2016-2017

1. TBD

The Time is Now.

Kuna's time is now. The economy has recovered, the housing market has stabilized, commercial activity is on the upswing and local infrastructure investment is under way.

Let's keep the momentum going. Downtown Kuna is home to several small businesses that support the heart and soul of the community. Even as Kuna

grows outward, the locals still value its core small-town charm and way of life.

Kuna's downtown is full of character and opportunity. It's time focus on its best asset. A downtown revitalization plan could be the kick-start the City needs to not only dream up a better Main Street, but to make those dreams a reality.

On October 23, 2014, the City took a big step forward by hosting a workshop to seek input from business owners, City Council members and the Mayor to identify goals and specific projects for downtown Kuna. A summary of common themes that came out of this workshop include:

Common Goals

- Make Kuna a destination – keep Kuna residents in Kuna
- Community pride
- Create better connectivity/walkability
- Create a safer feel downtown
- More opportunities for events
- Improve parking and sidewalks
- Attract new business
- Incorporate art and history
- Improve/utilize underdeveloped areas
- Create better environment for biking
- Businesses willing to put skin in the game

Specific Projects

- Clean up storefronts/façade program
- Fix sidewalks
- New landscaping
- Better lighting
- Public art program (Birds of Prey theme?)
- Murals and other history elements
- More/better signage
- Event venues (music, recreation, children, etc.)
- Outdoor seating/café areas/benches

- Flags/banners
- Decide what to do with the old school gym – maybe demo for parking
- More prominent crosswalks
- Engraved bricks (could use for fundraiser)

* See attached **Workshop Summary**

This valuable input will help guide the City with near-term investment decisions.

How to Move Forward ... What Now?

A question was asked at the workshop about why everyone keeps talking about what they want to do (referring to the ACHD downtown corridor plan) but nothing is being done? This is a great question. Now that the City of Kuna is in a leading role in downtown revitalization (with support from ACHD), continued success is much more likely to occur.

In order to make the community's vision come true, there's very distinct steps that should be taken to achieve success. In our experience, we have found that a good place to start is to secure funding for planning, form a ¹Downtown Revitalization Steering Committee and develop a Downtown Revitalization Plan.

Other specialty committees may need to be formed in the future to implement projects identified in the Downtown Revitalization Plan (i.e. arts, historic preservation, greenbelt, etc.). With a strong vision

¹ A Downtown Revitalization Steering Committee should be comprised of a project champion (as previously discussed with City staff), business owners, stakeholders, ACHD, decision makers, students (various ages), funding agencies, etc.

and consensus, success is much more likely to occur if people who specialize in these areas are involved early and often.

With some of the groundwork that has been laid with the Kuna Downtown Corridor Plan lead by ACHD, now Kuna is in a position to move forward with a comprehensive downtown revitalization plan with a focus on other facets of downtown revitalization including community branding, art, benches, façade improvement programs, decorative lighting, wayfinding signage, parking, an agreed-upon street section (if needed), and city-managed public infrastructure.

2014 – 2015 Action Plan

1. Apply for Planning Grants

Fortunately, there are grants out there that can help pay for some of the up-front planning and engineering costs associated with developing a downtown revitalization plan. The City would likely need to provide local matching dollars in order to be competitive. Kuna is currently eligible to apply for the following planning grants:

- ✓ **USDA Rural Business Enterprise Grant (RBEG)**
(up to \$15,000 per application)
- ✓ **Capital Matrix Foundation Grant**

The Jeff Tunison Community Fund – total fund has \$120,000 for FY15. It is recommended to call and find out how much the City should apply for.

Kuna may become eligible to apply for an Idaho Gem Grant in the future. According to staff at

Idaho Department of Commerce, the population threshold for eligibility may increase from 10,000 to 50,000 next year. It is recommended that Kuna staff stay in contact with Commerce to monitor the possibility of eligibility.

Additional details about these funding sources are included in a ***Draft Strategic Funding Plan*** attached to this document.

Need Help from a Consultant?

The City has two options for hiring a consultant to perform these services (grant writing, planning, and grant administration):

1. If the services are less than \$25,000 the City of Kuna may hire a consultant of their choice without advertising and/or soliciting proposals.
2. If services are expected to be between \$25,000 and \$100,000, the City of Kuna should follow the Idaho Department of Commerce procurement process by seeking proposals from three (3) certified grant administrators. This will put the City of Kuna in the best position to receive Idaho Community Development Block Grant dollars for a Downtown Revitalization project next year.

2. Develop a Downtown Revitalization Plan

Why does Kuna need a Downtown Revitalization Plan? Simply put, funding agencies such as the Idaho Department of Commerce expect to see that the City has developed a plan with prioritized improvements that are supported by business owners and the public. Funding agencies also want to see that the City is ready to make real changes that will support long term economic growth for existing and future businesses.

3. Develop a Strategic Funding Plan

Once a Downtown Revitalization Plan has been developed, a strategic funding plan should be developed and followed to implement the improvements identified in the plan. A **Draft Strategic Funding Plan** is attached to this document and may be used to implement projects identified during the workshop on October 23, 2014. This Draft Strategic Funding Plan may be updated once the Downtown Revitalization Plan is complete.

