**APPLICANT:** Please be advised that bars, nightclubs, lounges, taverns and other permanent locations where alcoholic beverages are sold, not including restaurants where the principle business is serving food, are required to procure a Special Use Permit along with an application for a liquor license permit, provided the zone in which the use is located affords the sale of alcohol. The Special Use Application may be acquired from the City's Planning Department. If there is any doubt or uncertainty whether the principle business is food, that determination will be made by the Planning Department.
