

Kuna Curbside Clean Up 2023

The event will be held over a 2-week period leading up to the Hazardous Waste Drop Site Event held on Saturday May 13th. Our customers within the city limits will be allowed to place large bulky items and excess trash on the curb at no extra charge on your regular service day. Your pickup week will be determined by the color-coded map that is attached. The yellow areas will be serviced on the 1st week **May 1st through May 5th** and the red areas will be serviced on the 2nd week **May 8th through May 12th**. Items placed at curbside need to be no more than a regular pick-up truck bed amount. **All hazardous waste (T.V.s, oil, antifreeze, paints, pesticides, car tires, batteries, and any items that contain Freon) will need to be brought to our Drop Site Event on Saturday May 13th, following the 2 weeks of curbside pick up.** We will NOT pick up any hazardous waste items curbside.

Items NOT accepted curbside or at drop off site are dirt, rock, concrete, sod or large amounts of wood.

All items that are not large bulky items need to be bundled, boxed, bagged or in a container no larger than 35 gallons.

Our Hazardous Waste drop site event will be held on Saturday May 13th at the end of the 2 weeks of curbside pick up. Residents will be able to bring their Household Hazardous Waste items to this event. All tires and refrigeration units will be taken at a discounted fee. **We will not be taking any general waste or scrap metal at this event only accepted hazardous waste.**

All City of Kuna residents dropping off at the Hazardous waste event will be required to present a City of Kuna Water bill. Renters can get a copy of the bill from their landlords. If you are not able to get a copy of your water bill you must provide another solid proof of residency. We will not be accepting any loads that do not have proof of residency with them.

Thank you for your cooperation and allowing us to service the community.
