City Response Designations

- 1 – No Exceptions Taken (Approved)
- 2 – Revise and **Re-submit**
- 3 – Rejected; **Re-submit product**
- 4 – **Submit Specific Item**

DISCLAIMER:

This review is only for general conformance with the design concept of the project and general compliance with the information given in the Approved Plans and Technical Specifications. Corrections or comments made on the shop drawings during this review do not relieve contractor from compliance with the requirements of the plans and specifications. Review of a specific item shall not include review of an assembly of which the item is a component. Contractor is responsible for dimensions to be confirmed and correlated at the jobsite; information that pertains solely to the fabrication processes or to the means, methods, techniques, sequences and procedures of construction; coordination of the Work of all trades; and for performing all work in a safe and satisfactory manner.
