$1,000,000, pursuant to the Idaho Tort Claims Act (Idaho Code Section 6-901 et. seq.) or any similar legislation, the Grantee shall be required to provide the City with a new Certificate of Insurance evidencing the higher limits upon the City's request.

SECTION 8. The electric service to be furnished to the public hereunder, and all rates and charges therefore, and all regulation of the Grantee hereunder, shall at all times be subject to all rules, regulations and orders that may be lawfully prescribed by the Idaho Public Utilities Commission or by any other governmental authority now or hereafter having jurisdiction over such matters. During the term of this franchise, Grantee shall at all times assure that customers within the City have access to customer service from the Grantee as required by the Idaho Public Utilities Commission.

SECTION 9. At the time of adoption of this agreement, the City will not be assessing a franchise fee. If, at a later date, the City elects to implement a franchise fee of one percent (1%) by formal adoption of city resolution, then Grantee agrees to pay to the City on or before the 30th day of January, April, July and October, an amount equivalent to the agreed to franchise fee percentage of Grantee's "gross revenues" for the preceding calendar quarter. For purposes of this Section, "gross revenues" shall mean the amount of money billed by the Grantee for the electricity it sells within the corporate limits of the City to customers, less un-collectibles. The City shall provide appropriate information to the Grantee to allow the Grantee to identify which of its customers are located within the corporate limits of the City for purposes of paying franchise fees. Grantee shall not be responsible for any failure to pay franchise fees that results from deficiencies in such information provided by the City. In the event the City annexes a new area into its corporate limits, the terms of this Section 9 regarding franchise fees shall not apply to the annexed area until sixty (60) days after the City has supplied the Grantee with appropriate information for the identification of the Grantee's customers within the annexed area.

If the City elects to implement a franchise fee of one percent (1%) in the future as provided in the preceding paragraph, the Grantee's franchise fee payment obligations hereunder shall commence with the start of the Grantee's second full billing cycle following the effective date of the City's franchise fee resolution; provided, that the Grantee must first receive approval

from the Idaho Public Utilities Commission for the collection of the franchise fee in the rates charged by Grantee.

SECTION 10. If the City desires to establish a franchise fee greater than one percent (1%), but not more than three percent (3%), this franchise agreement may be amended by obtaining the consent of the Grantee or the approval of a majority of voters of the City voting on the question at an election held in accordance with chapter 4, title 50, Idaho Code. Any such vote to increase the franchise fee hereunder shall provide that the increased franchise fee will apply to any electric service provider (other than the City) who utilizes the City's streets, alleys or other public places to provide electrical service within the City, during the term of this franchise agreement.

SECTION 11. The Grantee shall keep accurate books of account for the collection of the franchise fees for a period not to exceed three years hereunder and the City shall have the right to inspect the same at all times during business hours, and from time to time audit the same for the purpose of determining gross revenues under Section 9 above.

SECTION 12. The franchise fees paid by the Grantee hereunder will be in lieu of and as payment for any tax or fee imposed by the City on the Grantee by virtue of its status as a public utility including, but not limited to, taxes, fees or charges related to easements, franchises, rights-of-way, utility lines and equipment installation, maintenance and removal during the term of this franchise Agreement.

SECTION 13. The Grantee shall have the right and privilege, insofar as the City is able to grant the same, in accordance with National Arborist Association standards, of the pruning of all trees which overhang the present and future streets, alleys, highways and other public places within the corporate limits of the City, in such a manner and to such extent as will prevent the branches or limbs or other parts of such trees from touching or interfering with its wires, poles and other fixtures and equipment. However, except in an emergency, no pruning shall be undertaken without giving the occupant of the adjacent property written or oral notice that such pruning will be performed.

SECTION 14. In consideration of Grantee's undertaking hereunder as evidenced by its acceptance hereof, the City agrees not to engage in the business of providing electric service during the life of this franchise or any extension thereof in competition with the Grantee, its successors and assigns; but nothing herein contained shall be construed or deemed to prevent the City from exercising at any time any power of eminent domain granted to it under the laws of the State of Idaho. The City shall not grant a franchise to another electric service provider during the term of this franchise Agreement unless the electric service provider has received approval to provide electrical service within the City from the Idaho Public Utilities Commission, and the City has imposed the same franchise fee on the electric service provider as paid by the Grantee.

Notwithstanding the preceding paragraph, this Agreement will not restrict the City from developing an electrical generation facility or facilities, by itself or with others, which: (1)

provides power exclusively to the City, for the City's internal use only, and not for resale to its residents or other Idaho Power retail customers, provided that this shall not prohibit the City from entering into an agreement with an electrical generation facility so long as the power is sold to Idaho Power; and/or (2) is a Qualifying Facility under the Public Utility Regulatory Policies Act of 1978.

SECTION 15. In the event of an amendment to the laws, rules or regulations of the City of Kuna, the State of Idaho or the Public Utilities Commission of Idaho applicable to this franchise, or for periodic review of any section of this Agreement, the terms of this franchise and the rights and privileges hereby conferred may be changed, altered, amended or modified upon mutual agreement between the City and the Grantee. In all cases, sixty (60) days notice shall be required on the part of City or Grantee to reopen the Agreement pursuant to this section.

SECTION 16. Any violation by the Grantee of the provisions of this ordinance, franchise and grant or any material portions thereof or the failure promptly to perform any of the provisions thereof shall be cause for the forfeiture of this franchise and grant and all rights hereunder by the City after sixty (60) days' written notice to the Grantee and the continuance of such violation, failure or default; however, this provision shall not prevent the Grantee from submitting such question of violation or forfeiture to the appropriate forum (which may include the district court having jurisdiction or the Idaho Public Utilities Commission) for determination.

SECTION 17. Sale, assignment or lease of this franchise is prohibited without notification to the City.

SECTION 18. The Grantee shall assume the cost of publication of this franchise as such publication is required by law.

SECTION 19. The Grantee shall within thirty (30) days after final passage of this ordinance, file with the City Clerk its acceptance of this franchise in writing signed by its proper officers and attested by its corporate seal.

SECTION 20. The existing franchise agreement between the City and Grantee, Ordinance No. 151, dated September 7, 1965, shall terminate upon the adoption and acceptance of this ordinance.

SECTION 21. Inasmuch as the Grantee has constructed and now is maintaining and operating the electric utility property and facilities in and upon the streets, alleys, highways, and public places in the City, it is hereby adjudged and declared that this ordinance is necessary for the preservation of the public peace, health and safety, and therefore this ordinance shall take effect on September 7, 2015.

PASSED AND ADOPTED by the Council of the City of Kuna this 4th day of October, 2015.

APPROVED by the Mayor this 4th day of October, 2015.

W. Greg Nelson, Mayor
