## City of Kuna

# November 30, 2021 News Release

### *Bernie Fisher Park Closure*

The Kuna Parks and Recreation Department is excited to announce that our new playground at Bernie Fisher Park is set to get installed soon!

With this, Bernie Fisher Park will be completely closed to the public beginning Wednesday, December 1, 2021, until further notice.

We are super excited to get this installed and ready to use by our amazing community. Please be respectful of any and all construction equipment that may be in or around the park.

THANK YOU!