4. Project Concept Development

(details needed for grant applications and construction cost estimates)

Once funding sources have been identified for priority projects, official concepts and construction cost estimates should be developed. These items are needed to support grant applications and they can help the City with budgeting for matching dollars and determining what, if any, in-kind labor can be done to help reduce costs.

5. Apply for Constructions Grants

Once a concept plan and construction cost estimate has been prepared, the City of Kuna will be ready to apply for grants to fund construction improvements. The most obvious grant that the City of Kuna should apply for in 2015 is an Idaho Community Development Block Grant for downtown revitalization improvements. Grant applications are due the week before Thanksgiving of each year and the maximum grant amount is limited to \$500,000.

Additional grants are identified in the **Draft Strategic Funding Plan** attached to this document.

Communication is Key

Communication is very important when embarking on a downtown revitalization effort. Attendees at the workshop expressed an interest in being informed on a regular basis so they can be aware of ongoing accomplishments and upcoming projects. It is recommended that the City of Kuna send out (email and/or mail) a quarterly newsletter to the meeting attendees and other interested parties. Ideally, the greater public would also be informed so they know that action is underway to improve downtown. Sharing this information with the greater public could result in volunteers and stakeholders offering valuable input into this overall effort.

The content of the first newsletter could inform them of what was heard at the workshop and next steps (i.e. grant applications in the works, projects currently underway, planned projects, status of establishing a downtown revitalization committee, etc.).

There is a **contact list** attached to this document with names, phone numbers and email addresses of those who attended the workshop and those interested in serving on a future Downtown Revitalization Committee.

Kuna Downtown Revitalization Workshop

Kuna City Hall | October 23, 2014 | 11:30 a.m. – 1:00 p.m.

WORKSHOP SUMMARY

Introduction & Review of Agenda

Chris Engels welcomed the group and reviewed the agenda for the meeting.

ACHD Commissioner Presentation

Mitch Jaurena discussed the status and future of several transportation projects.

Downtown Revitalization

Lisa Bachman provided an overview of downtown revitalization, keys to success and examples of other Idaho towns that have completed a downtown revitalization process.

Workshop Logistics

Andrea Gumm from the Langdon Group, a subsidiary of JUB, reviewed the logistics for the workshop. Meeting attendees were instructed to join one of six tables for a facilitated discussion. The first part of the discussion covered visions and goals while the second portion allowed participants to generate specific ideas for revitalization. After the allotted time for discussions ended, a representative from each table reported out to the larger group.

Work Group Session

Workshop attendees had five minutes for introductions; ten minutes to discuss vision and goals; ten minutes to generate ideas for revitalization; and five minutes to summarize the table's findings for reporting out to the larger group. Group members showed great enthusiasm for a downtown revitalization and appreciated the opportunity to generate goals and ideas with fellow Kuna business owners. The transcribed notes from the work group session are provided at the end of this summary.

Report Out/Summary of Discussions

Each table had several minutes to report group findings to the rest of the workshop participants. Similar themes surfaced during each table's presentation including, aesthetic improvements, creating a common identity and leveraging multiple local businesses and grants for additional funding.

Common Goals

- Make Kuna a destination – keep Kuna residents in Kuna
- Community pride
- Create better connectivity/walkability
- Create a safer feel downtown
- More opportunities for events
- Improve parking and sidewalks
- Attract new business

- Incorporate art and history
- Improve/utilize underdeveloped areas
- Create better environment for biking
- Businesses willing to put skin in the game

Specific Ideas

- Clean up storefronts/façade program
- Fix sidewalks
- New landscaping
- Better lighting
- Public art program (Birds of Prey theme?)
- Murals and other history elements
- More/better signage
- Event venues (music, recreation, children, etc.)
- Outdoor seating/café areas/benches
- Flags/banners
- Decide what to do with the old school gym – maybe demo for parking
- More prominent crosswalks
- Engraved bricks (could use for fundraiser)

Next Steps

Lisa Bachman explained that the City will identify a project for High Five grants funds to go towards and will look for funding sources to implement other ideas from the workshop.

Closing

Mayor W. Greg Nelson closed the meeting and thanked everyone for his or her attendance. He is optimistic about moving ahead with a downtown revitalization.

Notes from Kuna Downtown Revitalization Workshop

Group 1

- Storefront
- Sidewalks/connection
- Lighting – lighting on Greenbelt
- Eye-catching signs
- Plants, statues and art
- Infrastructure – i.e. water improvements
- Safety
- Accessibility – straight roads

- Removal of trash
- Parking – a central location
- Signage directing motorists to parking
- Outdoor music venue
- Kids have opportunities to play
- Volleyball court at the park
- Bicycle friendly – i.e. racks
- Move “Welcome” sign closer to Meridian Road
- Events center
- Swimming pool
- Retail/shopping
- Movie theater
- Common identity
- How to make Kuna a destination?
- Redo painting on Post Office
- Bring in businesses that create walkability downtown
